Church to Cost \$40,000—The First Baptist will consider the plans for the new church edifice at the beginning of next month, and after the ladies have served dinner in the church vestry. The building will cost \$40,000, and the committee are A. B. Hong, J. E. Berkley and W. C. Orem.

Signals to Dance—The members of the signal corps have issued attractive invitations for a "farmer's ball" to be held on the 11th, the evening of Wednesday, Oct. 29. HIGH SCHOOL GLEE.

Musical Organization May Be Formed If Board of Education is Willing

There has been some talk of organizing a glee club at the High School and some of the most influential students are going to try to get the board of education to furnish an assistant for Prof. Wm. A. Wetzel so that Prof. Wetzel can carry his good work into the High.

TAKE CARE

Experts Say But One Dose Might Have Been Taken by Girl.

of the dollars and later they will take care of you.

Fortunes have been made and lost in a minute's time because one man had what the others did not have—a little ready cash.

The man who never has a dollar laid away for the rainy day is a slave, for he is constantly under the bondage of those who have money.

The physicians said it was customary to stay by a patient until there was absolutely no need of further attention, unless a pressing call came in. Dr. Deer said if the girl went to sleep during the night it would have been a physical impossibility for her to have awakened as taken more than 12 hours.

Dr. Deer said his cousin testified that Little Jordan never left the room. They had not seen when or how Little could have taken a second dose.

Dr. C. F. Wilcox, who attended the girl, was to have been recalled to the city but as he could not be located, the father sent word to him. Mr. Jordan said all his children as well as his wife and self are insured. Little was insured for \$125.

The jury visited the Jordan home yesterday. Owing to other matters demanding attention of the court, the inquest was adjourned until Oct. 31. The sheriff's office will locate Mr. and Mrs. W. T. Harold, believed to be in Denver.
