Has Twenty-two Lines-Kent G. Keyes is now agent in this territory for 22 Vanderbilt lines. Mr. Keyes will soon have to use bill boards for busi-ness cards.

Ill at Los Angeles-A dispatch was received from Los Angeles last night stating that Proprietor Gus Holmes of the Knutsford was juite ill with laryn-gitis at the Angelus hotel. His early recovery is looked for, however. the council committees on engineering and sewerage, election, city and county

and sewerage, election, city and county building and a member of the commit-tees on improvements, streets, finance, fire department, claims, cemetery, sprinkling and sanitary. Truly, before Black took his stand against W. J. Hailoran, the candidate of the inner cir-cle for mayor at the time Mayor Thompson resigned, he was a man mixed in almost every department of the city's affairs. The assignment of President Davis places Black on fewer and less important committees. He is no longer chairman of the committee on engineering and sewerage, having been given the chair in the municipal laws committee as his only place of first honor. He retains his chairmanship of the committee on city and county build-ing, however, but the memory of man does not go back so far as to recall when this committee had any work to do. The inner circle is "agin Tom." A new committee, which is really a board provided for by a recently passed ordinance, is found in the assignment. The membership of this committee is regulated by the ordinance and the members are the mayor, president of the finance committee of the council, and the city suditor with the recorder as secretary as provided by statute. THE ASSIGNMENTS. Funeral of A. Holmberg-At the Granger ward meetinghouse on Sun-day, commencing at 10 o'clock, will occur the funeral of Abraham Hclm, berg, who was killed at Lark Tucs, day in the mill of the Ohio Copper company. The remains will be inter-red in the city cemetery.

Fed in the city cemetery. Sinte to Build Reservoir—The state land board yesterday set aside \$20,... 000 for the building of a monster res-ervoir 15 miles from Marysvale, where nature has already provided for a storoage basin with hills on three sides of the state. The plans for the the reservoir provide or the storage of 90,000, acre feet of water and will irrigate 20,000 acres of arid land.

Humano Officer Reports-Bullets and cremation for 1,143 dogs and the rest cure for 462 horses show the greater portion of the work for the humane officer during the year, ac, cording to the report he filed with Mayor Bransford yesterday. Seven arrests were made for cruelty to ani-mals and convictions with penalties were secured in each instance.

Were secured in each instance. Ladics' Aid Society Officers—The Ladies' Aid society of the First Bap-list church held its annual meeting lvet evening, when Mrs. F. B. Jones was chosen president. Mrs. Frazee, vice president. Mrs. Esther Wier, secretary and Mrs. F. J. Lucas treasurer. There were 30 ladies present, and refrest-ments were served. It was announced that the society had contributed \$500 that the building fund of the new church.

Knights Take Care of Him--William Hollenshead of Waltsburg, Wash., an eiderly man who was found wandering around Murray recently, "unbeknown to himself," and placed for safe keep-ing in the county jail. has been taken out by the Knights of Pythias, to which order he belonged, prior to he-ing returned to his home. Hollen, shead suffered an injury to his head 18 months ago, and that, with grief over the death of a 55n, left his mind unbalanced.

Excursionists Enjoyed Themselves— A special train from American Fork last evening brought about 8,000 peo. ple from that town to this city, the purpose being to celebrate the opening of the Odeon anusement hall, the managers of which are former resi-dents of American Fork. The narty was escorted to the hall on east North Temole Street, where a very chipyable evening was spent. Messrs. J. J. Jackson and T. E. Steele, managers of the hall, made excellent bosts and were highly complimented by the vis-itors on the finely appointed building. Excursionists Enjoyed Themselves-

RETURNS TO LOS ANGELES. Ex-Dean Eddie Will Rejoin His Fam. ily-Claims He is Innocent.

FOR PLUM SHOWER Ex-Dean and ex-Rev. J. B. Eddie of Mark's cathedral left last night, for Los Angeles where he will rejoin his family, having been deposed from the Episcopal ministry, as already noted in the papers. His counsel, Ellis, List of Prospective Officeholders Dickson & Schulder, are emphatic in their declaration that the man is entirely innocent of the charges made against him, and say that had the case been tried in civil court, the testimony would have been thrown out of court as incompetent and irrelevant. HOBDAY TO SUCCEED HINES

But in an ecclesiastical court, methods of procedure are very different. Ex-ceptions don't go; neither do objections, and attorneys are entirely at the mercy of the court. Comments by counsel, on the proceedings, if printed, would read like some Fourth of July speeches during the Civil war, with hard addiduring the Civil war with lurid addi-
