CHINESE DISCUSS PLANS TO AID CHINESE SUFFERERS

New York, April 24.—The Chinese Mer-chants' association met last night and discussed the best means of affording aid to San Francisco sufferers, especially the Chinese. We cannot be less generous with our contribu-tions than he with his wise counsels. I believe that whatever ald the Chinese of New York can give should be divided up among all the sufferers. It was wise to turn the contributions already faised over to Mayor McClellan, and the con-mittee cannot do better with what they get in the future."
