OGDEN NEWS.

OGDEN, - - - April 2, 1900.

A BOY SEVERELY INJURED.

Hit with a Baseball and Knocked Breathless —Carried Home, Physician Summoned.

Mr. and Mrs. J. M. Shirk Lose Another Child—A Small Blaze Calls Out the Department.

Yesterday afternoon a number of boys about 15 years of age were playing ball near Liberty Park. Among them was a boy named Stone, son of Postman Edgar D. Stone, one of his companions threw the ball swiftly for him to catch, but he missed it and was struck a severe blow in the side, knocking him breathless to the ground. He was carried home and Dr. H. B. Forbes was summoned. He soon had the boy feeling better, and today he seems to be getting along alright. It is now thought that he was not injured internally.

Richard DeLaney, store house keeper of the Union Pacific, has resigned his position, the resignation took place yesterday. Mr. DeLaney has been in the employment of the company for over twenty years, and was always a good and faithful employe. Many of his railroad friends will regret his departure from the railroad service.

ANOTHER SAD BEREAVEMENT.

Saturday morning the angel of death entered the home of Mr. and Mrs. J. M. Shirk for the second time within ten days. This time their little son Trueman, eight years of age, was called to the great beyond after a short illness of typhoid fever. The funeral services were held this afternoon at the M. E. church. They were attended by a concourse of friends who feel to extend their heartfelt sympathy to the bereaved family in their hour of heavy affliction.

A SMALL BLAZE.

The fire department was called out last night to a small blaze in a vacant room in the rear of Munsey's cigar store on 25th street. The department made a quick run and by the use of the chemical engine the flames were soon extinguished. The loss amounts to about $25, who the owner of the building is could not be learned.

OGDEN NEWS BRIEFS.

Archie Bowman was in the city yesterday from the grading work being done on the Rio Grande Western.

A. W. Agee has gone to Omaha on some legal business.

The Weber Stake academy grounds in front of the building have been beautifully laid out, and planted in grass and evergreens.

The many friends of George W. Larkin, Sr., will be very sorry to hear that he is again confined to his bed on account of sickness.

FUNERAL OF ELDER H. W. BERG.

Impressive Services in Tabernacle—Court and Other News Notes.

Provo, March 31.—Judge E. V. Higgins, of the Fifth judicial district court, transacted business in the Fourth district Friday and Saturday, acting for Judge Booth, who was absent from the city.

In the case of the Blue Cliff Canal Company vs O. E. Carey, et al, restraining order heretofore issued was vacated and set aside.

Estate of Peter Lindsay, deceased; hearing continued until April 3rd.

Estate of Andrew Ferguson, deceased; petition for sale of real estate and personal property granted.

FUNERAL OF ELDER HENRY W. BERG.

The funeral services over the remains of Elder Henry W. Berg, who died in the mission field of Norway, were held in the Stake tabernacle today (Sunday). The interior of the building had been beautifully decorated in white and the floral tributes were both numerous and lovely. The attendance was one of the largest held in this city, and showed the high esteem in which the deceased was held by our citizens.

Bishop Andrew Knudsen, of the First ward, presided, and the singing was by the tabernacle choir.

President Reed Smoot offered the opening prayer.

Elder M. L. Pratt read a biographical sketch and several touching letters concerning the missionary labors of the departed.

By request, Mrs. Ramsey, Miss John and Messrs. Burles and Whitehead sang a missionary song.

Elder Jacob Olson, of Vernal, who was released from his missionary labors to accompany the remains home from Norway, related the incidents on the homeward trip, stating that the officials of the different railways were very kind to him and rendered him much assistance.

Elder George Peterson, of Salt Lake, who was on a mission in Denmark when Elder Berg arrived there to visit his mother's relatives, told of the deceased's devotion to the work.

Prof. J. B. Walton, the young man's former teacher, spoke of his association with the deceased.

Prof. George H. Brimhall, also one of his former teachers, praised him as a student, and emphasized the fact that father and son had both labored in the same mission field, where the young Elder had laid down his life.

The Boshard and Pynne Brothers' quartet sang "When the Swallows Homeward Fly."

Elder Rulon S. Wells spoke words of consolation to the bereaved ones and praised the heroism of the deceased in offering his life to the call of duty.

Apostle A. H. Lund was the last speaker, and spoke words of praise for the young man's devotion that prompted him, even in the hospital to do missionary work.

