

LOCAL AND OTHER MATTERS.

**THEATRE**—On Monday night Charlotte Thompson makes her first appearance in the beautiful character of "Julia" in the "Hunchback." Those who have seen this lady play speak of her as a most charming and pleasing actress. Kate Denin and Mr. Wilson will also appear, the lady as "Helen" and the gentleman as "Clifford." The cast will be complete throughout.

**THE GRAND JUVENILE BALL**—By general request, a Grand Juvenile Ball will be held in the Theatre to-morrow afternoon and evening. The parents and friends of the youngsters will have the privilege of being present and looking on, but not of dancing. The doors will be opened at one o'clock. The party will commence at two o'clock, admitting juveniles under the age of eighteen, will be fifty cents each. To prevent confusion tickets should be secured in advance.

**RAILWAY ACCIDENT**—The members of Morgan's Commercial College, about two hundred and fifty in number, left this city yesterday morning on an excursion trip, for Ogden City. They reached their destination in due time, all right, and spent a very pleasant day. They left Ogden last night at six o'clock, and when six or seven miles from this city three of the cars flew the track, and the track was completely torn up for two or three hundred yards. The cars were very slightly damaged, but fortunately not one of the passengers sustained the least injury. At the time of the accident the train was going at a moderate rate, or the result would in all probability have been much more serious; it also fortunately happened that the cars that ran off were the last cars of the train, and after the cars were over the forepart of the train came along to the city, and then returned for those who had been compelled to stay behind, and beyond the short delay thus occasioned they sustained no inconvenience.

We gleaned the above particulars from Mr. Morgan, principal of the college, who also wished to express the thanks of the excursionists to Mr. Leavitt, the conductor of the train, for his untiring efforts to promote the pleasure and safety of the party. The cause of the accident is involved in mystery. It may have arisen through some fault in the construction, but it is more likely to have arisen from the devilish mischief of a party whose handiwork has already been detected at two or three points on the line. Let such a person stop his deviltry while he is safe; if he do not he may be sure that his sin will find him out, and will cost him dear.

**ATTEMPT AT BURGLARY**—An attempt was made on Wednesday night, or early on Thursday morning, to break into Hooper, Eldredge & Co's bank, on East Temple Street. The scoundrels broke three panes of glass and one of the sashes, but, it is supposed, they were disturbed in their nefarious transaction, for they took nothing away but some papers of no value whatever.

It is a very lucky thing for them that they were disturbed, for had it been otherwise, one or more of them would in all probability have taken his or their departure by bullet for kingdom come. A well armed guard is kept on the bank premises every night, from the time business is closed until it is resumed the next morning, and it is supposed that the guard was in the back office for a minute and that his return alarmed the villains.

Burglary is a rather dangerous business in Salt Lake City, and especially in the business portion of it. Several of the fraternity have lost their lives trying on their little game, and several more will do so just as sure as they try it, for there is no compromising with "Mormon" watchmen, and they have no more respect for a burglar than for a mad dog. Gentlemen of that ilk be warned; don't try your game here unless you wish to embark in a hurry for the other side of Jordan.

**GRATIFYING**—By telegram received this morning from Hon. W. H. Hooper, we are very pleased to learn that his health is much improved. Elders Burton and Sheets left Washington to-day for New York.

**WASATCH COUNTY**—Bishop Abraham Hatch, of Heber City, called this morning. He is in this city to attend the present session of the Legislature. He gave us the following jottings in relation to matters and things in his Diocese:

There is no snow in Provo Valley. Many of the brethren are lumbering successfully this winter. A first-class saw mill has been built in Lake Canyon by J. W. Whit. Three free schools have been established and are in successful operation. Two new school-houses have lately been built, one of which is a substantial rock structure. Two bridges are in course of erection across the Provo River. A large field is being taken up in the vicinity of Heber City. A water ditch, four miles in length, is being taken from the Provo to supply this field with water. There is an excellent opportunity for a few families to locate there; it is only forty-one miles from Salt Lake City. Union and good feelings prevail throughout the county.

**INFORMATION WANTED**—If this should come under the notice of Elizabeth Hanks, who emigrated from England last summer, and who is supposed to be in Cache Valley, she will please write to her brother, Alfred Hanks, in care of J. F. Gibbs, Fillmore City, Utah, as he is ill and desires to learn of her whereabouts.

T. Swaah, of 48 New Weston St., Bermondsey, London, England, desires to hear from William Hammond and his family, who left Andover on the 21st of April, 1851.

Elder Evan M. Greene writes us that "Mr. Henry Dodge, of Bushnell, McDonough County, Ill., wants to learn of the whereabouts of Augustus and Seth Dodge, sons of Erasmus Dodge, who was a "Mormon" in Missouri; emigrated from and New York."

Augustus and Seth Dodge reside at Toccoville, Washington County, in the Territory.—[Ed. D. E. N.]
