THE MASS MEETING.

ACCORDING to the Proclamation of Mayor D. H. Wells, a mass meeting of the citizens was held at the Old Tabernacle, at one o'clock, this afternoon. Owing to the announcement only having been made public last evening, the attendance was not very large.

Mayor Wells was elected Chairman and Hon. Geo. Q. Cannon Secretary of the meeting.

The Chairman briefly stated the object of the meeting, after which the following gentlemen were appointed a Committee of five to receive subscriptions: John T. Caine, Ex. Gov. Mann, Col. D. E. Buel, Theodore McKean, Warren Hussey, Sharp Walker, William Jennings and William Calder.

At the suggestion of Col. Buel, it was resolved that the above committee be empowered to add to their number as many gentlemen as they might deem proper, as by that means this movement in aid of the sufferers would be likely to be more widely extended and effective.

Eloquent and appropriate addresses were delivered by Honorables William H. Hooper and Thomas Fitch; Mrs. Lippincott (Grace Greenwood), Major C. H. Hempstead, Mr. Alexander Majors and Judge Z. Snow.

The chairman stated that President Brigham Young had authorized him to announce that a benefit in aid of the Chicago sufferers would be given at the Theatre one evening during the present week. It was also announced that Mrs. Lippincott would deliver a lecture in the Old Tabernacle or some other building, in aid of the good cause for which the meeting had been convened.

A subscription list was opened, and although the meeting was only a small one, in a very short time the sum of $6,285.50 was subscribed. President Brigham Young, being an early resident of Illinois, holding the oldest commission of Major-General in the militia thereof, and naturally feeling a more than ordinary interest in the welfare of the State, and of its chief city, headed the list by a subscription of $1,000. Mayor D. H. Wells, Honorables William H. Hooper and William Jennings and the firm of Messrs Buel and Bateman donated $500 each and the Mayor announced that he was authorized to subscribe $1,500 in behalf of Salt Lake City.

Near the close of the meeting, Mr. Alexander Majors arose and said he considered that the time of holding the meeting was unpropitious. He thought that many who would have liked to attend had been unable to do so. That all might have an opportunity of participating in the humane object of the meeting, he moved that the present meeting be adjourned till seven o'clock this evening, to assemble in front of the Salt Lake House. Owing to many of the audience moving out of the building while Mr. Majors was speaking, and a number of others coming up to the chairman to pay their subscriptions, the latter did not clearly understand the purport of his remarks, and in consequence the motion was not put. The meeting was adjourned *sine die*, and in accordance with the suggestion of Mr. Majors, will convene again this evening at seven o'clock, in front of the Salt Lake House.

THE IRREPRESSIBLE CONFLICT IN UTAH.—The Philadelphia *Press* enlarges upon this subject, and says some extraordinary things—

We grapple with heresies our fathers dared not look upon. We reform evils they were afraid to recognize, but which nevertheless existed; and the world is growing better, purer, and progressing toward the golden mean of perfection. In Utah just now the rude morals of mining camps have attacked an evil which the conscientious Christianity of the civilized East has allowed undisturbed.

How does this world growing better, purer, etc., notion agree with the complaints of "municipal anarchy," widespread feticide, and other revelations of unblushing crime in the chief cities? Besides, the idea of the "rude morals of mining camps attacking an evil" is rich beyond comparison. Surely the *Press* is sarcastic.

The United States Marshal controls the courts, and now, best of all, Mormon jurors are excluded from the jury-box.

Is this true that the United States Marshal controls the courts? We don't half like that assertion, and we feel inclined to vindicate the Marshal and the courts from any such aspersion, especially Chief Justice McKean's court.

For twenty years Mormons have not only outraged the decency of the land but defied its Government. Congress and the Executive up to within a very recent period exerted about as much control in Utah as they do in the Fejee Islands.

This above is simply nonsense, the utterance of ignorance. Congress and the Executive have had as much control in Utah as in any portion of the United States, quite as much as the constitution allows.

