Tom Corwin's Anecdote. — The Change of base" by politicians and by political parties, who all the while Coil in Pennsylvania.—There are claim not to have shifted positions, 2,000 producing oil wells in Pennsylvawas illustrated in debate by Tom Corwin by the following anecdote: "Many It takes 5,000 miles of pipe and 1,500 years previous," he said, "when silk goods were scarce and dear, an old lady in Ohio purchased a pair of black silk stockings. Being very proud of this addition to her dress, she wore them frequently until they become quite worn out; as often, however, as a hole appeared in these articles, she very carefully darned it up; but for this purpose, having no silk, she was obliged to use white yarn. She usual-ly appropriated Saturday evening to ly appropriated Saturday evening to this exercise. Finally she had dained ence, in 1859, the price was \$24. them so much that that not a single particle of the original material or color remained. Yet such was the force of habit with her, that as often as Saturday evening came she would say to her granddaughter, 'Anny, 'bring me my black silk stockings.", The application of the anecdote was easy, and needed no explanation.
