NON PARTISANS ARE VICTORIOUS

Board of Education Remains as At Present Constituted.

"AMERICANS" ALL DEFEATED.

Attempt to Inject Politics in School System Declared Wrong by Count of the Ballots.

Notwithstanding the furious efforts made by the leaders of the "American" party in urging a campaign of slander and abuse against the people of Salt Lake City, the schools of the city shall remain without the pale of party politics. The victory of the non-partisan candidates at the polls yesterday was a thorough vindication of the record of the non-partisan board which has been in charge of the school affairs of this city for two years, and although only one-third of the total vote was polled, yet the majorities given the non-partisan candidates over the "American" contestants, ranged from 223 to 1,007, the first named figure being the majority by which C. S. Martin was elected over his opponent, H. P. Clark, in the First ward, and the latter being the majority of Oscar W. Moyle over J. D. Hagman in the Third.

Singularly enough, Arnold Glaugue, the non-partisan candidate in the Second, on whom perhaps the fiercest fight was made, came up smiling with a majority of 946 over his opponent, George H. Smith, polling a total of 1,332 votes against Smith's 436.

In the Fourth, Mathonihah Thomas was returned with the comfortable majority of 623, while in the Fifth, where Joseph Oberndorfer was the sole candidate, the vote was lightest and only 241 votes were cast.

HEELERS OFFENSIVE. The partisanship of "American" ward heelers was very offensive at some of the polls, particularly in the First ward, where men stood in the very door of the polls attempting to force "American" ballots on voters as they went in to the voting places. City employees and others supposed to be under the direct rule of the "inner circle" of the "American" party, were thus subjected to close scrutiny on the part of "American" henchmen, and could not, under such a system, exercise a free franchise.

The total vote cast at yesterday's election was 10,663, out of a total registration of about 30,000 in the city. The vote at the school election two years ago was 30,957.

Following is a summary of the vote cast by wards, with a comparative statement of the vote cast in 1906:

A RARE UTAH SOUVENIR AS A HOLIDAY GIFT. People who desire something striking and unusual in the book line to serve as a Christmas gift to a friend, (especially if that friend resides outside of the state), could not do better than to call at the Deseret News Book Store and inspect the History of Utah in three large volumes, by Orson F. Whitney. This is the work lately acquired by the Deseret News from the George C. Cannon association, the former price, of which was \$30.00, but which has now been reduced to \$15.00. The work is rapidly going out of print, and when the present edition is exhausted, it will be impossible to obtain copies anywhere.

The books are bound in gilt morocco fully illustrated, and would form a gift that would be appreciated for a life time.