Benediction was offered by Elder W. H. Dusenberry.

WILL BE TAKEN TO IOWA.

Henry Weech, brother of Lorenzo Weech, the Goshen man committed to the asylum Thursday, arrived in Provo Saturday and today went to Goshen to try and sell his brother's property there. If successful Mr. Weech will take his unfortunate brother with him to his Iowa home.

NEW OFFICERS ELECTED.

The Nineteenth Century club, at their last meeting held Friday afternoon, elected the following officers for the ensuing year: President, Mrs. Bonham; vice president, Mrs. A. Searle; secretary, Mrs. Sutton; assistant secretary, Miss Isely; treasurer, Mrs. Schwab; members of executive committee, Miss Dickinson, Mrs. Wedgwood and Mrs. Corfman.

AWARDED THE CONTEST.

The county board of commissioners have awarded the contract of taking up the old Oregon Short Line pipe line on J street, to George Elliott and W. E. Sperry at 8½ cents per running foot. The contract was formerly awarded to Bean & Phillips at 5 cents, per foot but they decided it couldn't be done for the money and threw it up. The pipe will be used by the county for piping the water to the County Infiarmary from the springs east of the building.

Judge Booth returned Saturday from Uintah county.

The George M. Scott-Strevell Hardware Company, of Salt Lake, has commenced suit against J. P. Evans to collect $285 and costs on a promisary note.

Millions Given Away.

It is certainly gratifying to the public to know of one concern which is not afraid to be generous. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles and have the satisfaction of knowing it has cured thousands of hopeless cases. Asthma, Bronchitis, La Grippe and all Throat, Chest and Lung diseases are surely cured by it. Call on Z. C. M. I. Drug Dept. and get a free trial bottle. Regular size 50c and $1.00. Every bottle guaranteed.

ORANGEVILLE.

A DASTARDLY DEED.

Attempt to Blow Up a Foundry Causes a Sensation.

Special per Deseret Telegraph.

Orangeville, Emery County, March 29.—The Orangeville Foundry and Manufacturing Co. have been doing a good business in the manufacturing of their Lay-off pulverizers, having sent out their agents with wagon loads of them through the country. The farmers think it a good thing in laying off old lucern land.

DEED OF A DASTARD.

Yesterday morning one of the workmen happened to examine one of the molds and discovered gunpowder in it. Further examination disclosed the fact that all of the molds contained about a tablespoonful of powder, some think only enough to burst the molds, others say an ample quantity to have thrown the molten metal broadcast over the operators. As yet they have found no clue to the perpetrator of the deed. It has caused quite a sensation here.

APRICOTS KILLED.

The apricot trees have been forcing the season. A few days ago they were out in full bloom, but lo, Jack Frost called around at 20 degrees above zero and blighted all their beauty.

To help our election on there is to be a wedding here on Monday. The contracting parties are Mr. Irvin Curtis and Miss Eva Johnson, two of Orangeville's most popular young people.

ARBOR DAY.

Elaborate preparations are being made for the observance of Arbor Day, which may be held a few days earlier as the trees are already leafing out. Trees will be set out on the Relief Society and meeting house lots. A big time is anticipated and yellow legged chickens will be in demand.

The health of the people is good. Our public schools close this week.

UNION.

Chior Leader Surprised and Feted—Deaths—Annex for School House.

Special Correspondence.

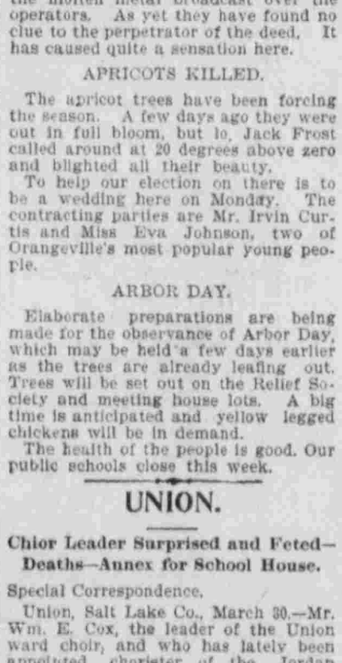
Union, Salt Lake Co., March 30.—Mr. Wm. E. Cox, the leader of the Union ward choir, and who has lately been appointed chorister of the Jordan Stake, was the recipient of a surprise party last evening. The affair was gotten up by some of the sisters, members of the choir, and the time selected was during the evening of the regular practice. At the close of exercises an informal program was rendered of speeches, quartets, etc., and the whole concluded with a bounteous repast. During the evening Brother Cox was presented with a gilt-edged psalmody, and other tokens of esteem, and his wife also received a neat little token. Bishop Burgon, who was present, with his counselors, made the presentation, accompanied with an appropriate speech, which was feelingly responded to by the recipient.