In the eyes of some the war upon Mormonism may appear a persecution, but their ideas of liberty are exaggerated and incompatible either with public peace or morality. The rights of every citizen of the United States now are universal, the restraints imposed by imaginary State lines having been removed. If polygamy is to be practiced in one Territory, why not in all the States?

In the eyes of all honest and candid and intelligent people, the war upon "Mormonism" is a persecution. If persecution is compatible with the ideas the *Press* entertains of liberty, public peace, or morality, why so be it, but we differ very materially from the *Press* on that point, and we are not alone in that matter. We have no objection to polygamy being practiced in other Territories or States, if the people thereof wish it. Our citizens are gainsayers, they don't desire to monopolize all the good things.

To their diseased minds they are a second children of Israel fleeing from a second Egypt and slavery. But let them go in peace; and in the meantime let the people understand the exact situation in Utah, and the action of the United States authorities. That a fatal could do no sin is the cardinal conceit of the Mormon creed. They have murdered all who opposed or differed with them—now they themselves are to be driven out.

Our citizens regarded this Territory, and they have, in particular desire to "go" from it at present, either "in peace" or otherwise. They have as much right as anybody has to dwell here in peace. Neither all nations "let the people understand the exact situation in Utah, and the action of the United States authorities." We endeavor to enlighten the public in this regard, and we wish we could say that the *Press* aids in such enlightenment. But we can't very sensibly say so.

As to Saints "doing so sin" but "murdering all who oppose or differ with them," the statement of the *Press* in this connection is so contrary to the facts, and so absurd, that further comment is unnecessary. But we may recommend the *Press* to obtain correct information, and then a little good sense to make a proper use of it, before it again attempts to enlighten the public upon the situation in Utah.

Plea in Abatement in the Case of the People vs. Brigham Young.

THE TERRITORY OF UTAH,
IN THE THIRD JUDICIAL DISTRICT COURT
of said Territory,
REGULAR SEPTEMBER TERM
thereof, A. D. 1871,
HON. JAMES B. McKEAN, JUDGE

THE PEOPLE OF THE UNITED STATES
in the
TERRITORY OF UTAH,
against
BRIGHAM YOUNG, Senior.

And the said, Brigham Young, who is complained of for the crime of openly and notoriously, lewdly and lasciviously associating and cohabiting with women not being married to them, in his own proper person, cometh into court and having heard the complaint read, says: That he can only be indicted for the crime aforesaid by a Grand Jury duly selected, drawn, summoned and empanneled according to the laws of the Territory of Utah.

That said Grand Jury, by whom said pretended indictment was found, was not drawn according to said law; but an open venire was issued by order of the Hon. James B. McKean, Judge of said Third District Court, which order was in words and figures as follows; to wit:

"*To Wm S. WALKER, Clerk of the Third Judicial Court in and for the Territory of Utah:*

SIR—It is hereby ordered that you issue to the United States Marshal for the said Territory, a venire, commanding him to summon from the body of the Third Judicial District of the said Territory, eighteen good and lawful men to act as Petit Jurors, and twenty-three good and lawful men to act as Grand Jurors, at a session or term of the said court, to be held in the Court Room in Salt Lake City, on Monday, the 18th day of September instant; and that you make the same returnable then and there at 10 o'clock in the forenoon of that day and thereof fail not.

"Witness my hand at Salt Lake City, this 11th day of September, A. D. 1871.

JAS. B. McKEAN,
Judge of the 3d District Court.

"Which said order was endorsed as follows: Order received and venire issued, Sep. 11th, 1871.

Wm. S. WALKER, Clerk."

That said William S. Walker, Clerk of said court, issued a venire on said order in words and figures as follows, viz:

DISTRICT COURT, THIRD JUDICIAL DISTRICT,
Utah Territory.

REGULAR SEPTEMBER TERM, 1871.

