Baltimore.—Secretary Boutwell has consented to increase the amount of gold to be sold to Baltimore importers to \$200,000.

Boston.—Two residents of Newcastle report that they were on the beach at ten o'clock on Monday night last, and that there was but one tidal wave, which was eighteen feet high when they saw it coming. It ran 125 feet above high water mark and three minutes after there were no traces of it.

New York.—The Albany *Evening Journal* states that Horace Greeley has accepted the nomination of State Comptroller.

New York.—The U. S. steamer *Frolic* left port suddenly on Thursday night for Havana. The *Dictator* left yesterday. It is stated the *Frolic* left with her guns shotted and under orders to capture or sink the *Hornet*.

Washington.—The Postmaster General has opened negotiations with Great Britain for the reduction of single letter postage from January 1st to six cents.

The President has issued a proclamation announcing the death of ex-President Pierce and directing that the Executive Mansion and public buildings be draped in mourning, and that all business be suspended on the day of his funeral, and that the War and Navy Departments be also closed, and directs that appropriate naval and military honors be paid to the memory of the deceased.

Richmond.—Both Houses to-day ratified the Fourteenth and Fifteenth amendments. In the House there were only six votes against the Fourteenth, and two against the Fifteenth.

Philadelphia.—The railroads are again in complete running order.

Concord.—The funeral of ex-President Pierce takes place on Monday at noon.

Vicksburg.—A. C. Fish, chairman of the National Union Republican State committee, has sent a telegram to the President, asserting that Gen. Ames had said, in an official interview with the citizens of Mississippi, on Monday, that he intended to carry the election against the Democratic ticket, if he marched his soldiers from poll to poll. The President is asked to use his power to prevent any interference by General Ames in the election.

Oswego.—At the railroad convention to-day, the committee submitted a report in the shape of a resolution, asserting that it is our duty to take such reasonable steps as will promote the building of the Northern and Southern Pacific Railroads. Stating also that greater railroad facilities are needed between the Atlantic seaboard and the Mississippi and upper lake region, and demanding immediate restoration of proposed lines.

New York.—The trial of Reddy, the blacksmith, has resulted in his acquittal.

St. Louis.—The Irish Immigration Convention has decided to form an immigration association with a capital of \$10,000,000 to carry out the objects of the convention. It is proposed to purchase lands for Irish immigrants and induce them to settle thereon.

San Francisco, 9.—The French ship *Malabar* has been seized at Mendocino and brought to this port for the violation of the revenue laws. A meeting of the leading citizens was held last night who organized the California Immigration Union to promote European emigration to this coast.

The Chinese laborers are again at work on the Virginia and Truckee Railroad.

Jackson, Miss.—Gen. Ames has telegraphed to the President denying the truth of the statement in the dispatch sent to the President to-day, that he, Ames, would not allow a fair election.

Baltimore.—Mr. Jefferson Davis arrived to-day from Europe.

New York.—The flags of the City Hall and public buildings were to-day half masted, out of respect to the memory of ex-President Pierce.

It is stated that about \$30,000 worth of bonds have been stolen from the Dutchess Mutual Insurance Company last night. One of the burglars has been captured.

Omaha.—The earnings of the Union Pacific for September are \$743,796.

St. Louis, 9th.—The Fair closed to-day. It has been the most successful exhibition ever held in the West. The attendance has been unprecedented, and the character of the display beyond all former years.

Philadelphia, 9th.—Secretary Boutwell delivered an address to a large audience to-night in favor of the Republican State ticket. On the financial question; he stated the policy of the Administration is to pay the public debt, both principal and interest. If we pay a hundred millions yearly which we can do under the present system of taxation the public debt will be extinguished in fourteen years. At fifty millions yearly, the interest bearing debt will be extinguished in twenty-two years. At twenty-six millions in thirty years. Secretary Boutwell considers it certain that unless there be some disturbance of the peace of the world or some other national calamity we can completely refund the debt at a rate of interest not exceeding four and a half per cent. Thus will save eighteen to twenty-five millions yearly. Fifty millions have been paid since March 1st.

