TO REMAIN AS LEGATION GUARD. Pekin, March 11 .- Companies A and B have been unroofed and families left of the Ninth United States infantry have been notified that the are to re main in China. It is believed that Maj.

Robertson will command them. Many Americans have urged the legation to use its influence to have at least two field guns and enough artillerymen to work them left. They say that dur-ing the siege these guns would have been more valuable than 200 armed men and that necessity for their use is lla-ble to occur again.

The Germans report that in the recent engagement near Pao Ting Fu 250 Chinese were killed and four magazine guns captured. There were no German losses. The American field telegraph line which was constructed here has ceased operations, and the wire has been coiled

able to bring him around. The question of quarters for the American troops remaining in Pekin is still the subject of discussion. Army men favor the temple of agriculture as being healthler and sufficiently near the legation for troops to be sent there in a hurry as an additional daily guard should circumstances arise guard rendering it necessary. They think the court's objections are magnified. It is not likely the Brit-ish will relinquish the temple of heaven. and they will certainly long require the permanent building being erected there.
