Because Her Parents Forced Her  
To Marry a Man Whom  
She Did Not Love.

## SHE ELOPED WITH HER LOVER

Both Young, Came to America—She  
Made Impassioned Plea to Re-  
main—Will be Deported.

New York, Aug. 17.—The immigration officials have shattered the romance of a 19-year-old Beatrice Mayer who left her husband of a few months and eloped to this country with her first sweetheart, Adolph Grohman, a youth of 23. The young couple, who have a plentiful supply of money and whose refinement apparently verifies their claim of kinship with prominent families at Prague, arrived here on a steamship Sunday. Mrs. Mayer was accompanied by her maid and all of them had first class passage. They would not have been disturbed in their desire to land had not a cablegram preceded their arrival. It was from Mrs. Mayer's husband and asked that they be detained. A special board of inquiry has decided that the man and Mrs. Mayer and her maid must be deported. Before the board, Mrs. Mayer made an impassioned plea to be allowed to land.

"Adolph was my school companion and we have loved each other for years," she said. "We wanted to marry, but my folks objected. They wanted me to marry a banker. I resisted as long as I could, but in the end they forced me into this objectionable marriage. I never loved my husband, but I do love Adolph. After four months of marital troubles I decided that the only way to avoid a life of trouble and unhappiness was to run away with Adolph."

## SENATE IRRIGATION COMMITTEE HEARINGS

Billings, Mont., Aug. 17.—The senatorial committee on irrigation accompanied by Secretary of the Interior, B. H. Lister, and Director Newell of the reclamation bureau, held a session at Huntley yesterday at which a committee of the settlers appeared and made complaints together with suggestions for the improvement of the service. Among the complaints was one to the effect that too many officers were employed. Director Newell explained this by saying that the service was compelled to answer several thousand letters in relation to the reclamation service.

In answer to the plea of the farmers whose crops were damaged or ruined by the recent hail storm, Secy. B. H. Lister said that so far as that law would permit he would seek to relieve the settlers.

## BURNING ECZEMA QUICKLY SPREAD

Started Like Ringworm on Hand—  
Hand Swelled and Then Humor  
Spread to Arms, Legs and Face  
—It was Something Terrible.

## PRESCRIPTIONS FAILED: CUTICURA CURED HIM

"I have used the Cuticura Remedies for a very bad case of eczema with complete success. About fifteen or eighteen years ago the disease developed in the shape of a large pimple on top of my hand. It burst and itched so much that I was compelled to show it to a doctor. He pronounced it ringworm, and made very light of it. He gave me a wash and told me to apply it before going to bed and all would be over in the morning. But the next morning my hand was all swollen up and I poulticed it. When the doctor came to his office I showed him the hand and to my surprise he told me that he had never experienced such a case in his practice and said it was well I poulticed it. After trying his different remedies the disease increased until it went up my arms and finally to my thighs and legs generally and finally on my face. The burning was something terrible. After I had tried this doctor, as I thought, long enough, I went to another doctor who had the reputation of being the best in town. He told me it was a bad case of eczema and that it would take quite a while to cure it. His medicine checked the advance of the disease but no further."

"I finally concluded to try the Cuticura Remedies. I bought a cake of Cuticura Soap, a box of Cuticura Ointment and a bottle of Cuticura Resolvent and found relief in the first trial. I continued until I was completely free from the disease and I have not been troubled with another attack since. I still use the Cuticura Ointment in my family as it is one of the best remedies to heal a sore or other injury rapidly. I can freely and truthfully say that the Cuticura Remedies are the best so far as my experience went with them and I am still recommending them, feeling sure that I am not making a mistake. C. Burkhardt, 236 W. Market St., Chambersburg, Pa., Sept. 10, 1908."

Complete External and Internal Treatment for Every Form of Itch, Chafe, and Skin Disease. Cuticura Soap (25c), Cuticura Ointment (50c), Cuticura Resolvent (50c), or in the form of Cuticura Tablets (50c). Sold everywhere. Write for Free Book and Cuticura Sample. Cuticura Remedies, C. Burkhardt, 236 W. Market St., Chambersburg, Pa., Sept. 10, 1908.

Senator Carter, speaking for the committee, said:

"You must remember that this is your government, and that it will do everything possible for you. Congress must lodge in the secretary of the Interior a reasonable discretion to relax the rigid forms of the law when such calamities as this come upon the settlers."