HON. JAMES B. MCKEAN, Judge.

TERRITORY OF UTAH, } S.S.
County of Salt Lake.

"To M. T. Patrick, United States Marshal for the Territory of Utah, greeting:

"You are hereby commanded to summon twenty-three good and lawful men, residents of the Third Judicial District, to be and appear at the United States Court in Salt Lake City, on Monday, the 18th day of September inst., at 10 o'clock a.m., to serve as Grand Jurors for the Third Judicial District of the Territory of Utah, thereof fail not, and make due return of this venire with the panel thereon endorsed.

"Witness the Hon. James B. McKean, Judge, and the seal of said Court at Salt Lake City, this 11th day of September, 1871.

WILLIAM S. WALKER, Clerk."

That said venire was delivered to one M. T. Patrick, United States Marshal, selected and summoned the following named persons, by virtue of said writ of venire, the return of said Marshal being, in words and figures, to wit:

"I hereby return the within venire, having summoned, from the body of the said District of Utah, the following named persons, to serve as Grand Jurors:

1 Sharp Walker	2 Samuel Kahn
3 J Milton Orr	4 Chauncy C Nichols
5 Charles L Dabler	6 Hiram B Clawson
7 Elias B Zabriskie	8 James Townsend
9 Edwin D Woolley	10 Alfred S Gould
11 Frank D Clift	12 J T Miller
13 G L T Harrison	14 Geo Q Cannon
15 Christopher Diehl	16 James Sharp
17 James Mathews	18 Frank Hurlburt
19 Samuel Howe	20 Charles Newbaldt
21 Nelson Lawrence	22 Charles Trobridge
23 Edward Reid	

M. T. PATRICK, U. S. Marshal."

Sept. 18, 1871.

That said jurors were called by the Clerk of said District Court, on the 18th day of September, 1871, in open court and the following persons answered to their names, viz:

Sharp S Walker	J T Miller
Alfred S Gould	Chauncy Nichols
J Milton Orr	Elias L T Harrison
Elias B Zabriskie	James Townsend
Geo Q Cannon	Christopher Diehl
Hiram B Clawson	James Mathewson
James P Page	Samuel Howe
Frank Hurlburt	Nelson Lawrence
Charles Newbaldt	Edward Reid
Samuel Kahn	

That the following were excused:

Sharp S Walker	Edward Reid
Samuel Kahn	Alfred S Gould
J Milton Orr	George Q Cannon
Elias B Zabriskie	James Townsend
Christopher Diehl	Hiram B Clawson
Nelson Lawrence	

It was then ordered by the Court that Talesman be summoned to fill out said jury; when the following persons were selected and summoned promiscuously from the body of the County by the United States Marshal, as Talesmen, and answered in Court, viz:

Charles Ried, Clayton L Hayeres, Hugh White, Edward Preble, James M Day, William S Woodhull, William M Johns, Alphonso F Tilden, John W Morehouse, Jacob Engler, J B Meader, Ezra C Chase, John M Wallace, Chas Ried, and Jas W Hamilton, and constituted the Grand Jury, by whom the indictment was found and presented in this case.

That said jurors were selected by the United States Marshal aforesaid, instead of being selected in accordance with the Territorial laws.

That they were summoned by the said United States Marshal, and not by either the Territorial Marshal, or Sheriff, as required by said Territorial laws.

That said Jurors and Talesmen were selected, chosen, designated and called by said United States Marshal promiscuously, and not by any drawing, or ballot, as prescribed by the laws of said Territory, and in contravention of each and every section of the laws of said Territory, prescribing the manner of drawing, selecting and obtaining jurors to serve in the District Courts of said Territory.

That said jurors and Talesmen were not selected, summoned or called in accordance with the provisions of any Act of Congress of the United States, or in accordance with the practice or rules of any Court of the United States, or in accordance with any rule of Court.

