

UTAH ARTISTS ARE REPRESENTED

Splendid Collection of Pictures and
Paintings at Social Hall.

RECEPTION MONDAY NIGHT.

Exhibition Will Be Formally Opened
By Gov. H. M. Wells at 8 o'clock
—Free to Public.

The reception to be given by the Utah Art Institute at the Social hall on Monday evening at 8 o'clock promises to be a very notable gathering.

Probably in the history of the State no such collection of paintings has ever been exhibited.

The society of Utah artists for years gave the people of this city some very good exhibits, but with the birth of the Utah Art Institute the former society was dissolved by the more important State organization.

The men who have worked so faithfully in art in this State for so many years, George R. Ottinger, Alfred Lambourn and others, have not ceased producing pictures and the number of artists is increasing each year.

Utah can certainly boast of a corps of artists united in the cause, and seriously pursuing the study of art. It is no idle thought that among them will be found artists of renown.

Several of our artists have already been recognized abroad. Dublin took a gold medal at the Chicago Exposition and a silver one at the Paris Exposition. Miss Mary Teasdale exhibited at the Paris exhibition and twice at the French Salon. Mr. J. E. Lamborn has been admitted to the French Salon, and exhibited at the Chicago Exposition. Miss Rose Hartwell has been accepted at the French Salon. Mr. Edwin Evans won honor in the Italian academy and in Chicago at the World's Fair. Mr. Haden did not stay long abroad, but is doing important work. Mr. Fairbanks was recognized at the St. Louis Exposition. The work of Mr. H. L. A. Culmer has won warm appreciation both at home and in many of the large eastern cities where his work has found many purchasers. Lorus Pratt has not exhibited for several years but it is hoped that he will still continue his brush work.

Then there are Mrs. Marie Gorinski, Haden, Wesley Browning, L. O. Dick, Mrs. A. M. Horne, Mr. Borglum, the talented sculptor of Ogden, Hon. Young, Louise Richards, Ida Savage, Miss Margaret Merrill, Miss Clara G. Brooks, Mrs. E. Sloan, Mr. Grace Y. Kerr, who are doing excellent work.

The collection of paintings and art fabrics produced by the Utah artists, at the coming exhibition will be the most notable yet displayed, and besides these the Institute has secured a dozen or more paintings done by noted eastern artists, and these will furnish a fair means of comparing the local work with outside talent.

The press are invited to take the first view of the exhibit from 4 to 6 o'clock on Monday afternoon, and at 8 o'clock Governor Wells will formally open the exhibition. The governing committee will be assisted by a reception committee. No personal invitations to attend the reception are to be issued. It is open to the public free of charge and all are invited.

The reception committee consists of Mr. and Mrs. H. L. A. Culmer, Miss Mary Teasdale, Mr. and Mrs. G. H. Horne, Mr. and Mrs. H. W. Harwood, Mr. and Mrs. A. W. Cline, Mr. and Mrs. G. H. Taggart, Mr. and Mrs. E. W. Ware, Mr. and Mrs. Edwin Evans, Mr. and Mrs. J. L. Rawlins, Mr. and Mrs. A. H. Tarbet, Mr. and Mrs. T. G. Webber, Mr. and Mrs. Thomas W. Sloan, Mr. and Mrs. Edwin Holmes, Mr. and Mrs. O. W. Moyle, Mr. and Mrs. Kenneth Kerr, Miss Margaret Merrill, Mr. and Mrs. S. H. King, Mr. and Mrs. W. Sloan, Miss Hattie Jennings, Miss Edith Miller, Miss Cora Ferguson.

The exhibition is free to the public except on Wednesday, when a small admission fee will be charged. Buyers will thus be enabled to study the pictures without being crowded. Music will be a feature of the exhibitions.

SOCIAL AND PERSONAL.
Miss Pearl Swift and Ella McCallister entertained at a delightful party on Friday evening last at the home of the former. The principal game indulged in being bridge. The first prize was won by Mrs. Etta Bell and the consolation by Mr. Nixon. Delightful refreshments were served. The guests present were: Miss Jessie Davis, Alice Hill, Billie McCallister, Mrs. Venie Rose, Eva Symons, Mr. and Mrs. Best, Mr. and Mrs. Strong, Mr. John Ilowarth, George Hilton, Fred Morris, Mr. T. Jensen, Heber Aldons, and Mr. Nixon.

There will be a meeting of the George Washington Memorial association on Wednesday, the 27th, at 10:30 a. m., at the home of Mrs. George A. Lowe, 308 east First South street.

