WASHINGTON'S ESTATE REOPENED

To Recover Some Parcels of
Land Given Him by Two
Governments.

WORTH HUNDREDS MILLIONS

Land is Situated in Ohio and
Practically Includes All on
Which Cincinnati is Built.

Part Was Given Him by Great Britain
For Military Services, and Part
By United States.

Chicago, Nov. 1.—A dispatch to the
Tribune from Washington, D. C., says:
To recover some little parcels of
real estate, given by two grateful govern-
ments to George Washington about
180 years ago and worth, at the pres-
ent time, hundreds of millions of dol-
lars, are the object of proceedings
started formally yesterday by the
heirs at law of the father of his country.

After an undisturbed rest of nearly
a century in the circuit court of
Fairfax county, Va., the Washington
estate has been reopened by the ap-
pointment of an administrator for the
undistributed assets which consist of
this almost forgotten land which he
possessed. The appointment was made
upon the application of Lawrence Wash-
ington, and other heirs-at-law of George
Washington, Robert L. Lee at Fairfax
county, was appointed administrator.

He is a grandson of Gen. Robert E.
Lee, and a great-grandson of "Light
Horse" Harry Lee, Gen. Washington's
chief of staff.

The land which the heirs seek to re-
cover is situated in Ohio, and is fully
described in Washington's will. It ag-
gregates nearly 10,000 acres and in-
cludes practically all the land on
which the city of Cincinnati is built.

Another tract of the land, known as
Point Pleasant, day, cell housekeeper,
at the Wyoming state penitentiary, in
an attempt to escape. Eckard had a
pistol and a stick of dynamite and
when Sandford opened his cell this
morning the prisoner shot him dead.

Eckard then tried to dynamite the out-
side door and falling in this blow off
the top of his own head with his pis-
tol.

TO CALL GENERAL STRIKE.

London, Nov. 1.—The executive com-
mittee of the Amalgamated Society of
Railroad Servants today adopted a res-
olution to call a general strike.

SENATOR WARREN RETURNS.

Does Not Think Financial Disturbance
Will Have Bad Effect.

New York, Nov. 1.—Senator Francis
E. Warren of Wyoming, who has just
returned from a vacation trip abroad,
was greatly interested in the recent
financial disturbance and asked many
questions about it when he landed.

"These panics cannot hurt the coun-
try," said Senator Warren. "I have
noticed that the country after each
financial depression comes much stronger
than before. We see now really strong
the nation is never shaken by these
convulsions. I am not advising any
policy to take powers or rights away
from state, but I do think that some-
thing stronger than state control is
necessary to govern the trust com-
panies."

"These companies should have at
least 25 per cent in reserve but we
find that the average is only 5 per
cent. The power and efficiency of federal
supervision over financial companies
is manifest in the condition of the na-
tional banks in the present panic."

ARMY OFFICERS.

Who Didn't Take Ride Test Won't be
Retired.

Washington, Oct. 31.—None of the army
officers who failed to take the ride test
prescribed by the president will be re-
tired as long as he is physically fit to
discharge the military duties as it pre-
sents. An order was issued by the
war department today requiring an
even dozen of these officers to appear
before a retiring board at the Washington
barracks on November 10. This board
will have to decide whether the officers
are fit to continue in the service.

THOS. BROWN RELEASED.

Miller Receives a Pardon.

Denver, Nov. 1.—Thomas Brown, who
was recently sentenced to the state
penitentiary for a term of five to seven
years for complicity in the killing of
Lebo and Miller at the Colorado colli-
ery in 1904 in a triple crank, was re-
leased today, having received an un-
conditional pardon from Gov. H. E.
Harris.

TO MOVE COTTON CROP.

New Orleans, Nov. 1.—Several plans
for moving the cotton crop and there-
by saving it from the ravages of gen-
eral rot and insect damage were pre-
sented at the annual meeting of the
cotton growers' association here today.

that he will investigate the possibility
of paying out cash at the New Orleans
sub-treasury for money deposited by
European cotton buyers with United
States fiscal agents abroad.

New Orleans bankers acting with
state banks have arranged to modify
the present stringent rules about pay-
ing cash so as to favor the movement
of both cotton and sugar. This plan
contemplates a judicious distribution
of cash to country banks.

CORPORATION CAPITALIZATION
FOR OCTOBER \$79,100,000.

New York, Nov. 1.—According to the
Journal of Commerce, new charters
filed in the eastern states in October
for capitalization of corporations with
an individual capital of \$1,000,000 or
more reported a total capitaliza-
tion of \$79,100,000, which compares
with \$76,000,000 in September and
\$138,500,000 in October last year. The
grand total of all companies incor-
porated in October with a capitaliza-
tion of \$100,000 and over including
other states than those of the east
was \$122,425,000 against \$114,660,000 in
September and \$276,376,000 in October
a year ago.

Conditions generally in October this
year militated to a greater extent
than in any previous month of 1907
against the filing of new incorpora-
tions of any sort. It is not surpris-
ing therefore that the aggregate incor-
poration should fall so largely below
those of last year.

