THE EVENING NEWS.

LOCAL AND OTHER MATTERS.

CAPTAIN HOOPER'S SPEECH.—A few days ago the telegrams announced that Hon. S. Hooper, of Massachusetts, had been rather sharply criticised by a Philadelphia paper for making a speech in Congress in defence of polygamy. The editor, of course, made a mistake, being ignorant of the fact, or probably forgot, that there were two Hooper's in Congress. The speech referred to, instead of being delivered by Hon S. Hooper, a member of the House Ways and Means Committee, was delivered by Hon. W. H. Hooper, Delegate from Utah, and is the one which appears in the News to-day. This speech by our Delegate is a very able effort, and it will no doubt be read with great pleasure by his constituents. The people of Utah have every reason to rejoice in having such a representative in Congress. We know of no man who could have done more than he has done during this session. He went to Washington feeble, having suffered from a severe spell of sickness before going; but he has been indefatigable in his efforts, and, we feel confident, has never missed an opportunity of saying and doing everything in his power on behalf of those whom he represents at the National Capitol.

REMEMBER THAT BENEFIT PARTY TO-NIGHT.—Remember that Benefit Party to-night in the 20th Ward. The object for which it is designed is good, and the 20th Ward management of parties is known to be excellent. So attend in goodly numbers if you wish to have a pleasant time in the dance.

U. P. R. REPORT.—We are under obligations to G. M. Dodge, Esq., Chief Engineer of the Union Pacific Railroad, for his Report, with accompanying Reports of Chiefs of Parties, for 1868–'69. This work gives a detailed account of the operations of the Engineering Corps during those years, and the final location of the main line from Rattlesnake Pass to Humboldt Pass. It contains a fund of information concerning that greatest triumph of Engineering skill, the Union Pacific Railroad.

DISTRICT COURT.—The Jury, in the case of Hussey, Dahler & Co. vs. Faust & Houts, returned a verdict of $208.52 in favor of plaintiffs.

In the cases of T. H. Bates (for the use of Hussey, Dahler & Co.) and C. B. Hawley vs. the U. P. R. R. Co., the motions for a new trial were overruled by the Court and the case appealed.

In the case of Schettler vs. Jennings, the verdict was set aside and a new trial granted.

No more cases being ready for trial, the Jury were discharged, to meet at the adjourned term, May 9th, and the Court adjourned until the same date, at 10 a. m.

WELL TIMED.—Yesterday, at the Mass Meeting during the reading of the 8th resolution,—the one referring to the action of the American Bible Society in sending to Utah their editions of the Holy Scriptures, the following letter was handed to the President of the meeting, by Mr. Reasoner:

SALT LAKE CITY.
March 31st, '70

His Excellency, Mayor D. H. Wells, President of the Mass Meeting:—Dear Sir: Will you please announce to the meeting that a lot of Bibles and Testaments has arrived, and subscribers can now get their Bibles at Calder Bro's. Book Store.

Yours truly, N. REASONER.
Agent American Bible Society.

The letter was read to the audience, and being so well-timed, of course, caused considerable merriment.

RECOVERING.—We are pleased to hear that Bro. T. J. Stevens, who was so seriously injured a few days since, is progressing towards convalescence more rapidly than the most sanguine of his friends anticipated.

SEXTON'S REPORT.—The Sexton's report for March, is as follows:—

Adults 8, children 13. Of these, males 11, females 10.

Causes of death as reported.

Lung diseases 4, fevers 3, bowel complaint 2, canker 2, premature birth 2, old age 2, croup 1, heart disease 1, liver complaint 1, killed accidently 1, suicide 1, not reported 1.

Total interments, 21.

Jos. E. TAYLOR, Sexton.

FAYLOR BEATEN.—This equestrian ran his second race last Sunday afternoon, on the Carson City race course. The race was for $2,000, distance fifty miles, time two hours with fifteen horses. Time was the winner by five minutes.

Special Notices.

FLATTERING TESTIMONIALS in favor of Burnett's Cocoaine are plenty.

INFLAMMATION from sunburn, and the dryness caused by the wind and air, is remedied by the application of Burnett's Kalliston.

INCOMPARABLE.—No Cologne equals Burnett's.—*Washington Chronicle.*

BURNETT'S FLOKIMEL has the odor of a delightful bouquet.

BURNETT'S Standard Preparations are endorsed by competent judges as possessing all the merit claimed for them.—*Chicago Tribune.*

"Fact worth Knowing."

From a careful and practical trial of DOOLEY'S BAKING POWDER, it has been shown that the same quantity of the latter will produce in a barrel of flour from 25 to 40 pounds more bread than where hop or brewers' yeast is used.

This immense saving is worth considering by all housekeepers who desire to economize in their kitchen expenditures. DOOLEY'S BAKING POWDER is for sale by all Grocers.

CURTIS MODELS—PRICES REDUCED TO MEET THE TIMES!—The merits of this system for Cutting all kinds of garments worn by Ladies, Gentlemen and Children are known by scores of ladies in this City and Territory; but the sure way is to prove it for one's self which may be done **without charge.** This system removes all anxiety regarding the FIT of garments, as all its directions are absolutely positive. There will be no altering—no taking up or letting out, which not only injures the material but **destroys the proportions** and often ruins the garment. The system is very simple and can be learned in a few hours.
