HAY FEVER IS RAPIDLY INCREASING

New York, June 19 .- More than 100,-000 persons suffer from hay fever in the United States and the number is

rapidly increasing, according to Dr. W. W. Carter, who addressed the alumni of Bellevue hospital last night. The fact that nearly all of the sufferers from this trouble, which recurs annually, are residents of cities and very few live on farms, Dr. Carter explained by saving that hay fever subjects are of certain nervous disposition and that their nervous 'condition makes them subject to the disease. The doctors have found no medical relief for the

While private dispatches, from Vir, borg assert that the Woodburn was steering in accordance with directions given her by a convoying torpedoboat, naval officers of the squadron declare the steamer was heading directly for, the Steamer was heading directly for the Standart and that they could not aord to run the risk of having the imperial yacht run down.

WAS IN PROPER CHANNEL.

Viborg, June 18.—According to the Finnish pilot, who was aboard the Woodburn, the vessel was proceeding slowly in the proper channel and was half way down the line of warships, when suddenly a torpedo boat appeared almost under her bows. To avoid a collision the Woodburn backed off and in so doing swung around until her bow pointed toward the imperial yacht Standart, which lay a half-mile distant. A shout of warn-ing came from the torpedo boat, and almost immediately blank shots were fired. The torpedo boat destroyer lying close by opened fire with shells, firing seven shots. Seattle, Wash., June 19,--Completing a run of more than 400 miles, 300 miles of it in the open sea, the nine ton gasoline launch Eagle is in Seattle, having braved the dangers of the Pacific from Coos bay. The Eagle was brought up by Capt. T. D. Holland, assisted by his mate.

The Eagle made the hazardous run in 16 days, but much of this time was spent at ports en route. Some heavy seas were encountered, but Capi. Horland states that the Eagle rode the high waves like an ocean liner and ul-though she rolled considerably, none of the glass windows was broken.
