OGDEN NEWS. OGDEN, UTAH, - APRIL 11, 1901. DESIGN NEW WATERWORKS

Matter Discussed at a Special Meeting of Council in Executive Session.

Alex. Russell Meets Painful Accident -Court Notes-Appearance of Salt Lake Opera Company.

Alexander Russell, who, for several years past, has been deliveryman for Esra Richardson's grocery store, met with a painful accident yesterday. which will disable him for several weeks. He was preparing to take out a load of groceries and in jumping out of the wagon his toe caught on the side of the wagon bed throwing him violently on the pavement in front of the store. He struck on his hands and knees, breaking his left knee cap and thees, breaking his left knee cap and otherwise giving him a severe shaking up. Dr. Fernland was summoned and Mr. Russell was taken to his home, where the broken bone was set and he was releved of his sufferings as much as needed. as possible.

IN POLICE COURT.

Hearing in the case of Ed. Williams, charged by Ed. Rudiger with keeping a vicious dog, was had before Justice Hall. The testimony of the plaintiff Hall. The testimony of the plaintiff went to show that a dog supposed to being to the defendant had attacked Rudiger's children several times. Mr. Williams for the defense said the dog did not belong to him, but had fol-lowed him home; that he did not know uses the defense

it was vicious. The court fined Williams \$10 and costs. His attorney gave notice of ap-

peai.

IN THE DISTRICT COURT.

in the matter of the estate of Benj Crazier, deceased, a petition was filed by the administrator for approval of final account and distribution. There is cern. still left of the estate \$381.26 in cash and a piece of land to be divided among the heirs.

in the matter of the estate of James N. Hamlin, deceased, the court ap-pointed Jennie Hamblin, his widow, and Adam Paterson administratrix and administrator of the estate with bonds

The case of Olson vs the O. S. L. is still occupying the attention of the court and a jury.

WATERWORKS CONTROVERSY.

The waterworks contraversy having terminated, temporarily at least, patrons are now coming in and paying their water rates. The city council last night had a special meeting to consider, the situation and transacted all its business in executive ses-sion. It is known, however, that Coun-

To Mothers of Large Families.

In this workaday world few women

are so placed that physical exertion is not constantly demanded of them in their daily life. Utah Mrs. Pinkham makes a special appeal to mothers of large families whose work is never done, and many of whom suffer, and suffer for lack of Alpine . intelligent aid. To women, young or old, rich or poor, Mrs. Pinkham, of Lynn, Mass., extends her invitation of free advice.

Edgar Jones, the popular grocer, will erect a new store on Twenty-fifth street Oh, women ! do not let your lives be in Ogden yesterday. ease a supply of gas and cause an explosion in every cannon. The replacing of lost parts by new growths is a power of some animals that was given much interest by experiments of naturalists in the eighteenth century. Among the striking facts now learned, Prof. J. Arthur Thomas finds that an earthworm may

regrow a head or tall, or a tall in place of a head: a starfish arm with a frag-

ment of disc may become a whole an-imal; a crustacean may regenerate a

lost limb and sometimes an antenna

instead of an eye; a snall may replace its long eye-bearing horn many times

in succession; a newt may get a new leg, or an eye or a lense from an iris

beak. What is known as Lessonan's law teaches that regenerative capacity

those parts of animals which, in natur-

al conditions, are most liable to injury.

The novel idea of a German pharma. clst is to impregnate cod-liver oil, cast, or oil and olive oil with liquid carbonic

acid under pressure. The effervescence set up when the oll is noured out to be

taken gives to the medicine a pleasent prickling taste; and a further effect the carbonic acid is to keep the oils

The plate is trans-fered to the book and back to a dark Lehi, Utah Co., April 10.-Lehi is ex-periencing today an event that would almost remind a person of the migra-tions of early days when the Saints left box under a suitable cloth. their old homes in little companies of fifty and journeyed westward in search A book on the ears as an index of character having been published by an of new homes. This afternoon a specia train will leave Lehi for Magrath, Can-English authoress, a learned reviewer. Dr. A. Keith, mentions his own elaborada, loaded down with cattle, house-hold furniture, farm implements and ate study of the ears of more than forty thousand people, including 800 crimithe following people who are going to nals and 2,000 insame persons, besides those of 300 apes. He was forced to con-

Canada to locate permanently: R. W Bradshaw and family, Ole Ellingson and family, William Hindley and family, Joseph Smuin and family, Frank Cook and family, Free Cook and family William Cook and family and Mrs. D. W. Thomas, Alfred Gurney, James Sa

bey, Alma Miller, Berg Ellingson, Geo. Bone and son, James Stoddart, John Taylor, Eugene Bushman, Nannie Ros and Mrs. Hammer, all of whom are old residents of Lehi, Cedar Fort, Ameri-can Fork and Pleasant Grove. Most of the foregoing are in the cattle busi-ness and a number of them have already been to Canada and secured ranches for themselves. Mr. Ole Ellingson has been cashier of the Lehi Com mercial and Savings bank ever since its organization, but desiring to enter into the stock business, resigned his

Y. Smith succeeded him as the casher of the bank. Richard Bradshaw has been in the stock business for a number been in the stock outliess for a number of years and was also a member of the city council for the past two years, hav-ing just resigned last Monday evening. D. T. Thomas is one of Leht's oldest D. T. Thomas is one of Lehi's oldest residents, having come here with the first ploneers and is a son of Daniel Thomas who played such a conspicuous part in the drama of the Missouri per-secutions. While it is with some degree of reluctance that the people of Lehi part with some of her good citizens, our loss, we trust, will be their gain.

MUNICIPAL AFFAIRS.

Last evening the city council of this blace held their regular monthly meeting and after disposing of the general routine of business Mr. Joel Mears was elected a member of the city council to cceed Richard Bradshaw.

Next Monday evening a special meet-ing of the city council will be held to consider the advisability of purchasing a fire apparatus for the volunteer fire department. The city has just purchased from Joseph and Hyrum Smith a four rod street, so a road will be opened up at once running east and west south of the

city park which will make it one of the most convenient parks in the State.

A GOOD INVESTMENT.

The action of our city fathers in purchasing and beautifying the park for the enjoyment of the people is very commendable and in addition to this, from a financial standpoint, the move was a very good one for the pavilion alone will bring into the city treasury 10 per cent interest on the entire in-The Mutual Improvement association leased the pavilion for one year and since January have already turned into the city treasury about \$200, being 40 per cent of the gross receipts received

up to date and as the pavilion was only built for a summer dancing ball, they expect within the next four months to very materially increase this amount.

What a Tale it Tells.