All arrangements are completed for the grand ball to be given by the Letter-carriers next Tuesday evening, November 25, at Christensen's Hall. It is expected that the hall will be filled with friends of the boys in gray and no doubt a pleasant time will be enjoyed by every one in attendance. Funds raised will be expended in sending a delegation of Letter-carriers to represent Salt Lake City at the National convention to be held in Denver, Colorado, the first week in September next.

M. Trust Blue, teacher of physical culture in the Social hall, was the recipient of a happy surprise last Thursday evening by his pupils. The evening was passed in dancing, games and social chat. Refreshments were served during the evening, and during the festivities Prof. J. H. Paul presented the host on behalf of the pupils a handsome copy of Ben Hur. Accompanied by the band, a beautiful strip of ribbon containing the names of all his pupils. The L. D. S. orchestra added great pleasure to those present.

The party given last night at Christensen's by President Nelson and faculty of the Salt Lake Business College, was well attended and enjoyed. Fully a hundred couples responded to the invitation issued and the committee engaged no pains to have all satisfied with the evening's entertainment. The hall was tastefully decorated in the college colors, black and yellow. Potted plants and large palms were prettily arranged about the room and on the stage. The orchestra had been enlarged for the occasion. During the latter part of the evening a supper was served by Frankie on the platform at the rear of the musicians' stand. This party was the first of a series that will be given by the Salt Lake Business College during the winter.

The twelfth preparatory theological class, in charge of its teacher, Miss Addie Eldredge, gave a very pretty dancing party at the Ladies

"77" Prevents and Breaks up GRIP

(From N. Y. Sun.)

A New Form of Grip Epidemic.

Within the last week the physicians of this city have made the discovery that Grip in a strange form is epidemic. The attack is accompanied by pains in the muscles, particularly of the arms and shoulders, which suggest the twinges of rheumatism. Vague sensations in the chest of a very uncomfortable description induce a "gone" and "forlorn" frame of mind. There is a sharp cough, but the most distressing features of ordinary Grip are lacking.

The prompt use of Dr. Humphrey's Specific SEVENTY-SEVEN ("77") will break up the worst attack of Grip and Colds.

At all druggists 25 cents, or mailed on receipt of price. Doctor's Book mailed free.

Humphrey's Homeopathic Medicine Co., Corner William and John Streets, New York.

Literary club rooms, last evening, Christensen's orchestra furnished the music to a delightful program of dances. C. E. AT FORT DOUGLAS.
Interesting Program Rendered at Military Post Last Night.

A social was held last night, in the chapel at Fort Douglas attended by over one hundred soldiers and a number of Christian Endeavor workers from this city. There was a literary and musical program which included recitations and declamations from Miss L. R. Lakin, Miss Fanny Walters and Miss Emma Dunham, and a French horn selection by R. J. Jessup of the Desert News. There were also present from town, Mr. and Mrs. G. A. Wake, Mrs. Dunham, Mrs. and Miss Miller, O. H. Johnson and E. Watrous. It was decided to organize a Fort Douglas chapter of Christian Endeavor for tomorrow evening, in the chapel at 7:45, and three-quarters of the soldiers present raised their hands in token of their willingness to take an active part. An interesting program was given at the chapel for the soldiers.

FOOD STOPPED IT.
Good Food Worth More Than a Gold Mine.

To find a food that will put an absolute stop to "raining down" is better than finding a gold mine. Many people, when they begin to run down from one food to another and find it impossible to find a food that will stop the progress of disease. Grape-Nuts Food is the most nourishing known and will set one right if that is possible.

The experience of a Louisiana lady will be a good illustration. Mrs. J. H. Graham, Wallace, La., writes: "I received a severe nervous shock some years ago and from overwork gradually broke down. My food did not agree with me and I lost flesh rapidly. I changed from one kind of food to another but was unable to stop the loss of flesh and strength."

I do not exaggerate when I say that I finally began, in reality, a living skeleton. My nights were sleepless, and I was compelled to take opiates in various forms. After trying all sorts of different foods without success I finally got down to toasted bread with a little butter, and after a while this began to sour and I could not digest it. Then I took to toasted crackers and lived on them for several weeks, but kept getting weaker.

One day I was brought knowledge of Grape-Nuts Food, and it seemed to me from the description that it was just the sort of food I could digest. I began by eating a small portion just as it comes from the package, dry, gradually increasing the amount each day, sometimes warming and adding a little butter.

