

BRIDGEPORT, Conn., 4.—A heavy vote is being polled. Nearly two-thirds of the entire vote cast by noon is in favor of the republican ticket. Little scratching.

ALABAMA.

MONTGOMERY, 4.—Montgomery City gives 500 majority for Blaine. Scattering returns from different quarters show that Cleveland will carry the State by a large majority.

KANSAS.

Little Rock, 4.—Scattering returns only are received from all quarters, which show that the democrats have swept the State on the Presidential ticket, and elect the Congressmen by a large majority. Cockrell, democratic, is elected chief justice. No details tonight.

CONNECTICUT.

Waterbury, 4.—Some anxiety was occasioned here by the fact that the usual election warning had not been published according to law. The matter, however, has been arranged, the local legal authorities agreeing not to vitiate the election, and voting is proceeding. An unusually heavy poll was made this forenoon.

Cleveland's majority is about 700.

GEORGIA.

AUGUSTA, 4.—The returns indicate the election of the entire democratic delegation to Congress. Cleveland's majority in the State will approximate about 80,000.

INDIANA.

One hundred voting places show a net republican gain of 503. About eight per cent. of the vote are in and still indicates the State Democratic by 5,000.

ILLINOIS.

CHICAGO, 4.—Sixty-four precincts in the city give Harrison, democrat, for governor, 5,270 majority.

Sixty-three precincts in the city give Blaine 18,680, Cleveland 18,659. For governor, 43 precincts give Harrison 13,462, Oglesby 10,280.

Gen. Logan, at 12.30, received a telegram from the national committee saying the indications were New York had given Blaine and Logan 10,000 to 12,500 majority.

The Congressional returns from Illinois come in very slowly. A brief telegram announces the re-election of Wm. B. Morrison, dem., and Durham, republican, from the First district, is re-elected. In the second, the fight is close between Finnerty, independent, and Lawler, democrat. In the third district, Jos. H. Ward, democrat, is elected, as the result of a triangular fight in the district growing out of the arbitration declaring George R. Davis not the regular nominee. In the fourth district, Adams, republican is re-elected.

Two hundred and seventy-eight precincts, including 43 in Chicago: Oglesby 54,438, Harrison 53,328.

Two hundred and thirty-five precincts outside of Cook County: Butler 1,846, St. John 2,613, Hobbs 1,436.

Three hundred and three places outside of Cook county, show a democratic gain of 7,181. At 4 a.m. Cook county returns are very meager. It is claimed the democrats carry the second and third and fifteenth Congressional districts, and the republicans the tenth, eleventh and sixteenth. Harrison's majority in Cook county is put at 105, and Cleveland's majority is estimated at 46.

IOWA.

Des Moines, 4.—Returns will be compared with the vote of last year, when Sherman, republican, for governor, had 164,182; Kinne, democrat, 139,092, and Weaver, greenbacker, 230,799. Sherman's plurality, 25,089, and a majority of 2,000. This year the democrats and greenbackers have fused, and no comparison can be made with former years on account of the change in precincts and districts, and in 1881 and 1883 not near a full vote was polled on account of heavy storms. Butler and prohibition tickets were in the field, but have cut no considerable figure.

KANSAS.

Atchison, Ks., 4.—Two precincts in this county give Blaine 105; Cleveland, 86; Martin, republican, for governor, 95; Glyck, democrat, 97; Morrill, for Congress, 97; Fenton, 95. This city and county will give both Martin and Morrill a majority.

LOUISIANA.

The election passed off quietly. No trouble so far reported in any part of the state. But a few returns are received, and they indicate a clean sweep for the democrats, though the republicans still claim the election of Hahn in the Second and Kellogg in the Third Congressional Districts.

MARYLAND.

Baltimore, Md., 4.—The election is progressing quietly, and a large vote is being cast. So far as heard from throughout the State, both parties are hard at work. Little attention is paid to the Butler ticket, but in this city St. John is expected to get a considerable vote.

MASSACHUSETTS.

Boston, 4.—Eighty-two precincts of Boston give Cleveland 27,418; Blaine, 17,987; Butler, 3,133; St. John, 1,076; French's plurality, 9,431. Fifteen precincts yet to hear from. Butler's vote in sixty towns is 1956. These sixty towns give Blaine 17,488; Cleveland, 10,518; St. John, 1,086.

Boston, 4.—One hundred and fifty-three towns and cities including 106 precincts of Boston, give Blaine 67,875, Cleveland 66,152, Butler 9,536, St. John 7,831. The missing precincts of this city gave last year a democratic plurality of 141. The gubernatorial vote of Boston with two wards to hear from, is Robinson 22,403, Endicott 25,997, McCafferty 3,260, Seeley 943. The missing wards last year gave 1,186 plurality for Butler. Ranny, republican, is elected to Congress in this district. The republican estimates give the republicans a slight gain in the Senate, possibly four. The House of Representatives will remain about as at present.

