SESSION OF CITY COUNCIL

Patrolmen Will Work Eight Hours In Future—Retrenchment Policy Continued.

REPORT OF LIBRARY BOARD.

Installing of Interlocking Switch for Interurban Crossing—Funeral of Mrs. Mawson—News Briefs.

Ogden, July 1.—The retrenchment policy started by the city about three months ago in the police department is being continued according to the recommendation that went to the city council last night by Chief of Police Browning, in appointing Sergt. Charles Pincock a patrolman. The communication was referred to the police committee.

The police committee submitted its report that the recommendation of the chief of police that the patrolmen work eight hours in the future instead of 10, be adopted. This action was taken after it had been found that poor results had been obtained by working the patrolmen 10 hours instead of eight. It is reported that the labor unions had taken up the matter as the action of the city was in violation of the eight-hour law of the state. The bond of \$2,000 of the Wheelwright construction company for sidewalk work on upper Twenty-second street was approved. Forty-two liquor licenses were applied for by the saloon men of the city for a period of three months and were granted. The fire committee recommended that

Why Ivory Soap, or any other, should be a valuable insecticide is hard to explain, but it is a fact. It has the advantage of not making the bushes unsightly as Bordeaux mixture does. A prominent nurseryman and florist writes that he had used it for years for an astonishing variety of insect pests.—Garden Magazine for June '07.

Would you like a copy of our booklet "Plant Pests—How to Overcome them"? It is free. This booklet is available at the Ogden Office, Room 316 Eccles Building, Ogden, Utah.

Ivory Soap

fire hydrants be placed in the middle of each block and the pipes be not less than eight inches. Councilman Flynn stated that the waterworks company was ready to put the hydrants in as soon as the proper surveys for the same had been made by the city. The recommendation of the committee was adopted.

The law committee asked for further time to report upon the ordinance defining the duties and authority of the dog-tax collector. The sanitary inspector reported three new and six old cases of contagious and infectious diseases in the city at the present time. The sum of \$80 was authorized to be expended upon the canyon road bridge.

The recorder was instructed to advertise for bids for the sale of the grounds and building of the old city hospital at the corner of Adams avenue and Twenty-eighth street. The property is to be sold to the highest bidder.

A resolution was passed directing the recorder to communicate with ex-Mayors Browning and Conroy and ask them to have enlarged pictures of themselves hung in the council chamber along with those of other former mayors.

CARNEGIE LIBRARY REPORT.

Need of More Funds for the Purchase of New Books.

Ogden, July 1.—At the session of the city council held last evening, the annual report of the board of directors of the Carnegie free library for the past year, was submitted. The report is carefully prepared and is of great credit to the directors and is one that should be read by every citizen of the city. The report showed the receipts to be \$4,997.75 and the disbursements \$4,544.53. The following report is made on library statistics:

Number of books in library at beginning of fiscal year... 5,942

Number of periodicals in the library... 77
Number of volumes added during the year: by purchase, 375; by gift, 72; total... 447
Number of periodicals and volumes lost or missing, books condemned, 342; books lost by borrowers, 55, (of this number 24 were paid for); books missing, 29; total... 417
Actual number of volumes in library June 1, 1908... 6,052
Total circulation of library during fiscal year... 33,672
Percentage of fiction... 74

In the last annual report there were 5,359 books in the library at the beginning of the fiscal year. The report this year shows a decided decrease in the circulation of the library. In 1907 the circulation was 35,800 while this year it is only 33,672. Last year, 967 volumes were added as against 447 this year.

The report of the directors upon the matter of the purchase of books is in part as follows: "Though last year the city council made to the library a special donation of \$1,000, for the purchase of books and shelving, this year the board has received no such donation, but simply the amount arising from the tax levy. Inasmuch as our experience during the last year, as well as that of the years preceding, has demonstrated that the ordinary maintenance of the library consumes the entire tax levy, no special donations having been received, we have been unable to increase the number of books in the library to any appreciable extent, or to procure any additional shelving, therefore, if the library is to fulfill the great purpose for which it was intended and if it is to increase its influence for good in the community as the years go by, in the community, it should be able to purchase new books from time to time to keep pace with the increasing demands of its patrons upon it, and that it should properly house books which are purchased."

INSTALLING SWITCH.

Signal Service Supervisor Starratt of the Union Pacific system has a large force of men at work today at the crossing of the Bamberger road and the Union Pacific at Thirty-second street and Pacific avenue installing an interlocking device and plant for the two roads. The work is being done under the authority and direction of Judge Howell of the district court and the details are carried out by Mr. Starratt.

It is stated that it will require about two or three weeks to install the device and test its efficiency. The latest and most improved system known in interlocking switches is to be used. The Bamberger road is to pay the Union Pacific company \$2,000 for the switch and when it is taken up within a year and the overhead crossing is built by the interurban road, the Union Pacific company repays the Bamberger line the sum of \$1,000.

FUNERAL OF MRS. MAWSON.

