THE SEMI-WEEKLY NEWS.

THE GREAT COUNTRY PAPER OF THE WEST.

Is issued Mondays and Thursdays and contains all the cream of the Daily and Saturday News.

LOCAL BRIEFS.

The water works inspectors find on making their rounds that citizens are very generally obeying the warning to the use of water and no arrests have been made.

The bicycle ordinance is openly violated daily, by riding on the sidewalks of the prohibited district. The offenders are almost entirely women and half grown children.

J. C. Sullivan, a delegate to the Ogden convention from Eureka, had a bad fall yesterday while running to catch a car. As a result he will be laid up for several days.

Miss Jessie Akerman, international representative of the W. C. T. U., will address the Christian Endeavor society of the state prison tomorrow morning. A number of endeavors will go down from this city.

The health office has granted permission for the shipment of the remains of Miss Charlotte Russell, the young woman shot by McCaslin, to Greenwich, Conn. Undertaker Joseph William Taylor will direct the shipment.

Prof. Richard P. Ely, one of the profoundest and best informed students of social economics in the country, and an author and lecturer of renown, is in Salt Lake City gathering information for an article on the economic conditions of Utah to be written for Harper's Weekly.

Yesterday Councilman J. S. Daver filed complaints with Clerk Walter Meeks of Judge Diehl's court against Joseph E. Caine and G. S. Holmes, charging them with violating the smoke ordinance. The places complained of are the Hooper block and the Knutsford hotel.

The gymnasium classes in the Y. M. C. A. have been rearranged for the season. The boys from 8 to 12 and 12 to 16 will use the gym from 10:30 to 11:30 a. m. Saturdays. The other and older boys will exercise on Tuesdays, 1:30 to 4:30 p. m., and on Saturdays from 9:15 to 10:15 a. m.

The Pocatello Tribune was serenaded last night from this city over the telephone wires, and on Editor George Iffley laying the receiver down on the table it was noted that the horn in Salt Lake could be heard all over the editorial rooms at Pocatello. The capital stock of the company is \$300,000, divided into shares of the par value of \$1 each. The object of the company is to acquire and operate electric light, power and irrigation plants in Elmore county, Idaho.

George L. Nye is president; W. J. Turner, vice president; E. P. Sears, secretary, and A. G. Smith, treasurer. The company owns 1,240 acres of placer lands in Ada county, Idaho, and a franchise for an electrical plant at Mountain Home, Idaho.

Organists McCellan played the following interesting program yesterday morning at the Tabernacle for the visiting telegraphers: "Pilgrim's Chorus" from "Tannhauser"; "A Spring Song," Mendelssohn; "To a Wild Rose," McDowell; "Amenable singing, male quartet," "Benediction," Goddard, with violin by G. H. Skelton, harp by Mr. Howard of Denver, and organ accompaniment by Mr. McCellan; "Ave Maria," Mascagni, by Miss Lulu Gates; "Offertory in G," Weber; "Star Spangled Banner." The audience was delighted with the magnificent instrument.

The Mountain Home Irrigation, Light and Power company, a Salt Lake corporation, has filed its articles in the county clerk's office. The capital stock of the company is \$300,000, divided into shares of the par value of \$1 each. The object of the company is to acquire and operate electric light, power and irrigation plants in Elmore county, Idaho.

Whose Funeral Will be Held From Sugar Ward Meeting House at 12 O'clock Noon, Tomorrow.

ANOTHER TEST FOR CREMATORY.

Board of Health Provides for One To be Made September 19th.

WHAT IT WILL CONSUME.

Agent of Installing Company Declares That It Will Fully Meet All Promised Requirements.

The Deseret News is in receipt of the following letter from the resident or acting agent for the Dixon Garbage Crematory company in which some reference is made to the test of the plant just installed in this city, and as to another which has been arranged to take place on the 19th inst. The writer is Mr. Rudolph J. Decker. His letter is as follows:

Sir:—Being aware of some of the statements contained in your article of comment on the operation of the new garbage crematory, which was constructed for this city by the Dixon Garbage Crematory company of Toledo, O., I ask you to afford me this opportunity of calling your attention to the actual facts of the situation in hand.

While I appreciate that none of the statements made were given by the executive officer of the board of health, yet unless some of these statements are refuted it is but natural that many of our citizens will believe them to be true, and form an incorrect conclusion as to the merits of this new crematory. According to the terms of the contract entered into between the City of Salt Lake and the Dixon Garbage Crematory company, 30 tons of garbage were to be consumed in 24 hours. For two days preceding the day of the test, all garbage, will, etc., which could be scraped together was collected, and after having been weighed was taken to the crematory, and there stored up in heaps on the ground and in other convenient places. There was also ordered five tons of coal, and several tons of coke, and both of these latter were dumped into heaps inside the crematory.

Last Wednesday morning at 8 o'clock the first of this stored up garbage was dumped into the furnace, and the coal fire started. Most of the garbage dumped in heaps outside the crematory was in such a state of putrefaction that water ran from it, and the total amount of paper and other combustible matter put into the furnace during the test did amount to a minimum weight of five tons. At 4 o'clock Thursday morning, when there was still four hours left in which to complete the test, the last scrap of garbage, which was left, was put into the furnace, and was then cremated and destroyed. At 8 o'clock in the morning, after all the garbage had been destroyed, a guess was made that judging from the amount of coal remaining on the floor about 5,000 pounds had been used during the test, and in the same manner of judging, that about 2,700 pounds of coke had been used.

It was also reported that the weight of the garbage used in the test was 28 tons, and that three extra men, at an expense of \$3, had been found necessary to run the test, but it was not explained by the parties who gave this information that these three extra men were made necessary because of storing the garbage on the ground outside of the crematory.

Dr. King, health officer of Salt Lake, has arranged that a second test of the crematory shall be made on the 19th inst., and it will then be demonstrated that this new disposal plant will come up to the specifications under which it was built, and that if the amount of health furnished by tons of garbage for cremation, that the same will be destroyed within 24 hours.

Zion's Savings Bank and Trust Company was established in 1874, and has since opened more than 30,712 savings accounts. Have you an account? If not, start one NOW.

Quigley—Two of the Best; the Adventures of Two Boys.

Stables—In Ships of Steel; a Story of the Navy of Today.

Timlow—A Nest of Girls; or Boarding School Days.

EAST SIDE HOODLUMS.

Numerous Complaints of Acts of Stealing and Vandalism.

Numerous complaints are being made by the residents of the eastern part of the city of stealing and vandalism committed by small boys and young men, almost nightly. A gentleman residing on Ninth East street called at the "News" office this morning and reported that last evening seven or eight hoodlums ranging in age from 14 to 20 years, entered his garden and deliberately stripped his grape vines of a large crop of fruit. Being unable to eat all they took, they scattered grapes along the street. They also disfigured barns and outhouses by marking them with chalk, mud, etc. Yesterday some of these boys, while a Chinaman was absent from his vegetable wagon, delivering fruit, swooped down on his out and carried off a number of water-melons. Such deeds are of daily occurrence, and the people are wondering if there is no protection from this kind of work.

TEMPLE NOTICES.

St. George, Utah, Aug. 30.—The St. George temple will close on Friday, Sept. 26, and reopen on Tuesday, Oct. 28, 1902.

DAVID H. CANNON, President.
