there to answer to a petition of Eliza Lees,
filed in our said court, claiming the abrogation
of so much of the last will and testa-
ment of Stephen Lees, deceased, late of
said county, as disposes of by way of devise
of the premises occupied by said Stephen
Lees at the time of his decease, the same
being a tract of land ten (10) rods running
north and south and five (5) rods east and
west of the south-east corner of Lot one (1)
in Block No. seventy-three (73) of Plot A of
the surveys of Salt Lake City.

And the said Eliza Lees also claims to be
the widow and heir at law of said Stephen
Lees, deceased, and that as such she is en-
titled by law to said premises as her home-
stead, and claims that the same were not
subject to be disposed of by will as against
her paramount right thereto.

And said petitioner prays a decree of this
court in the matter establishing in her a
fee simple absolute title to said premises
and other relief, as in her said petition par-
ticularly set out.

And that unless you appear and defend
against said petition on or before the time
herein named, said court will proceed to
hear said cause and grant the prayer of
said petitioner by proper decree of this
court.

ZION'S Co-operative Mercantile INSTITUTION

IS DOING THE LARGEST BUSINESS EVER
carried on in the Territory of Utah, arising from a
uniform system of dealing principally with manufac-
turers of standard goods, buying in immense quanti-
ties and selling on the closest margins.

The largest part of their purchases for the

Wholesale and the Retail Dry Goods Department

Are made through their New York office, from
whence all fluctuations in the Foreign and Home
Markets are closely watched.

The Institution is complete in all its various
departments, and fresh novelties are added to the
stock as fast as they are offered in the market. Visi-
tors are shown through the buildings without the
slightest importunity to purchase.

The Gentlemen in charge of the several depart-
ments are among the most widely and favorably
known in the Rocky Mountains, and we commend
them to the confidence of the public, promising that
no effort on their part shall be wanting to insure a
continuance of its patronage.

They are enabled not only to suit the tastes of an
intelligent trade, but also to compete successfully
with Eastern dealers. In fact no country merchant
can afford to pass by this city under the impression
that Eastern markets will give him lower prices, bet-
ter stock or more favorable terms. Their

Grocery, Hardware, and Drug De- partments,

For completeness and variety of stock, have never
been equalled west of New York, and merchants in
the neighboring settlements in the Territories cannot
do better than replenish their stock from this source.
Their

Clothing Department

Is now opening its magnificent fall and winter pur-
chases, among which is the most varied assortment
of Gentlemen's Furnishing Goods ever brought to
Utah. Since merchant tailoring has been added to
and made a specialty in this department, that
branch of the Institution's trade has attained a per-
fection never arrived at by any similar house in the
Territory. Foreign and domestic fabrics of every
style and price are made to order or sold in piece.
Their

Boot and Shoe De- partment

Keeps thirty hands constantly employed on all class-
es of work, and has never failed to secure the Prize
Medals at our Territorial Fairs. Their facilities for
turning out first-class work have never been equalled
by any similar establishment in the Territories, and
Gentlemen and Ladies visiting the city would do
well to leave their measures with that Department,
thus enabling them to order by mail at any time they
desire a perfect fit.

The Institution deals in every class of merchan-
dise, and all persons, however remote from business
or manufacturing centres, can have their orders
promptly filled by mailing them to
