

Special Notices.

President Heber C. Kimball understands that there are many in this city and in other places adjacent, who have wool to card. He has put up a stove and has the place where his two double carding machines work, in the 19th Ward, near Pugsley's mill and the Ward Meeting House, fitted up so that carding can be done occasionally when the weather moderates. He also has David LeBaron to work them—a man whom the people know to be honest, for he has been well known among them for many years. He can cheerfully recommend Br. LeBaron as an honorable man, who has always given satisfaction to his customers when running machines for him. People bringing wool can have it done when they bring it, if there is enough at the machines to run a day. Bring grease as usual, say one pound to seven.

If the people will not bring wool along to be carded, the place will be closed.

On and after 1st April, 1888, where letters and papers for more than one person are put in the same box, fifty cents will be charged for each person, in addition to the regular box rent, except when such persons belong to the same family or to the same firm.

I am reluctantly compelled to make this charge, because of the smallness of the revenue of this office.