That one Charles Reid had been summoned, attended and served as a juror in this court in the September term, A. D. 1870, and within two years prior to the time said Grand Jury, to whom the indictment in this case was found, was empanelled—he, the said Charles Reid, being the same person above named, and who was impanelled, sworn, and served on the said Grand Jury, by whom the indictment herein was presented, contrary to the Act of Congress, entitled "An Act to provide for the compensation of Grand and Petit Jurors in the Circuit and District Courts of the United States, and for other purposes," approved July 4th, 1870.

That one James Harrison, and one Elias L T Harrison, were impanneled and sworn, and acted as members of the Grand Jury in finding the indictments in this case, and that said James Matthewson, and Elias L T. Harrison were never selected or summoned to serve on said Grand Jury, by any one or in any manner, as appears from the records in this Court.

That one George R. Maxwell was present before said Grand Jury at the time of finding said indictment. That said George R. Maxwell was only present in the capacity of Deputy United States Attorney, as appears by the record of this Court, the regality of which deponent denied the said affiant denied, who not sworn, or otherwise present as a witness, and that he was an unauthorized person, and was illegally before said Grand Jury.

That at the time of the impanneling of said Grand Jury this defendant was not under arrest, in custody or on bail, nor was he charged with crimes of any kind prior to the finding of said indictment; nor did he have any opportunity at any earlier date than the present, to interpose any challenge to said Grand Jury, or either of said jurors.

And that the said Brigham Young is ready to verify.

Wherefore he prays judgment of said indictment, and that the same may be quashed.

BRIGHAM YOUNG.

TERRITORY OF UTAH, } ss.
County of Salt Lake.

Brigham Young, being duly sworn, says he is the defendant in the above case. That he has read the above and foregoing plea, and knows the contents thereof; that the same is true as to his own knowledge and belief.

BRIGHAM YOUNG.

Subscribed and sworn to before me, this 9th day of October, A.D. 1871.

WM. S. WALKER, Clerk.

NOT SO RASH.—The New York *Herald* man, who writes from this city, we ought to commend a little, for he is evidently improving in his style—it is far more moderate than it was quite recently. He says—

Somebody must have sent East a very exaggerated statement of the situation here to create the baseless excitement which appears to have existed there. Nothing has occurred here that would justify any fears of an outbreak.

Tis well enough. Somebody, several somebodies, have sent East very exaggerated statements of the situation here, to create excitement. Further we quote from the same letter, Oct. 4—

They (the Mormons) are willing, nevertheless, to fight the battle in the courts. They don't expect justice there. The federal officials hoped for a great disturbance or a fight. In this they are disappointed. There will be no trouble, and capital will be as safe here as in any part of the United States.

It may be, as the correspondent says, that "the Federal officials hoped for a great disturbance or a fight." They ought to know the hope that was within them, and to be able to give a reason for the hope too. But we rejoice to hear that they will be disappointed in any such hope, also that "there will be no trouble," and that "capital will be safe here." If there is any trouble, it will not be incited by the "Mormons," that we should not fear to prophesy. Meantime let the *Herald* correspondent continue to improve. He couldn't do better than reform.

The Great Fire Extinguished.

NEW YORK, 10, 11 a.m.—A *Times* dispatch says the Chicago fire was extinguished by a heavy rain. Every newspaper had been destroyed, and the proprietors are telegraphing east for power presses. The fire extended to Twenty-Second St. in the south. The whole south between Wabash and State streets is in ashes. Over twenty-five thousand buildings are destroyed. An agonizing appeal of the authorities goes out for help. The whole country is aroused to succor the suffering. There is a fearful panic in Wall St. The loss of life by the fire is appaling. All the vessels, elevators, banks, hotels, theatres, railroad depots, warehouses, stores, etc., are destroyed. At three a. m. the W. U. Telegraph operators were driven from the office on the corner of State and Twenty-Second streets.

What Sheridan Says About It.

