DESERET EVENING NEWS.

TRUTH AND LIBERTY.

VOL. VIII. SALT LAKE CITY, UTAH TERRITORY, MONDAY EVENING, DECEMBER 28, 1874. NO. 30.

ANOTHER "OPEN LETTER."

Dear Public:

We have often observed how naturally, when you wish to purchase any article of comfort or necessity, you endeavor to procure it at the lowest possible price, cheapness generally constituting the most important point in favor of buying. This frequently proves mistaken economy, because low-priced goods must be made of inferior materials, consequently such goods invariably fail to give satisfaction; in perhaps no branch of trade is this fact more apparent than in Boots and Shoes. We are not advocating high prices, however, but take great pleasure in stating that the policy we have adopted of using only the best materials and making none but good, "honest" *warranted* Boots and Shoes, has gained us hosts of customers, who, as evidence they are satisfied that our goods are well made and *truly cheap*, always come again and send their friends. Any defect in workmanship is repaired free of charge. Old Boots and Shoes are made "amaist as guid as new."

In addition to the goods of our own make, we keep a choice assortment of the best qualities of imported Boots and Shoes, including Rubbers, etc., suitable for the season.

Your obedient, faithful servants,

Arrival of Mennonites.

PHILADELPHIA, 26.—Seven hundred Mennonites, who arrived yesterday, will leave for the West in a few days.

Shocking.

COLUMBUS, 26.—Two sons of Jacob Nerswinder, who lived fifteen miles north of here, have been arrested, charged with having murdered their father, and then burned his body; the boys are fourteen and eighteen years old. The family have deserted the house, and the remains of Mr. Nerswinder have been found among the ashes in the fireplace.

Warmouth and Byerly.

NEW ORLEANS, 26.—Governor Warmouth, to-day, stated to an agent of the associated press, that he published a card in the *Picayune* which reflected on the *Bulletin*, and on one of its editors, Mr. Jewett, and this caused the trouble between him and Byerly. Mr. Jewett demanded an abject apology, which he, Warmouth, declined to make, whereupon Jewett asked him if he would fight a duel; the matter was referred to their respective friends, who arranged that the fight should take place in Alabama on Monday morning, with pistols, at ten paces. Warmouth accepted these terms. He believed that courtesy between gentlemen was the rule, and he was about to tip his hat to Byerly, whom he met on a crowded street, when the latter struck him with a heavy stick, inflicting a considerable wound on his left temple; he drew a knife and they clinched and fell. Warmouth was immediately arrested, and put in prison to await the result of Byerly's wounds, which are very dangerous, being in the abdomen, but not necessarily fatal.

Is He Dead?

Byerly was aged 48 years. He was a printer by trade, a native of Pennsylvania, and came to New Orleans in '47. He served gallantly in Shields' regiment of Louisiana volunteers, in the west during the war, and was wounded four times in fights around Atlanta, one wound depriving him of the use of his left arm by a resection of six inches of bone, including the elbow joint. After the war he returned to this city, and was elected clerk of the third district court for two terms. Some months ago Byerly, in company with others, commenced the publication of the *Bulletin*.

Indians Surrender.

ST. LOUIS, 26.—The following [illegible] at the army headquarters to-day:

"Eight warriors and thirty-nine squaws and papooses, with sixty-two ponies, from the Medicine Water band of Cheyennes, surrendered unconditionally at the Cheyenne agency on the 20th inst. Two white women are now with Stone Calf, who is said to have 200 lodges on the Staked Plains. Two messengers from Stone Calf have arrived, asking for peace, and word has been sent him that he can surrender unconditionally, and a demand was made for the white women."

Committees Left.

WASHINGTON, 26.—The committees on Vicksburg and Alabama affairs left for their destinations this morning; that on New Orleans affairs will leave to-morrow morning.

Darien Expedition.

Lieut. Frederick Collins commanding the U.S. Darien surveying expedition leaves Washington tomorrow night for New York, to muster his forces and equip them for an expedition. He will sail in the first Pacific mail steamer in January, for Aspinwall, and thence will proceed in the U. S. steamer *Canandaigua* to Atrolio.

A "Nolle Prosequi."

NEW YORK, 26.—District Attorney Winslow, of Brooklyn, signalized his exit from office to-day, by entering a *nolle prosequi* in the libel case of Charles A. Dana, *vs.* Judge McCue, the plaintiff being satisfied with the explanation in the *Sun*.

Kalakaua—Suit Against Beecher

King Kalakaua was the guest, this evening, of the son of Chief Justice Allen, for the Hawaiian Islands.

Solomon Skidner, of Brooklyn, has begun a suit against the Rev. Henry Ward Beecher, for the recovery of $600 and interest, the amount due for four sets of teeth supplied, it is alleged, to the wife and father of the defendant, with his knowledge. Beecher, through his counsel, denies the allegation, and demands that the case be dismissed on the ground that no services were performed for him, and besides the cause of action is barred by the statutes of limitation, the services, according to the complaint, having been rendered six years ago.