In the evening the senators and Secy. Ballinger were tendered a banquet by the people of Huntley. The committee spent some time in inspecting the project. Today the committee will visit the Shoshone project in northern Idaho returning to Billings Wednesday evening. In the evening the committee will go to Fort Falls to inspect the Sun river project.

## CHINAMEN MUST HAVE OPIUM OR WILL LEAVE

Los Angeles, Cal., Aug. 17.—On the ground that they must have it to stop the alarming increase in the death rate among their countrymen, leading Chinese here have made a demand upon the police for 50 tons of opium confiscated from den before the recently enacted federal law banished the so-called drug. They assert that Chinatown has already been reduced from 5000 to a mere 600 population and declare that the new law has sounded the death knell of all their brethren who are habituated to the dream-producing extract of the poppy. The police have asked for a writ authorizing the destruction of the 50 tin lot.

## ARRANGE DETAILS OF TAFT PROGRAM

Select Committee Meeting This  
Afternoon Upon Call of  
Governor Spry.

## MASS MEETING IS PLANNED.

The President Will Be Asked to Address the Gathering—Banquet to Be Given by J. H. Hammond.

Preliminary plans for the greeting and reception of President Taft upon the occasion of his visit to this state next month will be discussed at a meeting to be held in the office of Gov. Spry at 3 o'clock this afternoon. Senator Smoot and Gov. Spry and a number of prominent citizens of the state will attend the meeting, when committees will be named and all preparations outlined for the reception of the president.

So far as can be learned at this stage of the proceedings, it is planned to ask President Taft to address a monster mass meeting in Salt Lake on the evening of his arrival on Sept. 2. The following day there will be a meeting of the officers and members of the Young Men's Republican league, and a banquet given by John Hays Hammond, national president of the league, to the league workers of Utah and the western states.

President Taft will remain in Utah, according to present plans, for three days. One of the features of the reception will be the repetition of the marching and singing of the Living Flag, which was such a success during the G. A. R. encampment week.

Every possible precaution for the safety of the president while in this city will be taken and the police department, through its chief, Samuel Barlow, will ask the city council for the appointment of a special squad of officers to be used as a body guard.

The president, accompanied by John Hays Hammond, the well known western mining engineer. It is expected that Mr. Hammond, who is also an orator of ability, will take considerable part in the public speaking required of the presidential party.

## FERNSTROM CHARGES DEAL WITH SALOONS

Councilman from the Third Says  
"Americans" Are Being Paid  
For Protection.

That the saloonmen in Salt Lake pay the American party for protection was the charge made by Councilman F. S. Fernstrom last night on the floor of the council. Several members of the council ridiculed Fernstrom, but he declared that an investigation would substantiate his charges. The delay in prosecuting the saloonmen who were caught selling liquor in violation of the ordinance was evidence of it, Councilman Fernstrom said.

The owners of the Albany saloon were arrested more than a month ago, but the case has never been tried, so Mr. Fernstrom sought to have an investigation made by the council with the view of revoking their license. His motion was defeated, however, by a party vote and went over again until the case is decided in police court, whenever that will be.

"There is something rotten about this case," Councilman Fernstrom said. "It appears that somebody is standing in with the saloon keepers who are caught violating the law. I think that investigation should be made of the affair."

According to Councilman Fernstrom the saloonmen have raised \$3,000 for the American campaign fund. An additional \$2,000 would be raised, it is charged, if the administration would take the ban off on slot machines. When the saloonmen's committee called on Mayor Brandford he declared that while he was mayor the slot machines would never run. The \$2,000 is now in a bank here, it is said, awaiting a settlement of the matter. Strong influence has been brought upon Mayor Brandford to allow slot machines to run, but he has not yet consented.

Next Friday, Miss Cora Platt gives a Wandamere party in honor of Miss Clarissa Goss.

The engagement has been announced of Miss Inez Davis and Gus Schuster, the wedding to take place in September.

A number of young people entertained at a lake party last evening in honor of the Misses Boehmer, of Denver, Colo., who are visiting here.

Mrs. Wallace Christie and daughter, Mrs. Otto Zeus, leave on Thursday for the evening of his arrival on Sept. 2. The following day there will be a meeting of the officers and members of the Young Men's Republican league, and a banquet given by John Hays Hammond, national president of the league, to the league workers of Utah and the western states.