Finland, 1,350 Kilometers Away.

Paris, Nov. 1.—A toy balloon, one of

from Paris, thus beating by 25 kilome-
ters the long distance balloon record
made by Count de Launay.

bridge over the Pasig river near Fort
Killey, collapsed today, owing to the
breaking of the super structure and
60 workmen were precipitated into the
river. Three Americans and 20 Phil-
ipinos were injured. The damage is
estimated at \$100,000.

GUARD AND KILLS HIMSELF

to the Republican from Ravenna says
a convict named A. Eckard, serving a
life sentence today shot and killed

at the Wyoming state penitentiary, in
an attempt to escape. Eckard had a

UTES' ATTITUDE VERY PEACEFUL

They Held Grand Council of War
And Aired Their Griev-
ances.

TO SEND CHILDREN TO SCHOOL

Agent Downs Not Satisfied but Capt.
Johnson Says Severe Measures
Poor Policy.

Omaha, Neb., Nov. 1.—Army head-
quarters in Omaha has received an of-
ficial report from Capt. Johnson, who
was sent to the Cheyenne River Indian
reservation to hold a pow-wow with
the Utes Indians.

Capt. Johnson found the attitude of
the Utes very peaceful. A grand coun-
cil of war was held and the Indians
aired their grievances. They had been
given to understand that their ration
would be cut in half, which would en-
tail great distress on the women and
children. Agent Downs had told them
they must send their children to school,
80 miles away. The Utes voted on the
question and refused to agree to send
the children to a day school at the
agency.

Capt. Johnson explained to them
about the schools and secured their con-
sent to have the children sent to the
day school.

Agent Downs is not satisfied with
the promises and it is said wants
harsher treatment given the Utes, but
Capt. Johnson says severe measures
will not be good policy.

"HOLY GHOST AND US."

Shiloh, Me., Colony Sails for the Holy
Land.

South Freeport, Me., Oct. 31.—The
yacht Kingdom, with about 60 members
of the "Holy Ghost and Us" colony at
Shiloh on board, and a crew of 20, sailed
early today for the Holy Land. Among
the number were Charles H. Holley, who
is known as "Moses," and who during
the absence of the leader, Rev. Frank
W. Sandford, has been in charge of the
colony. It is understood many dis-
ciples will not return, but will remain
at one of the colonies in Palestine, where
Mr. Sandford is supposed to be located.

on-the-Rhine.

Berlin, Nov. 1.—A mixed freight and
passenger train was derailed today on
the Brohl valley road, near Engen-
on-the-Rhine. Six persons were killed,
including two children, and many were
injured. The train was passing over a
bridge and high embankment when the
locomotive and a passenger car were
derailed and fell to the bottom of the
valley. Two freight cars, which were
loaded with stone, fell upon the pas-
senger car, not one of whose occupants
escaped injury.

CHICAGO SALOONS.

Ministers Appealed to for Aid in Clos-
ing Them Sunday.

Chicago, Nov. 1.—An appeal to the
ministers of Chicago, urging them to
join in a united effort to arouse public
sentiment on the question of closing all
saloons on Sunday, was mailed to 1,300
pastors today. The letter is signed by
officers of 19 churches, representing
law and order, and improvement asso-
ciations.

Each pastor in the city was asked to
make a special plea on the subject of
the enforcement of this statute on
Sunday morning, Nov. 24. The appeal
was signed by the officers of each of the
Chicago Law and Order League, of which
Arthur B. Farwell is the president.

LONE ROBBER RAIDS MILL.

Goldfield, Nev., Nov. 1.—A lone rob-
ber made a raid on the Gardner mill,
located at the foot of the Malpais at
the southern end of the city last night,
and holding up two men, who were en-
deavoring to take the precipitate from
the plates. He escaped with his loot, val-
ued at about \$2,000.

REGISTRATION FRAUDS.

New York, Oct. 31.—In a raid made
early today on Third avenue lodg-
ing house by William Leary, assistant
superintendent of elections, and 10 In-
spires, it was disclosed, according to
Supt. Leary, that only one of the 32
men registered from a premises was
legally registered. Supt. Leary said
warrants will be issued for the arrest
of the 31 on the charge of illegal reg-
istration.

"This is the first big disclosure of
what we are doing," said Supt. Leary
today, "but it is only a precursor of
what may come. The most careful
scrutiny is being made of the regis-
tration in Brooklyn, and we intend to
secure warrants for the arrest of every
illegally registered voter."

SPURIOUS BANK NOTES.

Two Men Have Been Passing Them in
Nebraska.

Lincoln, Neb., Nov. 1.—A special from
Wahoo to the Star says:
Two men have been passing spurious
bank notes drawn on the Merchants
and Planters' bank of St. Louis. These
notes are from \$1 to \$20 in value.

HUNTING HARD FOR MURDERER OF HITCHECOCK

New York Police Have Thrown
Out Dragnet And Are Running
Down Every Clue.

