SESSION OF THE CITY COUNCIL

No Action Taken in Reinstating Policeman Ternes—New City Court Clerk.

WARRANTS FOR SALOONMEN

Proprietors of Apex Held for the Robbery of Old Man Goff—County Delegates to Convention.

Ogden, Dec. 29.—At the session of the city council last evening the long-looked for action of that body upon the re-instatement of Ben Ternes as desk sergeant at the police station, was side tracked.
The resignation of David Jensen as clerk of the municipal court was accepted and Isaac Folkman was appointed in his stead. Folkman's name was submitted by Judge Murphy but Councilman Austin moved that J. Critchlow be appointed to the position. His motion failed to carry and Folkman was confirmed.
Thirty-five applications for liquor licenses were received and granted. The application of Grainer & Son was held up for a week as the junior member of the firm is a minor.
Payrolls amounting to \$551.63 were allowed and ordered paid.

SALOONMEN FACE SERIOUS CHARGE

Warrants Against Apex Proprietors For Robbery of Fred Goff.
Ogden, Dec. 29.—Warrants were issued yesterday afternoon for the arrest of Bob J. McGuire and B. E. Bramlett, proprietors of the Apex saloon on lower Twenty-fifth street, charged with the crime of robbery. The complainant is Frederick Goff, an old man, who told the police of the methods adopted to rob him in the Apex saloon. The warrants are the result of several days' investigation of Goff's story conducted by James F. Pender, chief of the city detectives, and is the beginning of the crusade of the police department together with the county attorney's office to stamp out the methods of robbery that were so common in this city in 1902 and 1903 when the cut-off was being built across the lake.
Goff's story, which was published in this paper at the time it was committed briefly is as follows: Goff had been working on the Western Pacific, in Ne-

TORE HIS SKIN OFF IN SHREDS

Itching was Intense—Humor Spread from Hands to Body—Work Interrupted and Sleep Often Impossible—Disease Resisted Treatment

BUT CUTICURA CURED HIM IN THREE WEEKS

"My trouble commenced about two years ago and consisted at first, of an eruption of small pustules on my hands. These spread later to other parts of my body, and the itching at times was intense, so much so that I literally tore the skin off in shreds in seeking relief. The awful itching interfered with my work considerably, and also kept me awake nights. I tried several doctors and used a number of different ointments and lotions but received practically no benefit. Finally I settled down to the use of Cuticura Soap, Cuticura Ointment, and Cuticura Resolvent Pills, with the result that in a few days all itching had ceased and in about three weeks' time all traces of my eruption had disappeared. I have had no trouble of this kind since. H. A. Krutakoff, 957 W. 51st Place, Chicago, Ill., November 18 and 25, 1907."

SKIN HEALTH

Effected by Cuticura Soap, Ointment, and Resolvent.
The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of scalp, as in scalded head; the facial disfigurement, as in acne and ringworm; the awful suffering of infants, and anxiety of worn-out parents, as in teething, or salt rheum—all demand a remedy of extraordinary virtues to successfully cope with them. That Cuticura Soap, Ointment, and Resolvent (liquid or pills) are such stands proven by unquestioned testimonials.
Cuticura Soap (4c) to cleanse the skin, Cuticura Ointment (50c) to heal the skin, and Cuticura Resolvent (50c) to purify the blood, are sold everywhere. For full particulars, send for the little book, "Purify the Blood, and the Skin Will Heal." Cuticura Soap, Ointment, and Resolvent are sold in all drug stores, or by mail for 25c. Sold by Geo. T. Brice, 209 So. Main St.

vada, as a steam shovel engineer. He saved up about \$400 and decided to go to Chicago to see his daughter, for Christmas. At Salt Lake he had his check cashed and was paid in gold. This, together with other money he had, he put in a wallet and boarded an eastbound train.

Upon arriving in Ogden, Goff went to the Apex saloon to get a drink, and when he paid for it he exhibited what money he had in his wallet. After one or two more drinks he stated that he remembered nothing. Two days later he came to and found himself in a rear room of the saloon and was later removed to a room over the saloon, where he was held for two days more as a prisoner. While he was detained the man was not given anything to eat but he was given all the whiskey he could drink.

When Goff told his story to the police and the county attorney, an investigation was immediately started which has resulted in the issuance of the warrants charging the proprietors of the saloon with robbery. It is very probable that after the criminal prosecution the city council will take some action upon the matter of renewing the license.

A report was circulated late last evening that Frederick Goff, the old man who will be the complaining witness in the case against McGuire and Bramlett, had left the city, his destination being Chicago. This action, if taken by the complaining witness in the sensational case, will not make any difference in the investigation that is being carried on by the officers. If Goff is out of the city the authorities will take some action to bring him back to the city.

SUIT FOR DIVORCE.

Madge Jones Hockley has filed suit in the district court for a divorce from Lovence H. Hockley upon the grounds of non-support. The couple were married at Grand Junction, Colorado, January 2, 1895, and in April 1901 the defendant deserted the plaintiff. She has since failed to furnish the necessities of life for her and a child of which she asks the custody.

WILLING TO RETURN MONEY.

Charles Price, the plasterer who lives at Five Points and who a couple weeks ago received \$2,410 in a package by mistake and which was evidently sent by one of the robbers of the Portland bank, has signified his willingness to have the money returned to the Portland bank. The Portland officials have consented to give Price ten per cent of the total amount that he received so mysteriously. If the Portland bank can make a satisfactory identification of the currency held by the Pacific National bank in this city where it was deposited by Price it will probably be turned over to that institution.

ROBBERS GET HEAVY SENTENCE.

In the district court last evening before Judge Howell Halph Bean, who robbed the European hotel was sentenced to 10 years in the penitentiary. John J. McGuire and George Adamson, who were found guilty by a jury, were brought before the court for sentence. The former was dismissed and the latter given 12 years. This sentence was the result of the confession made by Adamson in which he completely exonerated McCune, Adamson and Bean will be taken to the state prison today.

BIG DAMAGE SUIT.

A. I. Stone as administrator of the estate of William Z. West has filed an action in the district court against the Oregon Short Line Railroad company to recover \$20,000 damages. The complaint alleges that on and prior to June 10, 1907, the deceased was in the defendant's employ as a fireman, Idaho as a switchman. That on the above date while on top of a box car an engine struck it and the deceased was hurled to the track in front of the engine which passed over his body killing him instantly.
