Why Is It

That cheap, adulterated baking powders are warranted equal to Dr. Price's, when it is known that Dr. Price's Cream Baking Powder is the purest and healthiest made? It is because the adulterated kinds are bought for less and give a better profit.

Horticultural Society.—The members of the Deseret Horticultural Society will meet at Firemen's Hall, on Wednesday evening, Dec. 19th, at 7 p.m.

By order of the President.

JOHN READING, Secretary.

Call and Get It.—There is a message at the Western Union Telegraph Office for T. Herring.

Stealing.—Charles Howard was arrested to-day on a charge of stealing $50 from a gentleman named Armstrong.

Prepared.—Mr. H. E. Phelps is well prepared to receive a rush of customers, having lately received large additions to his stock of dry goods, notions, etc.

Exponent.—The *Woman's Exponent* for December 15th, is a fine number full of interesting items, good articles, practical suggestions and excellent sentiments. It is a paper that the ladies of Utah should read, support and write for.

Sugar House Ward.—The Presidency of the Stake will meet with the Priesthood of the Sugar House Ward, on Sunday, December 30th, at 12 o'clock, noon, in the Meeting-house of that ward, for the purpose of organizing the Priesthood there.

Day & Co.—The establishment of this enterprising firm is decked out in holiday dress, presenting a most attractive appearance, enticing holiday purchasers within the doors. When they do visit the premises they find an excellent assortment and large variety in stock from which to make their selections. A good and reliable firm.

Plowing and Sowing.—From Bp. Anson Call we learn that plowing and sowing is in operation at Bountiful. Bro. Call is one of Utah's most practical and successful farmers. He states that wheat sown in an open spell in the winter such as the present one, never fails to do well. At least such has been his experience, after repeated trials, during a long series of years.

District Court.—Tuesday, December 18th.

J. F. Woodman *vs.* Wells, Fargo & Co.; defendant withdraws notice of motion for a new trial; plaintiff remits the money part of the judgment.

J. F. Woodman *vs.* Wells Fargo & Co.; defendant withdraws notice of motion for a new trial; defendant remits all the verdict except $5 and costs.

Passing Eastward.—Messrs. Orton & Stager, with their families, passed through Ogden on Sunday morning, on their return home from San Francisco, these gentlemen having been engaged in completing the amalgamation arrangements between the Western Union and Atlantic and Pacific Telegraph companies. So we learn from the *Junction*.

Theatre.—On Thursday, Friday and Saturday next, the Liliputian Comedy Company will perform at the Theatre. Commodore Nutt who is not unknown in Utah, will sustain the part of Jack the Giant Killer, and Col. Goshen the character of the Giant. The contrast between these two celebrities is so great that they must be seen to appreciate it. The little people who appear in this comical entertainment really deserve the title of Liliputians and the performance altogether will be unique. See advertisement, and let the juveniles have an opportunity of seeing the living curiosities and the fun of the play.

Fatal Occurrence.—We are indebted to the Ogden *Junction* of last evening for the following particulars of a sad accident in Farmington Cañon. We deeply sympathize with President Richards and family in their bereavement:

On Friday last, Hyrum Richards, of Farmington, was in the cañon above that place engaged in getting wood; a "drag" which was being taken to the wagon became snagged and he undertook to lift the wood, in which he over exerted himself and apparently produced an internal rupture, his abdomen rapidly becoming badly swollen and very painful. On Saturday morning, however, his symptoms were favorable, but it seems that he enjoyed only a temporary improvement, for a relapse speedily followed and the young man died before dark. His father went down from Ogden as soon as the intelligence was communicated to him, and remained with the sufferer until the last. The deceased was 20 years of age and was highly respected. The funeral took place this afternoon.

Shocking Accident.—We learn from Mr. Joseph A. West, of Ogden, of a sad accident which befel Wm. Jeffs, fireman of the U. C. down morning train. When nearing Kaysville, about three miles from the station, this morning, he went to put out the head light and slipped to the ground. He held on to the engine and one of the "buggy wheels" went over his right leg just above the ancle, badly crushing the bones. His shoulder also was some what injured. Conductor Chugg, Mr. West and others went back and picked him up, cut off his boot, wrapped the wounded limb in his overcoat and carried him to the train. A telegram was sent on to this city and Mr. Jeffs was brought down on the engine, which reached Salt Lake in twenty-five minutes from Kaysville. He was conveyed to his home in the 16th Ward, when Doctors Richards and Anderson at once waited upon the sufferer. We understand that amputation of the injured leg will be necessary.

