ITEMS.

CORRESPONDENCE for publication is requested to be written on one side of the paper only.

No notice can be taken of anonymous communications. Correspondents' names must in every instance accompany their communications, not necessarily for publication, but as a guarantee of reliability.

PROFESSIONAL.—H. F. and Amy Stone are playing a successful engagement in Sacramento, at the Metropolitan Theatre.

The Couldocks are also playing at the Academy of Music, in the same city, to good houses.

THEATRICAL.—The bill for this evening should attract a good house, containing, as it does, variety and excellence. A fine play, a laughable farce, a fancy dance and a comic song, all by talent able to do them justice, are attractions, or ought to be, for one night.

We again acknowledge the courtesy of Major Stratman, of San Francisco, in forwarding another interesting batch of illustrated papers of late date; *Harper's Weekly*, *Chimney Corner*, *Merriman*, Bonner's *Ledger*, and some others, with the *Tribune* Almanac for 1868.

INDIANS AGAIN.—The present season opens out ominously for Indian troubles during the summer. Not long ago we quoted from Montana papers concerning outrages in that Territory. Since then the Arizona *Miner* has given us information of troubles there. And now we learn from Idaho papers of killings by the savages in that region. On Wednesday, 18th, a man named George Jarvis was murdered by Indians in the kanyon on the Owyhee road, going from Snake River ferry to Silver City. When the body was found the next day it was riddled with bullets. A Chinaman was also killed by them about two hundred yards from where Jarvis was killed. The menacing and belligerent conduct of several of the tribes east, and the outrages already perpetrated in surrounding Territories, indicate that the coming summer may have as large an amount of Indian difficulties as the preceding one.

We trust our citizens in exposed situations will exercise all necessary vigilance, and due wisdom, to guard against raids by evil-disposed Indians.

SEVERE.—The Montana *Herald* is heavy on the Sweetwater affairs, and on D. K. Allen, whose letters, glowing with the most roseate coloring, were published in the *Herald* last fall. Allen is said to be "a young man of very small means and moderate abilities;" his letters are declared to have been concocted in Salt Lake City; and it is positively maintained by the *Herald* that there are no such mines as "the Sweetwater Mines." Allen catches "particular fits" for throwing himself around the country in circulars as the President of the—to be—National Bank, at South Pass City; and an ugly fling is taken at the *Sweetwater Mines* newspaper, its office and material. Altogether the article is severe; and makes an opening for a very pretty little wordy fight.

THE MAILS.—Through the kindness of T. F. Tracy, Esq., we have been put in possession of the following telegrams to him:

Omaha, March 26.

Theo. F. Tracy:

No train west yesterday on account of the snow storm. None from west this morning. The train leaves at the regular hour this evening.

NAT STEIN, Agent.

Sulphur Springs, March 27.

Theo. F. Tracy:

The coaches have been detained at the crossing of Bitter Creek, seven miles west of Point of Rocks. The detention was caused by high water. The creek was fifteen feet deep, and seventy to eighty feet wide.

JNO. COLLINS.

Sulphur Springs, March 27.

Theo. F. Tracy:

Stages have been crossing Bitter Creek on rafts since the 24th. I know of no trouble west of Bitter Creek.

JNO. COLLINS.

La Clede, March 28.

Theo. F. Tracy:

Water has been very high from Sulphur to Green River; had to swim all of the teams going west on the 23d and 24th. Water has gone down; we will make good time now.

INGMAN, Division Agent.

THE CONCERT.—This is the evening of Professor Tulledge's Concert.

The names of those announced to assist in it, are guaranteed for the excellence of the musical selections to be presented.

Died:

At Mendon, Cache county, March 12th, 1868, Mary Elizabeth, daughter of Amenzo W. and Agnes Baker, aged 1 year, 2 months and 11 days. *Telegraph* and *Dixie Times* please copy.

The greatest point of elevation above the sea on the Union Pacific line will be 8,242 feet. The Central Pacific of California crosses the Sierra Nevada at an elevation of 7,042 feet. Some of the grades on the latter road run as high as 160 feet per mile. On the U. P. R. R. the highest grade will not exceed eighty feet.