The Secretary stated the reasons which controlled the Administration with regard to the surplus fund, and concluded with an appeal to the working men to see the means of education furnished to all, to inculcate justice and to rule the land under intelligent and secure principles.

Washington.—A letter has been received in this city stating that on the 17th of Sept. the Island of St. Thomas, was visited by an earthquake at 2.50 p. m. It shook the city of St. Thomas to its foundation and was so severe as to materially injure many buildings, shattering the walls of the Spanish and Union Hotels and other large structures which caused a general panic among the inhabitants and an entire suspension of business. The day had been excessively hot without the slightest breeze. The thermometer indicated ninety-two; the barometer thirty, indicating fair weather. In the interval between the first shock and eleven o'clock p. m., nine distinct shocks occurred producing terror and dismay. The latter concludes saying "I have experienced many severe shocks but nothing to compare with those of yesterday. There has been nothing like it since the great earthquake of '67."

New York, 11.—A heavy rain storm prevailed here yesterday and extended through New England and it is feared more damage will ensue from freshets.

Dispatches from Detroit say that considerable alarm is prevailing along the Canada frontier. The militia at Windsor are held in readiness for action.

Philadelphia.—The recent freshet has so filled the locks of the Schuylkill Navigation Company at Fairmount as to render them impassable.

Heavy rains have been falling here since last night causing fears of another freshet.

New York, 10.—The steamer *Europe* left this day for Havana with men, guns and munitions of war.

The Cuban residents here observed the anniversary of the revolution as a day of prayer for their country.

An advance on western freights was made yesterday.

Boston.—The earnings of the U. P. R. R. since its opening in May are over \$3,000,000.

St. Louis.—The total receipts of the fair during the past week were \$66,000, over \$10,000 in excess of last year.

New York.—A heavy northeast rain storm commenced last night. It still continues, much rain has fallen.

Greeley has written a letter of acceptance of the nomination for Comptroller.

Springfield, Mass.—The building at Hoosac tunnel, used for storing nitroglycerine, was blown up on Saturday morning. Three men were killed. The cause of the explosion is unknown. It commenced raining this p. m. and still continues as heavy as at any time during the great flood last week.

New Orleans.—The *Evening Times* learns, on good authority, that the steamship *Lilian* arrived at Cedar Keys in time to take aboard her freight and passengers, and sailed unmolested. The parties in search of her came too late.

Washington.—Gen. Rawlin's will has been admitted to Probate to-day. He bequeaths the bulk of his property to his wife and children as equal heirs.

The Susquehanna Railroad war is settled. The Erie Company gives the Susquehanna the railroad for ninety-nine years. All legal proceedings are withdrawn by the Erie Company, who promise to make the road first-class in all respects.

New York.—It is now probable that the City ticket originally nominated by the Democrats will be run. Hand bills appeared to-day urging the Democrats in strong language, to vote the original ticket, stating that printed ballots will be furnished at the polls to-morrow. In some places their posters were torn down, causing several fights.

The First Precinct of the First Ward has been covered with water for a week past. To-morrow the voters will go to the polls in boats as the house in which the election will be held has several feet of water on the first floor. Votes will be taken at the second story window.

Louisville.—Over 200 delegates to the Commercial Convention have arrived, they represent twenty-one States.

New York.—It is said Marshal Barlow has sent two Deputies to Washington to examine the *Hornet* personally to ascertain her real character and demand her further detention.

New York.—It is reported that another Cuban expedition slipped quietly away last night.

Nashville.—Governor Senter was inaugurated to-day. In his address he pledges himself to support the interests of the people, regardless of party, race or color, but gave no expression of opinion upon political topics.

The *Press and Times*, Senter's organ, has suspended.

Mobile.—There was a slight frost this morning.

New York.—The Cooper Institute was crowded to-night with the friends of Cuba, to celebrate the anniversary of the Cuban revolution. Senor Lemas, the Cuban Minister at Washington, presided. Speeches were made by members of the Junta and others. The greatest enthusiasm prevailed.

