SALT LAKE CITY,
Sept. 21, 1874.

Editor Deseret News:

Sir:—At a meeting of the Deseret Agricultural and Manufacturing Society, Saturday evening, it was decided to have a fair at the Agricultural Park, for the exhibition of all kinds of live stock, to be held on Tuesday and Wednesday, the 20th and 21st of October, 1874. It is also contemplated to have races on each day of the fair. A list of premiums will be published in a few days.

It was further decided that hereafter the Board of Directors of this Society reserve the right to appoint the judges for all the races run on the Park track, and Directors Winder and Thorne were appointed a committee and authorized to appoint said judges, and also to take the necessary steps to be admitted to the Turf Association of the United States.

Respectfully,
GEORGE E. WALLACE,
Secretary.

DR. C. W. HIGGINS: Dear Sir.—Shortly after I commenced to take your medicines I felt the diseases beginning to give way, and I have improved ever since. I suffered very much with my complaints for twelve months, and did not know what my troubles were until you told me. I believe you were correct in the diagnosis of my case. I would say to any one that suffers with the Gravel, Liver or Kidney complaint, to call on you at once, if they wish to be cured. I have taken your medicines only four weeks, and I have not felt so well for twelve years. I am, with respect,

UNSHAKEN.—While other articles of their kind are largely adulterated, Dr. Price's Cream Baking Powder and True Flavoring Extracts, Vanilla, Lemon, Nectarine, etc., hold their unshaken position in the estimation of thousands as the purest, best, most reliable and cheapest. In all particulars that constitute perfect results, they cannot be approached by the various known Baking Powders and Flavoring Extracts made in imitation. One trial will satisfy that for purity and strength, Dr. Price's are alone in the market.