DEATHS.

There have been two deaths in Union ward this week. The first, the little child of Mr. Chas. Bundte, and other Mrs. Christina Anderson, who has been infirm for some time, and whose death is attributed to old age, she having reached the 82nd milestone of life's journey.

The health of the people is good, and a general good feeling is manifested.

The school trustees have decided to build an addition to the Central school house, to accommodate the primary department, whose present building is considered unsafe, and with the idea of having the children as much as possible under one management.



THE FEAR OF HUMBUG

Prevents Many People from Trying a Good Medicine.

Stomach troubles are so common and in most cases so obstinate to cure that people are apt to look with suspicion on any remedy claiming to be a radical, permanent cure for dyspepsia and indigestion. Many such pride themselves on their acuteness in never being humbugged, especially in medicines.

This fear of being humbugged can be carried too far, so far, in fact, that many people suffer for years with weak digestion rather than risk a little time and money in faithfully testing the claims made of a preparation so reliable and universally used as Stuart's Dyspepsia Tablets.

Now Stuart's Dyspepsia Tablets are vastly different in one important respect from ordinary proprietary medicines for the reason that they are not a secret patent medicine, no secret is made of their ingredients, but analysis shows them to contain the natural digestive ferments, pure aseptic pepsin, the digestive acids, Golden Seal, bismuth, hydrastis and nux. They are not catharic, neither do they act powerfully on any organ, but they cure indigestion on the common sense plan of digesting the food eaten thoroughly before it has time to ferment, sour and cause the mischief. This is the only secret of their success.

Cathartic pills never have and never can cure indigestion and stomach troubles because they act entirely on the bowels, whereas the whole trouble is really in the stomach.

Stuart's Dyspepsia Tablets taken after meals digest the food. That is all there is to it. Food not digested or half digested is poison as it creates gas, acidity, headaches, palpitation of the heart, loss of flesh and appetite and many other troubles which are often called by some other name.

PLEASANT GROVE

Funeral of Louis Harvey Largely Attended—The Speakers.

Special Correspondence.

Pleasant Grove, Utah Co., April 2.—The funeral services over the remains of the late Lewis Harvey was held here yesterday afternoon and was largely attended. Elders William M. Frampton, Fred Thorne, John E. Booth, Hanson Walker and Bishop J. E. Thorne spoke eulogistically of the deceased, giving many incidents of his early life in the history of the Church in Missouri and Illinois.

David Adamson and wife left yesterday for Paris where they go for pleasure.

Bishop Joseph E. Thorne, with about sixty others, cleaned up the grove adjacent to the meeting house on Saturday and secured enough fuel for the poor for two years. We feel justly proud of our park believing it is one of the finest in the State.

Spreads Like Wildfire.

When things are "the best" they become "the best selling." Abraham Hare, a leading druggist, of Belleville, O., writes: "Electric Bitters are the best selling bitters I have handled in twenty years. You know why? Most diseases begin in disorders of stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitudes of maladies. It builds up the entire system. Puts new life and vigor into any weak, sickly, rundown man or woman. Price 50 cents. Sold by Z. C. M. I. Drug Dept.

VERNAL.

Legal and Criminal Docket Disposed of by Judge Booth.

Special Correspondence.

Vernal, Uintah Co., March 29.—The March term of court has finally ended. It was not very long, but some of the cases were so long drawn out that it had the same effect. The case of Whipple vs Preece et al, was the hardest fought case in the history of the court in Uintah county. Both sides put forth every effort to win. The jury brought in a unanimous verdict for the defendants. The case grew out of a judgment of L. Johnson & Sons vs Edward Whipple and Asenath Chadwick for about $1,700, in which an execution was served by Sheriff Preece, and a fine band of horses levied upon and sold. Whipple claimed the horses as his private property and brought suit against the sheriff and his bondsmen for damages, the sum claimed being $10,000. This makes the second time the case has been decided against Whipple, but he is now talking of carrying it to the Supreme court.

FIVE YEARS IN THE PEN.

