##### Judgments Rendered.

WASHINGTON, 10.—The commissioners of the Alabama claims, today, rendered judgment in favor of the United States, for \$8,000,000, of L. E. Westheimer & Co., California, for \$1,000.

The Los Angeles Express.—Here

NEW YORK, 10.—The five men

landed here today, who were re-

cused from the steamer in Victoria,

had their feet and legs very much

swollen, so much so that their boots

had to be cut from their feet; they

are still suffering from their great

exposure, but are recovering as fast

as could be expected. The follow-

ing is James Crowley's statement—

"We left Quebec on Thursday

morning, May 27th, with a crew of

sixty men and eight women pas-

sengers, five gentlemen and three la-

dies, and about twenty in the steer-

age, of whom four were females.

On May 30 we fell in with a field

of ice, and were soon surrounded.

The ship was stopped until day-

light, when we proceeded with but

little ice in sight. At 5:30 P. M.

Monday, all hands were called to

shorten sail, as the ship was stop-

ped amongst heavy ice. We

proceeded, at half speed, to get

clear of the ice. At 10:30 P. M.

Monday, when at half speed, we

struck ice on the port quarter,

carrying away the tops of the pro-

peller, and a hole was knocked

through the plates on that quarter,

through which the ship made a

great deal of water. All hands

were employed in bailing the

water overboard. The second officer

and myself were taken from the

cargo to clear away the boats. The

captain ordered the sailors to be

sounded, and six inches of water

was found. The captain called me

on the bridge and told me not to

mind the water, but to call the

captain's orders. He then called

to the fore and aft, and told me

not to mind the water, but to call

the captain's orders. He then called