WANT DELLA MACKENSIE, TOO

She Told Her Story to Children's So-
ciety Early in the Fall—Fugitive
May be in Canada.

New York, Nov. 1.—The police have
thrown a dragnet over New York and
every clue is being run down to capture
Raymond Hitchcock, the actor accused
of offenses against three young girls
and who disappeared suddenly from
the city Wednesday. Mrs. Hitchcock
declares her husband has either been
murdered or kidnapped by a band of
blackmailers, who she states, have
been hounding the actor for months.

The police have learned that a man
closely resembling Hitchcock sailed on
the Majestic on Wednesday, and a
wireless telegram has been sent to the
captain of the ship asking him to have
the actor held by the English police if
he is aboard. Search also is being
made by the children's society and the
police for Della Mackensie, one of the
girls, whose stories resulted in Hitch-
cock's indictment.

It was learned today that Miss Mac-
kensie told her story to the children's
society early in the fall, after which
she became reconciled with her father,
and returned home. A girl named Pissara,
of the children's society, said today
that the girl had disappeared from her
home in October, and that she had
been in the company of the actor shortly
before his disappearance.

A gatekeeper at the Grand Central
station said today that he saw Hitchcock
take a train for Boston, Wednesday
afternoon, while there is a report from
North Adams, Mass., that the actor
was seen there by William Newman,
a hotel clerk.

The police have been informed that
Hitchcock wears a gold bracelet wound
about his right wrist to ward off rheuma-
tism, and that this bracelet has
never been removed.

Hitchcock's examination was set for
yesterday afternoon, and when he failed
to make an appearance, Asst. Dist.
Atty. Garvan charged with the killing
of the Pennys, but there was not suf-
ficient evidence to convict him. Soon
after the finding of the skeletons a
week or two ago in the San Francisco
cemetery, but there was not suf-
ficient evidence to convict him.

It is asserted also in North Adams
that Hitchcock remained over night in
a private house, starting yesterday
afternoon for Boston, N. Y., and col-
lecting the latter place at 9 o'clock
last night on a train bound for Mon-
treal.

HUSBAND AND WIFE
SHOOT THEMSELVES.

Springfield, Mass., Nov. 1.—Hearing
two shots fired in rapid succession early
today, the employees of the Highland
hotel burst into a room and found Mr.
and Mrs. A. M. Kirwan, of this city,
apparently dying from bullet wounds,
which, the husband asserted, were self-
inflicted. They were taken to the hos-
pital where both were reported in a
critical condition.

The couple were married last June.
Kirwan is 26 years old, while his wife
is 18. They came to the Highland
hotel about 11 o'clock last night and
went to room 10. Kirwan ordered a
light lunch and some liquor. At 3
o'clock this morning the watchman
heard two quick reports of a revolver
in Kirwan's room. The night clerk and
a porter burst open the door and found
the woman unconscious on the bed
and the man in the same condition on
the floor. Both had bullet wounds in
their chests.

At the hospital Kirwan recovered
sufficiently to tell the physicians that
he and his wife had decided to kill
themselves. He did not give a reason.

MRS. ARMSTRONG IS RELEASED

Woman Arrested at Denver for
Complicity in Penny Murder
Restored to Freedom.

CASE OF MISTAKEN IDENTITY.

Sheriff Black Identifies Hoppers as
Men Known in Utah as Harper
Brothers—Flight Requisition.

Denver, Oct. 31.—Mrs. Mary Arm-
strong, the aged woman arrested here
with George and John Harper, on the
charge of having murdered George and
Ezra Penny in Millard county, Utah,
eight years ago, was released this after-
noon by order of Sheriff Joseph A.
Black, of Millard county. The w-
man's arrest appears to have resulted
from a case of mistaken identity. Sher-
iff Black said evidence against Mrs.
Armstrong is lacking.

Sheriff Black has identified the Har-
per brothers as the men known in Utah
as Harper brothers who are wanted for
charge of murdering George and Ezra
Penny. Requestion papers were pre-
sented today to Gov. Butcher for the
men, who have employed counsel to
contest their extradition.

INSIST ON ALIBI.

Harper Claim They Were Not in Utah
At Time of Murder.

The finding of skeletons, supposed to
be the remains of Ezra and George
Penny, who disappeared in Utah eight
years ago, is creating considerable in-
terest in Colorado, as well as in Utah.
Denver chances to be at least a tempo-
rary home of the persons believed to
know why the Pennys were never seen
alive by their friends after they started
on a prospecting trip in the fall of
1898. They are three in number, two
men and a woman, George Harper,
John Harper and Sarah Armstrong.

There is some doubt as to whether the
last name of the men is really Harper,
as they are sometimes called Hoppers.

STORY REVIVED.

The story of the disappearance of
Ezra Penny and his son has been told
and retold many times during the last
nine years. The occurrence was fast
becoming forgotten by all except the
immediate family and friends, when the
uncovering of two sets of bones and the
most positive identification of the same
as the remains of the missing
Kanosh men revived the story of the
event.

SHERIFF IN DENVER.