Since the foregoing was written we have learned that the limb was amputated this forenoon, by the surgeons already named.

The sympathy for the unfortunate man, who bears an excellent character, is universal.

Central Committee.—The Central Committee of the Y. M. M. I. Associations will meet in the Council House, on Friday evening, 21st instant, at 7 o'clock.

Elder Orson Pratt will deliver the lecture. Presidents of Associations are requested to invite all the young men of their respective associations to attend. The members of the committee will please be prompt at the hour named.

JUNIUS F. WELLS, President.
B. F. CUMMINGS, Jr., Secretary.

Missionaries.—This morning we had the pleasure of greeting Elders Helaman Pratt and George Terry, who reached the city last evening. They belonged to the party of missionaries which had been laboring in Arizona, Mexico, and New Mexico. The other members of the party reached home a short time ahead of them, they having stopped over awhile at Orderville. We have heretofore given a detailed account of the mission, in accordance with particulars received from the brothers Stewart.

Elder Pratt, who is son of the late Parley P. Pratt, is in excellent health, but Brother Terry is somewhat ailing, having been afflicted for some time with chills and fever.

Eagle House.—This establishment is one of the busiest places imaginable. It frequently has the appearance of a beehive, all alive. Business appears to be stamped on everything about the place. The proprietor, Mr. S. P. Teasdel, is known as one of the most efficient business men of this Territory, and one of the most successful merchants. His house has an excellent name, and his stock of goods comprehends everything in the shape of general merchandise. Holiday buyers will find the gentlemanly clerks ready and willing to wait upon them.

A Relapse.—We are sorry to learn that Brother James Needham, who lately recovered from a severe spell of the pluriesy, is now suffering from a relapse.

Deseret.—The Deseret Bakery, Mr. R. Gardner proprietor, makes a goodly holiday display in his snug little premises.

BORN.

To the wife of Mr. David McKenzie, December 18th, a daughter.

DIED.

In the 10th Ward of this city, December 17, 1877, of pneumonia, HYRUM ALBERT, son of Hyrum and Mary Isabella Strong, aged 7 years.

The Young and Bullis Command Safe.

NEW ORLEANS, 18.—A Galveston *New Port Clark* special says the command, under Col. Young and Lieut. Bullis, arrived this evening. They report having experienced very bad weather on their return trip. No details of their operations have yet been made known.

In a Critical Condition.

The Governor has received the following dispatch from the sheriff of El Paso County, dated 17th—

Your telegram received. Unable to raise in this county over 10 men. The first help expected is in 48 hours. I fear it will be too late. The rangers are getting short of ammunition, and the mob is undermining the building.

(Signed) CHAS. KERBER, Sheriff.

WESTERN.

SAN FRANCISCO, 18.—The Senate, at noon, elected J. T. Farley, United States Senator, by a strict party vote.

FOREIGN.

GREAT BRITAIN.

The Bank of England.

LONDON, 18.—It is expected that about £400,000 from the east will go into the bank early next week. There is some discussion about a further reduction of the Bank discount rate.

England in Disfavor.

The *Times'* Constantinople dispatch says: England is in great disfavor here on account of Servia's treachery, which English influence in favor of Servia rendered possible. There is a strong impression here that England will oppse the opening of the Dardanelles, which Turkey, and probably all the other powers are prepared to concede. If Turkey refuse concession it will be because of the conviction that England will help them in their extremity.

Contracts for Boots and Shoes.

NORTHAMPTONSHIRE, 18.—A member of Parliament telegraphs to the *Western Morning News*, a daily journal printed at Plymouth, that Government is inviting contracts in Northampton for the prompt supply of 300,000 boots and shoes. This is the largest order known since the Crimean war.

TURKEY.

The Porte's Circular Inviting Mediation.

CONSTANTINOPLE, 18.—Erroneous interpretations having been given to the circular of the Porte inviting mediation, it is officially explained that Turkey does not approach the powers as a vanquished state, since she still has two lines of defence, which government believes she would be able to hold. The Porte, by its circular, desires to intimate its willingness to consider the proposals made by the Constantinople conference. As the war began owing to Turkey's refusal to adhere to those proposals, the Porte thinks it might be terminated now on that basis.

GERMANY.

Specie Increase.

BERLIN, 18.—The weekly statement of the Imperial Bank of Germany shows an increase in specie of 5,092,000 marks.
