Commissioners Ready to Appoint Horticultural Board if Fruitgrowers Nominate Members.

John Woods Held on Two Serious Charges—Ed O. Layman of Stateville Hurt in Runaway.

John Woods, the colored man who was arrested on the charge of shooting at Thomas Topham a short time ago, was arraigned before Judge Howell last evening on two charges, one of assault with intent to commit murder and one of burglary. He was placed under \$1,000 bond and preliminary hearing set for Wednesday at 10 a. m. Being unable to furnish bond he was turned over to the custody of the sheriff. Woods, it will be remembered, was just coming down a steep ladder from one of the rooms of Topham's house which he had burglarized, when Topham saw him and called to him, receiving in reply a shot from Wood's pistol, so it is alleged.

WEBER COUNTY AFFAIRS.

The board of county commissioners held their regular weekly meeting, transacting only a small amount of business.

Secretary Jos. H. Parry of the state board of horticulture sent a communication to the board informing them that Attorney General Fireman has rendered an opinion holding that the new horticultural law is constitutional which provides that county commissioners shall appoint a county horticultural board, and urged the importance of the board being appointed in this county at once.

The county board is ready to make the appointments as soon as the fruit growers send in names of persons qualified for the duties.

Commissioner Powers reported having visited the proposed new road in Bluffville and recommended its being opened, as it will be a great saving in travel to the people living in that part of the county. The matter was taken under advisement.

Dr. Forbes reported nine cases of smallpox at Huntsville, all of which are rapidly recovering and the quarantine laws are being stringently enforced.

Several minor matters were disposed of.

INJURED IN A RUNAWAY.

Ed O. Layman, a well known resident of Stateville, met with quite painful injuries in a runaway late yesterday afternoon. Mr. Layman, with two boys, was riding along Washington avenue when the team became frightened and ran away. Near Farley's blacksmith shop the wagon, tongue dropped and struck against some rocks, throwing Mr. Layman from the wagon to the ground with considerable force, fracturing his left leg at the ankle and terribly bruising his body. He was given medical attention and sent home as soon as possible. The two boys jumped from the wagon, when the team commenced to run and escaped injury.

Atkinson and Hoffman were on their way to Ogden on a freight train. They were riding in a boxcar when two masked men entered, and with revolvers in their hands, demanded their money. They secured a silver watch from Atkinson and \$1 from Hoffman. The former was not quick enough in raising his hands to suit the robbers and one of them pulled a .45 caliber revolver and held over the head with a big gun. A good description of the holdups has been given the police, and it is believed the thieves will soon be in custody.
