Asthma Sufferers Should Know This. Foley's Honey and Tar has cured many causes of asthma that were considered hopeless. Mrs. Adolph Buesing, 701 West Third St. Davenport Iowa, writes: "A severe cold contracted twelve years ago was neglected until it finally grew into asthma. The best medical skill available could not give me more than temporary relief. Foley's Honey and Tar was rec-ommended and one fifty cent bottle en-tirely cured me of asthma which had been growing on me for twelve years, and if I had taken it at the start I would have been saved yours of suffering."
