**An Abundance of Blood**  
**PAINES' Celery Compound**

Cleanses the Vital Fluid, Increases Its Supply, Banishes the Seeds of Localized Diseases, and Nourishes Every Important Organ.

The use of Paine's Celery Compound means an abundance of pure, vitalizing blood, a perfect regulating of circulation, and the banishment of localized diseases such as insomnia, neuralgia, rheumatism, eczema, salt rheum, blood diseases, running sores, and eruptions. If your sleep is not restful and refreshing, if your spirits are low, if you are morose, melancholic, and oppressed with morbid feelings, be assured your blood demands instant attention. Paine's Celery Compound is the one great and never failing agent for making pure, fresh, blood, for nourishing the dominant organs of the body, for securing the strength of young and old. Often, very often, a delay of one day proves fatal. Foul and poisoned blood carries death at every beat of the heart. Mrs. C. R. Root, Mansfield, Pa., says: "When I began taking Paine's Celery Compound I was all run-down after a severe attack of the grippe and was almost tired of life. I had salt rheum in my head, very often, a delay of one day proved fatal. Foul and poisoned blood carries death at every beat of the heart. Mrs. C. R.