Boston, 3.—One hundred and thirty-seven towns and cities in the State, including 102 of the 107 precincts in Boston, give Blaine 59,889, Cleveland 58,620, Butler 8,164, St. John 4,991.

Boston, 4.—The total electoral vote of Boston: Blaine 20,808, Cleveland 32,500, Butler 3,693, St. John 1,235.

The gubernatorial vote: Robinson, republican, 23,562, Endicott, democrat, 28,752, McCafferty 3,699, Seeley 1,030.

Seventeen hundred and ninety-three towns and cities, including Boston, give Blaine 85,892, Cleveland 78,863, Butler 14,415, St. John 5,191.

MISSISSIPPI.

Jackson, Miss., 4.—Blaine carries Jackson by a majority of 25. The returns from the other precincts in Hinds county will give Cleveland a small majority. Hancock's majority in Hinds county was 1,381.

The democratic ticket has a majority of about 250 in Rankin county, which gave Hancock a majority of 647. The returns from the State are coming in slowly, and show a very light vote, but of unquestionably a democratic tendency. Yazoo City cast 236 votes, 6 of which are republican.

MAINE.

Portland, Me., 4.—Forty towns give Blaine 17,114, Cleveland 12,885, Butler 762, St. John 531.

MISSOURI.

The returns from the State are meager, but indicate the election of every democratic Congressman.

NEW JERSEY.

Passaic county gives estimates of a republican majority of 1,800, about the same as in 1880. The democratic majorities in Bergen county promises to be larger than usual. Both parties claim the State. The polls did not close until 7 p.m. Meager returns from other counties show republican gains.

Trenton, N. J., 5.—The returns are coming in very slowly. The democrats claim the State by 3,000 to 4,000.

Morris County gives an estimated majority for Blaine, and Phelps for Congress of 350 majority.

Partial returns from fourteen counties indicate a democratic majority of 3,000.

Camden county gives Blaine 2,000 majority. The democrats now claim the State by 2,000 majority.

NORTH CAROLINA.

Raleigh, 4.—Raleigh gives Cleveland 147 majority, and a gain of 245. Six other precincts in the distant parts of the State show a democratic gain of 578. Cleveland's majority will be at least 10,000.

NEW HAMPSHIRE.

Concord, 4.—One hundred and five towns give Blaine 18,015, Cleveland 14,141, St. John 708, Butler 193. Blaine's plurality 1,874. The same towns gave Garfield 18,270, Hancock 17,208; Garfield's plurality 1,062. The same towns gave Carver 17,835, Hill 17,513, Mason 672, scattering 138. Both the republican candidates for Congress are chosen by good pluralities. Both branches of the legislature are strongly republican, and four of the five councilors will be republican. The indications are of an increased plurality for Blaine over Garfield. Blaine's plurality will not, probably be less than 4,000.

MICHIGAN.

Detroit, 4.—Returns so far as received are from country places, and the cities will probably alter the figures somewhat. The fusion in this State means confusion to outsiders in understanding the returns. The fusion State vote can be told by the vote on governor. The fusion national ticket has the vote of Cleveland and Butler added together. Of 13 electoral votes the fusionists will all vote for 12, but the 13th place the greenbackers vote for one man and the democrats another; this gives one republican elector.

NEW YORK.

New York, 4.—Two hundred and fifty-four election districts out of 1,994 in New York State, outside of the cities of New York and Brooklyn, give Blaine 62,186, Cleveland 52,000, Butler 1,617, St. John 3,605, a net democratic gain of 3,278.

The Twelfth Assembly District in this city complete, gives Blaine 3,018, Cleveland 5,171, Butler 71. The Sixteenth Assembly District complete, Blaine 2,718, Cleveland 5,318, 700 less than Hancock over Garfield. The Twentieth Assembly District complete, Blaine 3,434, Cleveland 6,113, Butler 155, St. John 8. Eighth Assembly District complete, Blaine 4,651, Cleveland 3,342, republican majority 509. This district, a few years ago, gave Hancock 153 majority.

Brooklyn, 4.—The democrats are rolling up a large majority for Cleve-

land in democratic wards, while the republicans are working hard in republican wards to pull it down. The leaders of the democratic party say Cleveland's majority in Kings county will be from 19,000 to 20,000, but the republicans contend he will not get out of the county with more than 10,000. The Butler and St. John vote is very small. Much feeling is expressed in republican districts against the independent republicans, who are conspicuous in their work for the success of Cleveland. The disaffection is in the First, Seventh and Twentieth Wards. All public offices and courts are closed, as well as many of the stores of the city. Except in the immediate vicinity of the polls, it is remarkably quiet.