Chicago.—A special from Nashville expresses the opinion that Andrew Johnson will be elected Senator at the first ballot, if not he will not be elected at all. The feeling is growing in favor of a third man.

New York.—A special brings the rumor that an English clipper ship, with six hundred Americans on board, sailed from the mouth of the Rio Grande for Cuba on the 1st inst.

Several vessels injured in the gale of last week have returned to New York in a disabled condition; one bark bound

for Glasgow is supposed to have sunk with all on board.

Washington.—A special says the following version is now given of Sickles' note to the Spanish government: Aside from the official note tendering the good offices of this government in settling the differences between Spain and Cuba, Sickles informally submitted the draft of the note in substance like what has been published. The European journals were informed that the reception of such a note in the regular form by the Spanish government would inevitably lead to open hostilities, as Spain is obliged in self respect to consider it a declaration of war, Sickles then decided to submit the note to the consideration of his government. Upon receiving it Secretary Fish immediately instructed Gen. Sickles not to present any such document to Spain.

Bangor, Me.—A severe gale prevailed yesterday morning, continuing the whole day.

## FOREIGN.

London.—Parliament has been prorogued until the 23d of December.

London.—At the opening of the Trades Hall at Liverpool, Lord Stanley made a speech declaring he expected a more extended application of the co-operative principle among workmen in the future.

The *Times*, in an article on the State of Europe, after reviewing the situation concludes that there is, at present, no appearance of war nor any like outbreak, nor cause of offence, nor any pretext left for dispute. It may be said that peace now rests on a sounder basis than ever.

Ottawa.—The Royal proclamation for transfer of the North-western territory will be issued as soon as Mr. Rose arrives from England. Mr. Rose has instructions from the Dominion government, to pay three hundred thousand pounds to the Hudson Bay Company, without waiting for a loan.

Paris.—Father Hyacinthe has gone to the United States, where he will remain two months.

The Republican insurrection in Spain continues.

Havana.—Another detachment left to-day for the seat of war, Coasting steamers and Spanish men-of-war are actively engaged cruising along the coast. It is one year to-day since the insurrection broke out.

Paris.—A formidable riot has broken out amongst the miners employed by the Orleans and Paris railway in Auvergnon. On Thursday last the rioters attempted to drown the chief engineers, during the night they fired the storehouse and other buildings, next day they attacked the company in great force but were finally dispersed by the military, who fired upon them killing ten and wounding many.

Spain is in a very unsettled condition. The republicans are making a strong resistance in various parts of the country. Madrid is tranquil but the police have advised the inhabitants of the city to arm themselves and their servants in order to defend themselves and their houses in case of a riot.

Vienna.—The Emperor Francis Joseph will start on his journey to the East on the 24th of October. He will meet the Empress Eugenie in Constantinople, and in company with her Majesty and the Sultan proceed by way of Jaffa and Jerusalem to Suez to attend the opening of the canal. The French, Turkish and Austrian fleets will accompany the Sovereigns on their voyage to the Isthmus.

London.—The funeral of Martin, the Fenian, who died at Guy's College hospital in this city on the 5th inst., took place to-day. It was attended by 6,000 people, wearing green scarfs.

Madrid.—Nineteen hundred insurgents to-day surrendered to General Boldick. The General refused to pardon those who had committed assassination.

Intelligence has been received from Grenada that the volunteers there who refused to disarm, have escaped to the open country. A body of volunteers at Saragossa, fired on the troops stationed there, and a sharp fight ensued. The disturbance was finally quelled, but not until much blood had been shed. The insurgents in the neighborhood of Vallo placed obstructions on the track of the Alusian railway, and threw a train filled with soldiers, off the track. Four were killed and many wounded.

St. Johns, N. B.—The late storm has been very destructive.

Three Rivers, Canada.—Yesterday a scow, in crossing the St. Mary's River, upset, precipitating twenty men and the same number of horses into the river; fifteen men and all the horses were drowned.