The funeral services over the body of Mrs. Ellen Mawson, aged 75 years, who died Sunday evening at her home in Kaneshville, was held yesterday at 11 a. m. at the Kaneshville meeting-house, Bishop Hans Peterson presiding. The music was furnished by the ward choir, with a solo, "O My Father," sung by Miss Martha Peterson. The speakers were Bishop Peterson, Elder E. A. Larkin and Counselor George Green.

The interment was in the Ogden City cemetery.
The deceased was born in Newcastle, England, 75 years ago. In 1869 she became a member of the Church of Latter-day Saints, and emigrated to Utah, where her parents and settled in Weber county, which has always been her home since. She was a faithful member of the Church and a hard worker in its cause.

HELD FOR SECOND BURGLARY CHARGE.

Thomas E. Lucas, recently released from the state prison at Salt Lake after serving a term of eleven months for burglary, was bound over to the district court yesterday afternoon upon another charge of burglary, committed about the same time as was the crime for which he had recently completed serving time for. His bond was fixed at \$500. Lucas is charged with burglarizing the Evans and the Pickett grocery stores in Ogden in April, 1907.

MR. HANSON IMPROVING.

A report from the general hospital this morning was to the effect that the condition of George M. Hanson, who was suddenly stricken with uremic poisoning Monday afternoon, was greatly improved and that hopes were held out for his ultimate recovery. Mrs. Hanson is expected to arrive from Washington, D. C., Thursday. Unless complications ensue Mr. Hanson will soon recover.

ACTOR STRICKEN WITH APPENDICITIS.

William Donovan, the young actor of the Earl Burgess company, which is playing an engagement at the Utahna theater and who was taken suddenly ill Monday evening and removed to the hospital, is reported to be slightly improved. An operation Monday evening performed upon the young man for a rupture of the appendix was successful, though the patient is still in a critical condition.

JUNCTION CITY BRIEFS.

Home from Chicago—State Senator C. R. Hollingsworth and wife have returned from Chicago where they were in attendance upon the Republican National convention which they think was the greatest ever. The Hollingsworths express themselves as being highly pleased to return to Utah with its mild climate and especially cool evenings. When they left Chicago last Sunday Senator Hollingsworth stated that there were 15 deaths from heat.

No change in Canyon Road—Judge Howell reaffirms a former decision in the case of the Ogden Canyon Sanitarium company against Joseph W. Graham and others wherein the width of the Ogden canyon road was involved. In conclusion, the court says: "It seems to the court then that the testimony introduced at the final hearing would not justify this court in changing the opinion formed at the first hearing—that the width of this road should be fixed at three rods."

Pending Sale of Waterworks—David Eccles and M. S. Browning have returned from a 10 days' business trip in the east. Mr. Eccles hastened his return on account of the negotiations which are under way at the present time for the selling of the waterworks plant to the city and upon which some action will be taken at an early date.

Court at Morgan—This forenoon Judge Howell opened the July session of the district court at Morgan.

Heavy Bonds for Brown—In the police court this forenoon before Judge Murphy, Charles Brown had his preliminary hearing on the charge of assault and was bound over to the district court in the sum of \$1,000, in default of which he will go to the county jail for safe keeping. Brown is charged with assault with a deadly weapon in 1906 upon his wife, Ada C. Brown, now divorced.

Good until July 20th returning.

PROVO.

IN HONOR OF THE FOURTH.

Patriotic Program and Sports Galore—Council Session.

With the rising of the sun on the morning of July 4, the usual salute of guns will be fired, followed with music from the three bands engaged for the day.

From 8:30 to 10:30 in the morning there will be something doing all the time, including a game of football, foot-racing, pole vaulting and many other stunts. The horse racing in the afternoon promises to be the best that the state has ever seen, so claims Mr. R. E. Allen, secretary of the Track association. Purse money ranging from \$125 to \$500 aggregating \$1,000 will be hung up and will be governed by the rules of the American Trotters' association, of which the Track association is a member.

The program at the stake tabernacle will commence at 10:30 in the morning with music by the band, Mayor Decker is president of the day. Presiding, J. R. Keeler is chairman. The Declaration of Independence will be read by Rev. J. Challen Smith. "Star Spangled Banner" will be rendered by Mrs. A. C. Lund, with the assembly joining in the chorus. Hon. T. N. Taylor will be orator of the day. A patriotic address will also be delivered by Senator Reed Smoot.

HELD FOR FRAUD.

J. B. Hildebrand, who was recently brought from Denver, was arraigned yesterday before Justice Noon on the charge of obtaining money under false pretenses and July 13 is the day set for him to have his hearing. Bail was placed at \$2,000, which he was unable to furnish he was remanded to the custody of the sheriff.

Hildebrand is accused of swindling Mrs. Carrie A. Thomas of Colton out of \$100 by passing a worthless check upon her some two years ago.

WEDDING PERMITS.

Marriage licenses have been issued by the county clerk's office to the following couples: Robert Comer and Florilla Evans, both of Lehi.

