9000 BELL TELE-

PHONES IN SALT LAKE SEPT. 15TH

GAIN OF 1,000 SINCE JANUARY 1.

This phenomenal increase made possible through the endorsement of the people.

There was a big rush of pleasure-seekers from town yesterday to the canyon, and the salt creek, and some extended their jaunt eastward clear through to the top of the divide back of Farmington. They report no water whatever in the upper parts of the canyon. The mountain foliage is very attractive at this time

of year, and parties brought back great quantities of it.

Chief of Police Lynch is in receipt of congratulatory letters from William A. Pinkerton of the noted detective agency, and from the police department of Omaha, thanking Chief Lynch for a copy of his annual report of the work done by the police department during the past year. Both officers congratulate Chief Lynch upon the excellent showing made, and say that the work done in Salt Lake is remarkable.

Manager G. G. Wright of the Idaho Falls branch of the consolidated Waggoner Machine company has returned after a two days' stay in this town when the location of the proposed new warehouse of the company at Twin Falls and Burley was discussed, and the two latter decided upon. Mr. Wright reported that the west is phenomenal, but that price is so low that farmers are holding back and won't sell.

Members of the First regiment band met Friday night, and organized an orchestra of 14 members, as follows: Three first violins, two second violins, one cello, bass, two cornets, two clarins, one tenor, one trombone, drums and piano. A. J. Elmer, bandmaster of the regiment, is conductor of the orchestra. The organization will meet this evening in the armory, for further action, and a dance is proposed for next Saturday night.

Local coal dealers report the fall trade is about what would be expected, there is no endowment on account of shortage in cars. They report that the grain crop in the northwest is larger than ever before, and there is great demand for cars on account of the heavily increased lumber traffic. Railroads have been given preference over trucks, and the latter are in great demand, but with all that the car shops of the country can do, the supply of cars is below the demand.

Decorators are erecting booths at Utahn park for the pure food exposition, which will open Thursday noon. Articles of food can then be seen and bought at reasonable prices, and may be desired. Souvenirs will be given to all ladies attending on opening day, and Saturday afternoon will be given to children. All grocers and butchers in the city are giving attention to the exposition, and the latter will be illuminated parade Thursday night, after which Governor Cutler, Mayor Morris, and President Duane are scheduled to speak. The exposition will run for nine days.

Zion's Savings Bank and Trust Co. has on deposit over three and one half million dollars, but we have not had any large sums of any amount. If you have \$100, go to F. Smith, President; George M. Cannon, Cashier.
