AT THE RESORTS.

The smeltermon and their familles of Sandy spent the day yesterday at Al-mop's grove, where a program of sports, recitations and speeches was witnessed Addresses were made by D. O. Ridsout and W. W. Wilson. The day closed with a ball in the evening.

The people of the Twenty-fourth ward spent a very pleasant day at Saltair vesterday.

A large crowd witnessed the "Merri-mae" and "Monitor" naval battle at Calder's park last night.

crematory in the Third presence. The report was eventually referred to the committee on sanitary rules and quar-

In the meantime the city authorities have been duringing all the garbage west of the Jordan river at a spot near North Temple street. This action last night called forth a vigorous protest from residents in that vicinity in the from residents in that vicinity in the form of a communication signed by Benjamin H. Hullingworth and fifty-one others asking that the nulliance be abated. The petition was also referred to the committee on sanitary rules and

RACES TOO ATTRACTIVE.

According to Hewiett it is impossible According to Rewrith it is impossible to get out the city fathers to commit-tee meetings on a Friday evening on account of the profeensity of all con-cerned to take in the bicycle races at the Sail Palace on that night. Accord-ingly, he gave notice last night that at the nixt meeting he would introduce a resolution changing the suddr for som asolution changing the night for committee meetings from Friday to Thursay nights.

A communication from the Mountain Summer Resort company was read and with city attorney unsociated. The stitlon' set forth that the city had crongfully interfered with the comaution' set forth that the city had rongfully interfered with the com-any's free use of its quota of water om Parley's event, and demanded int the obstructions placed in the of the oity had the supple and the former in a score of is to the oity for the former in a score of is to

HOPPENBECK APPOINTED.

. On recommendation of the fire com-mittee the appointment of Jao, M. Hopfenbeck as captain of the fire department was confirmed.

ment was confirmed. The Council accepted the invitation of Chief Devine to inspect the new fire station on I street. Upon an amend-ment by Thomas the public at large was also invited to attend at 5 o'clock on Monday afternoon. Chief of Police Hilton asked that \$300 has not uside for the publics of the test

he set uside for the purchase of a team for the pairol wagon. Referred to po-lice and prison committee.

BEFOULING OF STREAMS.

The committee on Jordan Canal and Irrigation presented an ordinance with the recommendation that it be passed, guarding against the befording of any streams from which the city obtains its water supply. The proposed ordinance is aimed at the campers who at this season of the year pitch their camps adjacent to the entryon streams. The proposed measure inners it unlawful for anyone to used. camp, corral or outhouse within a distance of 60 feet of the banks of any of the screams within ten moles of Salt Lake Uny. Referred to the committee on

A communication from City Engl

neer Kelsey suiting that at a meeting of the canal presidents held hast Sat-urday, it was decided to meet with the representatives of the City Council representatives and that at 10 a.m., was read. The mosting will, on that date, discuss the proposition of the canal liseuss the proposition of the cana companies joining with the elty author ities in the work of dredging the Jur-dan river. The communication was urned over to the committee on Jordan Canal and Irrigation. AFTER "ROAD HOGS."

ommendation that a new modern cremi-atory be immediately bulli close to the heart of the city to the abandonment of the flux rise. The cost of the new mean-erator is placed at a figure between \$20, 600 and \$25,600, while the cost of operat-ling the same will be reduced to about 25 cents a ton in place of the old working basis of \$1 cents in yogue at the old worked up and executed by a number of committees chosen from among the clerks. The first event was an eightmile bicycle road race from Bountiful to Lagoon. There were seven contestants, who started in the following or-der: E. A. Parson and H. A. Hansen, scratch; C. Hyldahl and W. W. Poul-ton, two minutes; Roy Cracroft and

Orson Willie, three minutes; Guy GIIbert, five minutes. Cracroft won first prize, and time prize was captured by Parson, one of the scratch men, who came in third. Foulton got second prize. The others inished as follows: Willie, Hyldahi, Hansen, and Gilbert.

The sports in the afternoon were very interesteing W. W. Phelps proved himself to be the best angler, having caught twenty-eight black bass in half an hour. The boat race was won by C. E. Stew-

art, who was presented with \$2.50. Oliver Hendricksen won the boxs' sock race, while the three-legged race

for boys was won by Frank Olsen and Myron Billings. Men's fifty yard dash, E. Stefel; also won the prize for the standing broad jump, clearing 9 feet 6 inches. Hop, step and jump, C. L. Berry; ladies' egg and spoon race, Miss Amelia Carr; la-
