SILVER KING'S BIG ORE BODIES.

Famous Mine Said to be Looking Better Than Ever.

CAUSE OF BIG DIVIDEND.

Mercur Company's Mill Started—Washington to Incorporate—Bond on the Dipper.

The "News" has it on [illegible] authority that in the lower depths of the famous Silver King mine at Park City, the ore showing is simply wonderful, developments of the past few weeks making the mine bigger and better than it ever was. It is said that there has been opened up a veritable mountain of high-grade silver-lead ore and that this condition of affairs, together with the approaching completion of the new mill, was responsible for the recent increase in the company's monthly dividend, which will hereafter be [illegible]. To date the Silver King has paid [illegible] to stockholders and by the close of the present year and the ushering in of a new century, this amount will have been increased more than half a million, with the mine left in a condition to continue such [illegible] for years to come.

Mercur Mill Started.

John Dern, the Mercur company's manager, will arrive from camp this evening, after inaugurating a change in the capacity of the company's mill, which started up yesterday afternoon with equipment for handling [illegible] tons of ore daily. The plant in its enlarged state will treat [illegible] tons, but for the present [illegible] of this will be put through. Mr. Dern has sent in another order for supplies for the [illegible], a movement which would indicate a [illegible]
