The

Byron, Big Horn Co., Wyo., Feb. 16.-Our ward conference took place today and we had a general turn out of the Latter-day Saints. The Stake presi-dency was present and approved reports of the organizations, and gave excel at nstructions.

The irrigation canal is progressing in good shape; its banks are lined with teams and scrapers. The 800 foot tunnel will be completed this week. The weather is very favorable, the frost is nearly all out of the ground and plowing can commence at any time prospect is good for feed on the range, and we will put in quite a lot of land into grain this season for the canal will be so far sompleted that we

can get plenty of water for all the land that will be planted. We have one drawback on wheat raising, and that is no mill. If some one

raising, and that is no min. It some one of our Utah brothers would come out here and put up a good flour mill in this place he could get all the grinding for 50 miles around and the people

would plant wheat. The district school is in good running If Reservoired and Taken Care Oforder, having 88 students enrolled, with Of Interest to Bountiful. two teachers.

Smallpox has not entirely left us We have a daily mail service, but for Henefer, Summit Co., Feb. 26 .-- It some reason we do not get our daily newspapers as regularly as we should an old saying more rain more rest, but In this part it is more snow and very

muddy and more rest. We read in the papers a good deal about "more water needed." There is a good chance for a strervoir up the canyon east of Moun-The people of this place are all comfortably fixed. DIPHTHERIA NEARLY ABATED. Local Improvements and Business Activity—Finishing Meeting House. Special Correspondence. Rigby, Fremont Co., Idaho, Feb. 24.— That dreaded disease, diphtheria, has almost if not entirely left our neighbor-hood. One flag is still up but those who

ished will nicely accommo reports of the student rlots at Kleff. The correspondent says that these riots started Feb, 15 and lasted thre days. Some students were killed, and t is believed a great many were inured in conflicts with the Cossacks. There is reason to suspect that similar riots occurred at other university

towns A significant feature of the trouble, says the dispatch, is the increased sup-port the students are receiving from workmen. As an example of this, From frightful disfigurement Mrs. Nannie Galleger, of La Grange, Ga., ap-Kieff the most prominent part of the fighting was taken by railroad men and plied Bucklen's Arnica Salve to great sores on her head and face, and writes dock laborers, showing the movement s no longer academic, but symptomatie its quick cure exceeded all her hopes. It works wonders in Sores, Bruises. of the general discontent.

Wyndham Condemns Irish League

chial trouble. "It's all due to Dr King's New Discover," writes her hus London, Feb. 27 .- Right Hon. George band.