My improvement began at once for it afforded me the nourishment that I had been starving for. No more harassing pains and indigestion. For a month I ate nothing but Grape-Nuts and a little cream and butter, then I got so well I could take other kinds of food. I continued to gain flesh rapidly. Now I am in better health than I have been in years. I up and eat Grape-Nuts because I like the food and I know of its powerful nourishing properties. My physician says that my whole trouble was the lack of power to digest food and that no other food but that he knows of would have brought me out of the trouble except Grape-Nuts.

**ATHLETIC EVENTS

General Committee to Take Charge
Has Been Appointed.

SHOOTERS ARE ATHLETES.

Resolution to That Effect Passed by
American Amateur Union-Pacific
Ass'n's Jurisdiction Enlarged.

New York, Nov. 22.—A general committee in charge of athletic events has been appointed in connection with a championship meet to take place at the world's fair at St. Louis in 1904. The committee is composed of E. E. Babbs, president; J. E. Sullivan, secretary and treasurer; M. F. Winston, president New England association; Dr. B. McCall, president Pacific association; J. J. Karst, president Western association, and Leigh Carroll, president Southern association; Mrs. A. G. Mills, C. C. Hughes, J. P. Harder, Joseph B. McCabe and G. T. Kirby, delegates at large to the A. A. U., and Harry McMillan and Bartow S. Weeks.

The order has also gone forth from the headquarters of the governing body that all athletes who have not paid their entrance fees for the Pan-American events will be suspended. All trap shooters who compete in sweepstakes are to be summarily dealt with.

At the recent A. A. U. meeting the Pacific association was granted jurisdiction over amateur athletics in the Hawaiian Islands and the Philippines. It will also control all events in the northwest territory.

RESOLUTION AGAINST TRAP SHOOTERS.
New York, Nov. 22.—According to the Times the American Amateur Athletic Union has passed a resolution that a trap shooter who shoots for a stake prize shall be declared a professional athlete. This action was assented to by the receipt of J. H. Baggett, captain of the Boston Athletic Gun club. He asked for information on the subject inasmuch as it has long been customary for trap shooters to divide money prizes, but in the past the Amateur Athletic Union has never taken cognizance of this sport.

The subject was fully discussed but the resolution was rejected, as athletes who shoot for money prizes a professional was adopted practically unanimously.

"AGGIES" DISBANDED.
Coach Richards Has Been Released
And Returns to Salt Lake.

Coach Richards of the "Aggies" of Logan returned to Salt Lake and the announcement is made that the team has disbanded for the season on account of the failure to secure dates for games. The failure of the Y. M. C. A. team to take the coach west has "Aggies" has something to do with the breaking up of the organization.

A MILE RACE TRACK.
Meeting Called for Next Week to
Formulate Plans.

The construction of a mile race track is the theme that is now occupying the attention of the local turf devotees. For a long time the idea has been lying dormant in the minds of the horsemen, but Mr. Opp, a prominent horseman from Butte came to town a few days since and kindled the idea into flame and now the track is almost a fact.

It will not be an indoor make-shift track of a thing but on the contrary the promoters of the scheme purpose to construct the finest track in the western country. That the enterprise is a substantial thing cannot be doubted when such names are associated with it as Hal Brown, J. C. Lynch, Frank M. Wilson, Tom McCoy and several other enthusiasts. Ferta cards have been printed setting forth the plans of the promoters, and they will be sent to all the prominent horsemen with the request that they attend a meeting to be held next week to reduce the scheme to a definite basis. The horsemen are willing to cooperate with the D. A. M. society and meet it half way in the building of a track. While the horsemen would prefer a location on South Main street they will assist the fair people in putting in a track at Calder's park if the latter should buy that place.

The track, such as is contemplated by the promoters, will cost about \$25,000, and with such a race course as that, together with the climate and other eminently favorable conditions Salt Lake will not doubt be the racing center of the West, and that the speediest horses on the turf will be seen here.

Last summer I got so bad I could not eat, and grew so weak I could not sit up. My friends advised me to go to Drs. The doctors told me I had Catarrh of the Stomach, and General Debility, and said they could help me.

I commenced their treatment and began to feel better in a few days and have steadily gained since. I can now walk up and down stairs alone, can eat anything now without distress, and my memory, which was failing, is fast coming back to me. I want to tell all my friends that "Grandma Pope" is so much better, and I earnestly advise sick people to Stop Experimenting and go at once to Drs. Shores.

Beauty's Blood Deep
How untrue the old adage "Beauty's Skin Deep." How many women of beautiful features marred by impure blood try in vain to get a pure complexion by doctoring the skin. The quickest, surest, only way to beauty is to cleanse the blood.