The next case was the State vs James W. Beddo, charged with rape, the victim being the twelve-year-old daughter of A. C. McCarrel. This case was also strongly contested, but the jury brought in a verdict of guilty and Judge Booth sentenced him to five years in the State prison.

WILL SERVE EIGHTEEN MONTHS.

In the case of the State vs Edward McKee, grand larceny, defendant entered a plea of guilty, also implicating Joe Steinaker, but later he qualified his statement with the evident desire to clear Steinaker. McKee was sentenced by Judge Booth to fifteen months in the State prison, and he goes to join his brothers, who are now doing time in the penitentiary.

The case of Pardon Dodds vs Wm. Preece, occupied the closing hours of the court and was tried without a jury.

This case also grew out of the service of an attachment by the sheriff, who subsequently released the attached property without serving an execution, which had issued from the justice's court. The sheriff claimed that the property was not the property of the defendant and on that ground released it. The case has been pending for several terms and is finally ended, and case taken under advisement, and will be decided by Judge Booth at Provo.

Judge Booth and party leave today for Provo.

Politics are stirring some people up but the feature of the present contest in this county is the quiet determination to say little and work hard.

The creamery has made a successful run and now has a fine article of butter on the market. The venture is experimental at present but success is almost sure to follow.

The weather is warm days and cold nights. There has been no moisture for several months and the snow is practically all gone, so the outlook is rather discouraging for the farmers in this section.

A Horrible Outbreak.

"Of large sores on my little daughter's head developed into a case of scald head" writes C. D. Isbill of Morganton, Tenn., but Bucklen's Arnica Salve completely cured her. It's a guaranteed cure for Eczema, Tetter, Salt Rheum, Pimples, Sores, Ulcers and Piles. Only 25 cents at Z. C. M. I. Drug Dept.

SCIPIO.

Discouraging Crop Prospects—Farewell Social—"News" Agency.

Special Correspondence.

Scipio, Millard County, March 29.—The farmers here feel a little dubious over the crop prospects. But not discouraged, the farmers are seeding their land, although the prospect for water are slimer than for twenty-eight years.

FAREWELL SOCIAL.

MOUNT PLEASANT.

Another Pioneer Passes Away—Mrs. Elizabeth Seely Young.

Special Correspondence.

Mt. Pleasant, Sanpete Co., March 31.—Mrs. Elizabeth Young, the oldest lady of this place, finally passes away without the least of outward indication of pain, passes into the life beyond. She was one of the early pioneers that came to Utah in Capt. John Taylor's company in September, 1847.

Mrs. Elizabeth Young, daughter of Justice and May Hettabel Seely was born July 29, 1807, in Steuben county, New York. She moved with her parents to Whitby Township, Canada, where she lived with them till 1838, when they moved to Missouri. On April 27, prior to moving to Missouri, she married James Young, and also joined the Church then. They were not permitted to remain in Missouri, but four days—being driven from there by the mob. Remained in Ohio a few months, then settling in Iowa in 1839. In 1841 they began their journey westward, remaining at Winter Quarters during the winter. The following spring started with the company under Prest. John Taylor, arriving at Salt Lake valley as before mentioned. She had nine children, her husband and five children preceded her to the brave. Four children survive her, viz: John, 71 years old; Mary Wilcox, 69 years old; Elizabeth Stoker, 63 years old; Hannah Moore, 62 years old.

Sister Young has been a notable woman in all her experiences—she has suffered all the privations incident to an early settler's life and bore her trials without murmuring. She has proved faithful to the end in the cause she first espoused.

VERNON.

Sheep Moving to Summer Pastures—Crops All In.

Special per Deseret Telegraph.

Vernon, Tooele County, Utah, March 29.—Today Bishop and Mrs. John C. Sharp of Salt Lake City came to Vernon to spend a week visiting with their old friends and attend to business matters.

No less than 75,000 head of sheep have passed through here the last two weeks. Many are heading for Lehi where they will shear early in April. The range being poor and the water scarce they do not linger but pass right on.

The crops are all in and some sprouting; but the past two nights have been very cold. The creek is entirely frozen up at night.

The largest delegation that has left here for conference for the past five years will go to Salt Lake on the 5th of April. The prospects for such good prices for wool make things lively and we feel that we can afford a few days off.

OUR NEIGHBORS.

POCATELLO, IDAHO.

Death of Frank G. Kroll—Accidental Deaths—Wedding Bells.

Special Correspondence.

