Orden, Utah, July 25 .- The assessed aluation of the railroad, telephone and telegraph companies in Weber county amounts to nearly \$2,000,000, as in shown by the valuations fixed by the state board of equalization, just received by County Clork Matteon, who is placing these corporations on the asresement rolls this week. This immense valuation of the corporations in this county greatly increases the taxes received for city, county and state main-

tenance. The valuation is increased over last year \$254,000. The apportionment alloted to Weber county by the board of Equalization of the several companies is as follows: RAILROADS.
