THE CITY AND ITS THEASURER.

There was semistibling of an aglintism in the City Council Tuesday, eventure when a communication from the city allorancy was read, to which the beau was conveyed that City Treasters May was a defaulter, and as earth was defaulter, and as earth was defaulter, and as earth was defaulter, to the fine of thesearce, to the interest that the interest while is a defaulter to the corporation shall be eightle to office in the city covernment. The enty attorney does not say directly that the frompre in a defaulter, even in a beamalest legal some, but make an included in the city covernment. The enty attorney less defaulter, even in a beamalest legal some, but make an included in the first and the streamy least the suggesting that, if the Council many seems responsibility for say far May is furnish, then the bondemon may seems responsibility for say inciting out in the ground that the Irenture's was disqualited from heriting after the ground that the Irenture's was disqualited from heriting after the ground that the Irenture's suppose of the time in board was presentanced in the sufficient of the formation and the sufficient of the individual continued as the continued of the incident of the formation in the sufficient of the large freedom in the sufficient of first and a new and good band, the old one being desired insufficient. If the even being a default of the cutty freedom is unfermed presented by a sufficiency of a best fundamental the cutting of the world of the cutty freedom of the sufficient of the cutty freedom is a filled to default be sufficient of the cutty freedom of the sufficient of the cutty freedom

make the age of the make as law as silteen, and of the immiss as low as of
theren. There is a somewind deligate yet more the loss rotable argument which strongly area that the
age be kept as low as it can
tell reason. It happenes, whit on
mind frequency for the good of our
face, find the position of you is a susconcentrate to the judgment, whit on
mind frequency for the good of our
face, find the position at you is a susconcentrate to the judgment and consciences, in the hour or tompistion.
But the latter quantities after mostthe mest we after that hour into position
that the latter quantities after mostthe mest we after that hour into position
and creare a denire to make amends as
for we possible. In such cases the law
should after no unstack to practical freferentsques and resultation we far as it a
possible to measurements them.
When a dup or a girl is sud shought
to feel an secraci destro, or to form a
determination to survey, there is after
danger that encontring worse them
marriages may occur if the purpose is
travaried; and the hour of two evils
should always be chosen. If had, to
such a survey and the control of two evils
should always be chosen. If had, to
such a survey and the second of the
marriage readour.