WASHINGTON, 10.—Sheridan telegraphed to Belknap last night, "The fire here last night and to-day has destroyed almost all that was very valuable in this city. There is not a business house, bank or hotel left. Most of the best part of the city is gone. Without exaggeration, all the valuable portion of the city is in ruins. I think not less than 100,000 people are homeless, and it is such a terrible misfortune that it may with propriety be considered a national calamity."

Subscriptions in New York.

NEW YORK, 10.—The Chamber of Commerce held a special meeting today for the purpose of devising measures to aid the Chicago sufferers and for obtaining subscriptions for that end. The attendance was large. George Opdyke president. The moment the meeting was organized, Fisk and Hatch handed in a check for $10,000 each, Henry Clewes & Co., Jay Cooke, and the Illinois R. R. Co., and a large number $1,000. A committee of one hundred was proposed to collect subscriptions to aid the inhabitants of the doomed city.

CURTIS MODELS—PERFECTED TO MEET THE TIMES!—The merits of this system for Cutting all kinds of garments are fully endorsed by Ladies, Gentlemen and Children who are known by scores of ladies in this City and Territory; but the sure way is to prove it for one's self which may be done without charges. This system removes all guessing from the cutting of garments, as all its directions are absolutely positive. There will be no stitching—no taking up or letting out, which not only injures the material but destroys the proportions and often ruins the garment. The system is very simple and can be learned in a few hours.

The New Improved Attachments for Hemming, (any width) Braiding, Embroidering Magic Ruffling, Gathering and sewing on (at the same time) Self-Sewing, Cording, Tucking Quilting, Felling, Trimming, Binding, etc., are novel and practicable, and have been invented and adjusted especially for this Machine.

Folding Tops and Cabinet Cases.

New designs of the unique, useful and popular Folding Tops and Cabinet Cases, peculiar to the Singer Machine, are in every variety of Wood, such as Black Walnut, Mahogany, Rosewood, Satin wood, and from the plainest to the most elaborate pattern and finish. The Machines themselves are plain or highly ornamented with pearl and gold to correspond with their tables or cabinets.

In the Singer the work is fed or passed through the Machine in the natural direction, namely, *from the operator*, permitting her to sit in a natural and healthy position. In many other Machines the work passes from right to left, or the reverse, *compelling the operator to sit in a bent and unhealthy position, and thus causing weakness of the back, etc.*

The Singer uses a SHORT STRAIGHT NEEDLE, which is *not* liable to break or miss the stitch. Many other Machines use a long crooked needle, which *is* liable to break and to miss the stitch.

In the Singer Machine the Shuttle is carried, thus avoiding nearly all wear. It requires no oil, and does not soil the thread or goods. Other Machines drive their Shuttles, in a race, thus causing great wear, and *requiring oil*, soiling the thread and goods.

On the Singer, the Tension on both the upper and lower threads is absolutely under the ready control of the operator, thus rendering the Machine always available for good sewing, which is not the case with any other. Many so-called cheap Machines are really worthless, and so are many of their new peculiarities and supposed advantages.

The SINGER is the
Oldest Practical Sewing Machine,

Being about twenty years in the market. Having been constantly improved by the employment of the most skilled ingenuity of the age and unlimited capital, it is now divested of all unnecessary parts and possesses All the Very Latest Inventions and Improvements. It is the only Machine sold on Honest Claims, as all its parts are Practical and will do all that is claimed for them. Some other Machines are Greatly Complicated, to do Useless and Silly things, and thus are rendered Liable to Constant Derangement. The Singer Seldom or Never gives trouble, but is readily and easily managed by those *who utterly fail on other Machines.*

SINGER'S

New Manufacturing Machines

Claim the same advantages over others of their class as the new Family Machines. These old and well-tried Sewing Machines are *applicable to all kinds of heavy and light manufacturing in Cloths, Leather, etc.*, and run in the most perfect and reliable manner without trouble to the operator.