George Harrison Hoover and Roxie Georgina Thompson, both of Provo.

COUNCIL SESSION.

Very little business of importance was transacted at Monday night's session of the city council. After some two hours discussion the ordinance amending the ordinance relating to the control and management of sewers, etc., passed upon a vote of 6 to 2, two of the members being absent. A number of drug stores and saloons were granted licenses to dispense intoxicating liquors. 34th Main Florence McEwan petitioned for deed to property that the city had sold for delinquent taxes and after the taxes had been remitted failed to make deed the same. Referred to the city attorney.

LOGAN.

DEATH OF MRS. LEE HARRIS.

Wedding Bells—Break in Mill Race Does Much Damage.

Special Correspondence.

Logan, Cache Co., June 30.—Mrs. Lee Harris died very suddenly this morning of Bright's disease and heart failure. She is 30 years of age and was formerly Miss Vernie Pitkin, the daughter of George O. Pitkin. The funeral will be held at Millville on Saturday.

WEDDING BELLS.

Marriage licenses have been issued to the following couples: Thomas Campbell and Luella Cole, Marion, Idaho.

Nathaniel Markley, Blackfoot, Ida., and Myrtle Quinney, Logan.

Lawrence Farnes, Riverdale; Lillie Tamm, Whitely.

Elyon T. Davis and Rachel Jones, Arbon, Idaho.

Mr. Nat Merkle of Blackfoot will be married tomorrow evening to Miss Myrtle Quinney, the daughter of Joseph Quinney of this place. The ceremony will be performed at the home of the bride by Bishop Anthon Anderson. Mr. Merkle is well known here through his association with the B. Y. C. champion basketball team. Miss Quinney has been the private secretary of President J. H. Linford of the B. Y. C. college for the past five years. They will make their home at Blackfoot.

BREAK IN MILLRACE.

This morning about 7:30 o'clock a break occurred in the Thatcher millrace on First South street on the east side of Main street, causing an estimated damage of \$2,000 to the property that was flooded by the waters. For an hour the water ran down main street and through lots and around houses. The intake is about two miles up the canyon but the water was cut off as soon as possible. The greatest damage was done to the Smith Lumber yards where the break occurred, and to the Logan Junk company. It will cost several hundred dollars to repair the millrace.

ELSINORE.

New Meetinghouse to Cost \$8,000—Waterworks System.

Special Correspondence.

Elsinore, Sevier Co., June 30.—Peter H. Larson, an old resident of Elsinore, has sold his residence to Thomas Jensen and is leaving this city to take up his abode with his family at Provo, where they have bought a place.

For some time the question of a meetinghouse has been agitating the minds of the people of Elsinore. The location has been finally decided upon and work has commenced on the excavation for basement and foundation.

In the basement, it is the intention, to have five class rooms with an assembly room above, 44 by 90 feet.

YELLOWSTONE PARK WYLIE CAMPS.

The Wylie Permanent Camping Co., Yellowstone National Park, announces the successful inauguration of its regular six-day tour of "Wonderland" from Yellowstone Station, the terminus of the Oregon Short Line Park Branch. The railroad is now completed to the Park boundary and makes available as complete and convenient a tour as that made from the North Gateway at Gardiner, Montana. The "Yellowstone Special" leaves Salt Lake City, O. S. L. Station, daily at 6:50 p. m., arriving at Yellowstone at 7 a. m.

The "Wylie Way" in Yellowstone has behind it a record of over twenty years successful operation from the North Gateway. The Company is licensed by the United States Government, and the operation of its seven large camps and stage line is controlled by the same authority. In entering this new field our regular Six-day Tour combines the same thoroughness, the same economy and the same novel outing that have made the Wylie "Permanent Camps" famous with travelers who have toured the Park from the North via Northern Pacific Railway.

A TYPICAL WYLIE PERMANENT CAMP.

A SIX-DAY TOUR: We give six full days in Yellowstone in accordance with an itinerary that provides for a maximum amount of time at the great points of interest. In the famous UPPER GEYSER BASIN—the home of "Old Faithful," and all the large geysers—the Wylie schedule gives two nights and parts of three days. The Six-day Tour may be extended indefinitely at reasonable rates.

ECONOMY: The regular Forty-dollar Six-day Wylie tickets (purchased at Riverside camp, Park entrance) are all-inclusive. Constant petty fees are absolutely foreign to our system. The initial cost covers meals, lodging, staging, guides and all the so-called "side trips."

Side trip rate, O. S. L. Railway, Salt Lake City to Yellowstone and return (available only to holders of Transcontinental tickets)	\$ 8 75	Local rate, O. S. L. Railway, Salt Lake City to Yellowstone and return (available to Salt Lake people and all others not holding Transcontinental tickets)	\$17.00
Six-day tour, complete cost	40.00	Six-day tour, complete cost	40.00
Total Cost of side trip to Park	\$48.75	Total Cost of local trip to Park	\$57.00

A Beautiful Wylie Booklet on Request.