A bulletin was received at the democratic national headquarters this morning which read as follows: Early vote; great demand for Cleveland tickets in republican districts. No democratic defection visible. Butler vote imperceptible. Immense Cleveland majority indicated here. In Brooklyn the independent republicans are in great force at the polls for Cleveland. A dispatch received at the same place reads: New York and Brooklyn's indications are the same at the same hour when Cleveland was elected Governor. All the democratic organizations are solid. No Irish disaffection.

At the republican national and State committee's headquarters it was said that things had a favorable outlook for the national ticket, and a hopeful feeling was entertained.

The Seventh Assembly District complete, Blaine 4,882, Cleveland 4,621, Butler 111, St. John 78. Ninth Assembly District complete, Blaine 4,566, Cleveland 5,264, Butler 154, St. John 124. Fifth Assembly District complete, Blaine 2,605, Cleveland 4,508, Butler 125, St. John 18.

One hundred and ninety-seven districts in Brooklyn give Cleveland 49,161, Blaine 37,215, Butler 1,511, St. John 744. Eleven districts to hear from.

New York, 4.—The Thirteenth Assembly District is complete; Blaine 4,876, Cleveland 4,453, Butler 130, St. John 91, a republican gain of 158.

The First Ward of Brooklyn, the home of Henry Ward Beecher, gives Cleveland 2,234 votes, Blaine 1,736. It is the first time that that ward has gone democratic.

Long Island City complete gives Blaine 2,263, Cleveland 2,094, Butler 99, St. John 28, a republican gain of 645.

Albany, 4.—The Evening Journal says the State Assembly is Republican and a republican United States Senator is secured. The Congressional delegation of the State will stand 17 republican, 17 democrats.

The Fifth Assembly District is complete. Blaine 2,605, Cleveland 4,498, Butler 125, St. John 18, a democratic gain of 139.

The Twenty-second Assembly District is complete, Blaine 5,341, Cleveland 9,004, Butler 288, St. John 68, a democratic gain of 402.

Four hundred and thirty-seven election districts outside of the cities of New York and Brooklyn, give Blaine 105,139, Cleveland 86,730, Butler 3,654, St. John 5,571.

Cleveland's majority in New York City so far as heard from, will not exceed 30,000. In Brooklyn, Cleveland's majority is about 12,000.

WHAT SENATOR JONAS SAYS.

New York, 4.—Senator Jonas, of the Democratic National Committee, says: there is no doubt but that New York State has gone for Cleveland by 35,000 to 50,000. The majority in New Jersey is 5,000, and in Connecticut 3,500. Meager returns from Indiana show material democratic gains over 1880, and Senator Jonas is confident of a democratic majority in that State and California. He also hopes for Nevada.

The Republican National Committee privately concede New York State to Cleveland by 60,000. This was based on returns from cities. During the next hour returns from the less populous districts made a considerable decrease in that estimate.

In Brooklyn, Cleveland has a plurality of 14,089, and 15,239 in the whole county, (Kings). The election in Brooklyn was remarkable for the early and heavy vote polled and the absence of disturbances or breach of the peace about polling places throughout the day. There were, however, a number of arrests for illegal registration and attempting to vote. The returns, though incomplete, indicate the election of three of the four Congressmen on the democratic ticket, and ten out of the twelve democratic assemblymen. Charles Farley, democratic candidate for sheriff, has been elected by a handsome majority over Corporal Tanner. Van Wyck, democrat, for city judge is elected. Brinkerhoff for controller and Volge for city auditor, both democrats are elected. The democrats also claim ten of the twelve members of the board of supervisors.

Albany, N. Y., 4.—It is probable the democratic majority in Albany county will be less than 1,500. The democrats concede the election of Swinburne, republican, to Congress.

New York, 4.—Returns from a third of the state outside of Brooklyn and New York give a republican plurality of 27,500, a net democratic gain of 5,724.

Buffalo, 4.—The election here was generally very quiet. The vote polled was the largest for years. With three strong democratic districts to be heard from (which will probably give Cleveland 400 majority), two republican districts to hear from (which will probably add to Blaine's majority 200). Blaine has carried the city by 1,080. Lockwood, the democratic Con-

gressional candidate, is defeated by over 1,209, by Colonel Farquharson. John B. Weber is elected probably by a small majority of 299.

The total vote in the city of Brooklyn and the county towns give Cleveland 67,889; Blaine, 52,501; Butler, 2,139; St. John, 1,392. Cleveland's plurality, 15,388.

New York, 4.—This city, with twelve election districts to hear from, shows a present majority for Cleveland over Blaine of 41,640.

One thousand and thirty election districts in New York State outside of New York and Brooklyn, give Blaine 246,658; Cleveland, 206,701; Butler, 6,249; St. John, 13,223; a net democratic gain of 7,335.