Ancient Order of Foresters.

Extensive arrangements are making here and in Brooklyn for the reception of the subsidiary high court convention of the Ancient Order of Foresters, which will meet in this city on the 29th, to organize a subsidiary high court for the United States, as a branch of the high court of England. The latter has a capital of eight millions, and 5,000 courts, with a membership of half a million, including titled personages and statesmen. The organization extends over a large portion of the civilized globe, including Australia, Tasmania, Turkey, &c.

WASHINGTON, 27.—A post office is established at Prattville, Sevier Co., Utah, G. W. Bean P. M.

Meeting of Louisiana Legislature.

The Louisiana Legislature meets January 4th, when it is expected that stern opposition will be made in the House of Representatives to the rulings of the returning board, and to this time prominent persons here are looking with much solicitude. There is some color to the report that, should it become necessary, Lieut. Gen. Sheridan will proceed to New Orleans and assume command; if rumor is to be credited, he will be in proximity to New Orleans on the day of the meeting of the Legislature.

Cut His Throat.

Rev. J. N. Coombs, for the past twelve years pastor of the Western Presbyterian church in this city, and formerly member of the Baltimore Methodist Episcopal conference, committed suicide this morning, by cutting his throat with a razor; the cause assigned for the act is domestic troubles, his wife having been insane for some years.

$40,000 Fire—Dead.

BOSTON, 27.—The mill of the Norton Steam Power Company, at Norton, Mass., was burned last night; loss $40,000, partially insured.

Hon. Alvah Crocker, representative in congress from the tenth district, died at his residence at Fitchbury, Mass., last night. He left Washington last Monday to spend the holidays at home, and caught a severe cold which, on Friday assumed a serious form of congestion of the lungs and terminatec fatally. His age was 73.

Dead.

SPRINGFIELD, Mass., 27.—John Russell Greenfield, the veteran cutlery manufacturer, and founder of this industry in America, died at his house to-day, aged 75.

Attended Mass.

NEW YORK, 27.—King Kalakua and suite attended a solemn high-mass this morning, in St. Stephen's church.

$140,000 Fire.

The furniture store of Ward, Warren & Co., at the corner of Spring and Crosby streets, was burned to-day; loss $140,000.

Has Received No Instructions.

CHICAGO, 27.—General Sheridan stated to a reporter this evening, that he has received no instructions whatever concerning Louisiana matters, and that the story of his intended departure for New Orleans or vicinity has no foundation in fact.

Sheridan Ordered to New Orleans.

NEW ORLEANS, 27.—The *Time's* special at Washington, 26th, says that Gen. Sheridan has been ordered to proceed immediately to New Orleans, and take command, and to remain there till the arrest of Gen. Terry; this order was made today after the meeting of the cabinet, called especially on Louisiana and Mississippi affairs.

Change of Management—Frightfully Burned—Shooting Scrape.

ST. LOUIS, 27.—The *Times* announces, to-day, that on Tuesday next the managerial and editorial control of that paper will be transferred to Stillson Hutchins, former proprietor and for some time past manager of the *Evening Dispatch*. The *Times* will be reduced in size and price, and changed from the present quarto to folio form. It is claimed that the change will add to instead of detract from its value as a comprehensive news journal, and it will continue to be a reliable and consistent advocate of true democratic principles.

By the explosion of a spirit lamp last night at the residence of Herman Bour, 1720 Rim street, Mrs. Bour and her infant eight days old, and a servant girl named Abel Klench and Mr. Breckhardt, were frightfully burned; the latter's injuries were received in extinguishing the flames, which were roasting the woman and babe, and which he succeeded in staying.

J. B. Spratt, an old and wealthy citizen of De Kaulb, in Buchanan County, in this State, was fatally shot by a Mr. Brown on Christmas day, and the latter was severely wounded by a son of Spratt, fourteen years old; the affair grew out of an old feud.

Murder.

ERIE, Pa., 27.—A horrible and atrocious murder was perpetrated in this city last night. Catherine Hannon, a widow, a midwife by profession, was found dead in the gutter at 7 o'clock, just outside a low groggery, called the Franklin House. There is no doubt that the woman was murdered during or after an attempt at rape by John Hantz, proprietor of the house; the man is sixty years old. The woman was addicted to drink, and was probably intoxicated at the time. Hantz has the reputation of being a peaceful man, but notoriously profligate. He is in custody with the members of his family. His clothing and underwear are found stained with fresh blood, and the floor of the bar room exhibits plain traces of blood. Mrs. Hannon's body was mutilated in a frightful manner, and bore evidence of strangulation. She has a family of highly respected children, and the murder has aroused intense excitement.
