1889 A Prosperous New Year. 1890

The most successful Clothler of today is the one who avoids the carrying of stock over to next season. The practice of such a method is beneficial to both the Merhant and the Buyer, otherwise detrimental. The secret is easily explained by any successful and enterprising concern. The difference believen holding a garment over to next season in order to make a certain profit, and selling the same in season for, or even BELOW COST is not easily comprehended by everyone. By purchasing a Carried Over garment you are liable to shelf-worn and motheasted goods, while on the other hand you obtain brand new and fashionable goods and for less money. By you see the point
