SALT LAKE CITY SCHOOLS.

This has been a very busy week in the schools, both teachers and pupils have felt the urgent necessity of using every moment prior to the spring vacation, the unreliable condition of things in the city financially have led them to believe that the term may be shortened, hence

A study of the map in the above half-tone will convey a comprehensive idea of the vast scope of President Roosevelt's present western and northwestern tour. Twenty-two states and territories will be traversed by the president during his trip to the Pacific coast. The itinerary is, of course, subject to change. The above half-tone of interior views of the president's private train shows the style in which the chief executive of the United States makes a railroad journey.

the need of making up as much work as possible has been felt by all.

Miss Matheson of Stockton and Miss Thomas of the Riverside visited the Washington this week.

Teachers from the Collegiate Institute visited the Oquirrh school this week.

Mrs. Genta Melton, teacher of the fifth B in the Oquirrh, was the surprised recipient of a shower of flowers and tokens from her class on the occasion of her birthday on April 1.

A very interesting as well as instructive meeting was conducted by Mr. Wetzel on Wednesday when he met the third and fourth grade teachers. Mr. Wetzel is making a successful effort to introduce many old melodies into the school work. Some such beautiful old songs as "Coming Through the Rye," Barnaby's "Sweet and Low," "O Come, Come, Away," and such, the beautiful harmonies of which will go down through the children's lives to keep fresh in their minds the sweet and happy memories of childhood.

Among the visitors received at the Webster this week, were: Mesdames Johnson, Ruth and Kjerfagd, Misses Snyder, Goddard, Costly, Johnson, Carpenter, Lambert and Messrs. Blocker, Gardner and Earl.