Pocatello, Idaho, April 1.—Frank Y. Kroll, one of the oldest, best known and highest esteemed citizens of the Gate City and southern Idaho, passed from a busy and active life, after a short illness, from stomach and liver troubles, into the great beyond. By his death Pocatello has lost one of its best and most prominent public men. His profession of blacksmith he has followed from his youth, a boy of seventeen up to within two weeks of his death, being in the employ of the Oregon Short Line, since its inception as tool dresser. The deceased was a native of Prussia, born November 27th, 1843, died March 23rd, 1900, in his 57th year.

ACCIDENTAL DEATHS.

A man by the name of Yon Tonall, evidently crazed from the effects of liquor, jumped from the Overland Limited west of here a few miles on the 23rd, breaking his neck. The funeral being held from Mannass's undertaking parlors on the 24th inst.

Mrs. Louise Echoff was accidently drowned in the Portneuf river about 9 o'clock Saturday night, the 24th inst., having occasion to visit across the river the night being very dark, it is supposed the lady missed the bridge and walked into the river.

One case of scarlet fever in very mild form is reported in the family of Chas. Smith, which, however, was promptly quarantined by the health officers. Several cases of penumonia, in slight form, still remain with us.

WEDDING BELLS.

A very pleasant sociable and happy wedding reception was given at the home of Jos. B. Hawkley, Friday evening, March 30th, in honor of the marriage of their son, Levi, to Miss May Stanger, the happy couple having just returned from Salt Lake City, the marriage being performed in the Temple. The bridegroom, a promising young business man of Pocatello, and his charming bride is a popular lady of Idaho Falls. Mr. and Mrs. Hawkley will be at home to their friends in the Gate City after April 1st.

A wedding reception at the home of Mr. and Mrs. John H. Stinger, in honor of the marriage in the Salt Lake Temple of their daughter Annie, will take place on Monday evening, April 2nd.

MUTUAL CONFERENCES.

The Y. M. M. I. A. Stake conference convened here at 7:30 p. m., March 31st; much good counsel and advice from local and visiting brethren was given and a profitable and enjoyable time was had by all who were fortunate enough to attend the conference.

The Y. M. M. I. A. of this ward will close a very successful and interesting winter course of study next Thursday night, April 5th, for the summer.

LIVELY POLITICAL CONTEST.

Politics are warming up to a marked degree and next Tuesday will witness the close of the hardest fought struggle for supremacy in city government affairs the Gate City has ever witnessed, each side has a splendid ticket of representative men and women in the field, and many good natured and some few not very good natured jokes and comments are heard on both sides.

EVANSTON, WYOMING.

Farewell Social to Pres. Byron Session and Big Horn Colonists.

Special Correspondence.

Evanston, Wyo., March 31.—On Thursday, March 29th, a party of Stake officers and Bishops and their counsellors of the Woodruff Stake of Zion, numbering seventy-five, was held at Woodruff in honor of President Byron Sessions, who will shortly leave, having in charge the party of colonists who are going to settle in the Big Horn country. After singing the hymn "Oh ye mountains high, etc.," and prayer by Patriarch Wm. G. Burton, a program was rendered composed of songs, recitations, speeches of various of the officers. The party adjourned to the old meeting house, where a sumptuous repast had been prepared and which was done justice to by the guests, after which the company again met in the Church and enjoyed themselves in speeches, songs, etc., until again being called to the old meeting house and invited to partake of another sumptuous repast, after which the tables being cleared and removed, the company enjoyed themselves in the dance, interspersed with recitations, songs, and addresses. It was a season of rejoicing and recreation, and to President Byron Sessions was a token of the esteem and confidence in which he is held by the Saints of the Woodruff Stake. Those brethren who have been in close association with him for many years bore testimony to his integrity of character and kindness of heart, and his readiness ever to administer and assist those with whom he was associated.

President Sessions and those of the Woodruff Stake which includes several Stake officers who go with him have the prayers and faith of the Saints for their prosperity and welfare. They know the difficulties which lay before them but trusting in their heavenly Father and their own strong hands they will be able to cope with and overcome them, and in the years to come will be able to enjoy the fruits of their labors.

Parsons & Co., druggists of this place, to try Chamberlain's Pain Balm. They recommended it so highly that I bought a bottle. I was soon relieved of all pain. I have since recommended this liniment to many of my friends, who agree with me that it is the best remedy for muscular rheumatism in the market."
