CHICAGO, ROCK ISLAND & PACIFIC R. R.

THE GREAT CONNECTING LINK BETWEEN THE EAST & THE WEST!

Its main line runs from Chicago to Council Bluffs, passing through Joliet, Ottawa, La Salle, Geneseo, Moline, Rock Island, Davenport, West Liberty, Iowa City, Marengo, Brooklyn, Grinnell, Newton, Colfax (the capital of Iowa), Stuart, Atlantic and Avoca, with branches from Bureau Junction to Peoria, Wilton Junction to Muscatine, Washington, Fairfield, Eldon, Belknap, Danville, Princeton, Trenton, Gallatin, Cameron, Leavenworth, Atchison, Topeka and Kansas City, Washington to Sigourney, Oskaloosa, and Knoxville; Keokuk to Farmington, Bonaparte, Bentonsport, Independence, Eldon, Ottumwa, Mooreville, Oskaloosa, Pella, Monroe, and Des Moines; Newton to Monroe; Des Moines to Indianola and Winterset; Atlantic to Lewis and Audubon; and Avoca to Harlan. Through Express Passenger Trains, with Pullman Palace Cars attached, are run each way daily between CHICAGO and PEORIA, KANSAS CITY, COUNCIL BLUFFS, LEAVENWORTH and ATCHISON. Through cars are also run between Milwaukee and Kansas City, via the "Milwaukee and Rock Island Short Line."

The "Great Rock Island" is magnificently equipped, its road bed is simply perfect, and its track is laid with steel rails.

What will please you most will be the pleasure of enjoying your meals, while passing over the beautiful prairies of Illinois and Iowa, in one of our magnificent Dining Cars that accompany all Through Express Trains. You get an entire meal, as good as is served in any first-class hotel, for seventy-five cents.

Appreciating the fact that a majority of the people prefer separate apartments for different purposes (and the immense passenger business of this line warrants it), we are pleased to announce that this Company runs *Pullman Palace Sleeping Cars* for sleeping purposes, and *Palace Dining Cars* for eating purposes only. One other great feature of our Palace Cars is a SMOKING SALOON where you can enjoy your "Havana" at all hours of the day.

Magnificent Iron Bridges span the Mississippi and Missouri rivers at all points crossed by this line, and transfers are avoided at Council Bluffs, Kansas City, Leavenworth, and Atchison, connections being made in Union Depots.

THE MOST SUCCESSFUL REMEDY ever discovered, as it is certain in its effects and does not blister. Also excellent for human flesh. Read proof below.

FROM

COL. L. T. FOSTER,

YOUNGSTOWN, Ohio, May 30th, 1880.

DR. B. J. KENDALL & CO., Gentlemen—I had a very valuable Hambletonian colt that I prized very highly, he had a large bone spavin on one joint and a small one on the other which made him very lame; I had him under the charge of two veterinary surgeons which failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the *Chicago Express*. I determined at once to try it, and got our druggists here to send for it, they ordered three bottles; I took them all and thought I would give it a thorough trial, I used it according to directions and the fourth day the colt ceased to be lame and the lumps have disappeared. I used but one bottle and the colt's limbs are as free from lumps and as smooth as any horse in the stable. He is entirely cured. The cure I regard remarkable that I let two of my neighbors have the remaining two bottles who are now using it. Very respectfully,

L. T. FOSTER.

Kendall's Spavin Cure

Is sure in its effects, mild in its actions as it does not blister, yet it is penetrating and powerful to reach every deep seated pain or to remove any bony growth or other enlargements, such as spavins, splints, curbs, ringbone, callous, swellings and any lameness and all enlargements of the joints or limbs, or for rheumatism in man or for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever introduced, acting mildly and yet certainly in its effects.

Send address for illustrated circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

Price $1. per bottle, or six bottles for $5. All Druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors, DR. B. J. KENDALL & CO., Enosburgh Falls, Vt.

EVENING NEWS.

Tuesday, - Feb. 6, 1883.

BY TELEGRAPH.

FROM WESTERN UNION TELEGRAPH LINE.

AMERICAN.

The Catalogue of Crime.

VICKSBURG, 4.—David White, counterfeiter, is arrested. He is wanted in Texas.

New York, 4.—Geo. Mapon, a patient in Bellevue Hospital, killed Michael Kellaher, a fellow patient, and seriously wounded Jas. Conner, attendant.

St. Louis, 5.—John C. Parker, murderer of Mike Papton, whose case was docketed for trial in the criminal court to day, shot his wife through the head about noon in the jury room of the court. He afterwards sent a bullet into his own brain. Presley N. Jones, attorney for Mary Craft, sister of Parker and Deputy Sheriff Walters were in the room at the time. It is thought Mrs. Parker furnished the weapon. She was instantly killed, and at last accounts Parker was dying.

Investigation elicited evidence that left little doubt Mrs. Parker went to her death with full knowledge and consent, and with such calmness and courage as is seldom witnessed. Her husband persuaded her to it. His sister witnessed the talk and furnished the weapon.

Beaufort, S. C., 5.—Alfred G. Thomas, editor of the *Sea Island News*, has hanged himself.

Loupe City, Neb., 5.—Chas. Waite, sheriff of Sherman county, shot and killed his mistress, Mrs. Ryan, boarding house keeper, then suicided; jealousy.

New York, 5.—For more than a year the fire department and police have been annoyed by false fire alarms. Two months ago the matter was placed in the hands of Inspector Byrnes. Yesterday his detectives succeeded in capturing nine young men whose confessions show them to be not only senders-out of false alarms, but burglars as well. The prisoners, with the exception of one, reside in this city. Their names are William McCabe, Wm H. Hughes, M. A. O'Donnell, John Conlin, Edward and Richard O'Keefe, Daniel Renny, Galvin Swift and Horatio S. Courtney, of Brooklyn; and their ages range from 17 to 26. McCabe is an expert locksmith, and fashioned keys to fit the doors of several stores where some of the conspirators were employed. Many mysterious robberies of the past year have been explained by their confessions.

Mobile, 5.—John B. Smith, merchant, at Birmingham, Ala., was killed by Wm. Donohue. They quarreled over a game of cards and agreed to fight it out with pistols.

Charleston, S. C., 4.—The safe in the jewelry establishment of Stephen Thomas & Bros., was robbed last night of $12,000 worth of diamonds, watches and jewelry.

New Haven, 5.—The Original Jubilee singers, of Norfolk, Va., were arrested on Sunday evening for singing in violation of the statute law of 1786, which prohibits concerts, theatrical entertainments, etc., on the Sabbath, under penalty of not less than $25. Each person in the audience is liable to a fine of $4.

New York, 4.—The body of John Kenny, convicted of suicide, was refused admittance to the consecrated ground of the Catholic cemetery. A great crowd was present when the body was borne from the house to the hearse.

Santa Fe, 4. — James Conway came to Mexico a year ago and located at Wallace, and at the last election was elected Justice of the Peace. As such he was in with all of the bunko men and gamblers. On Monday last Joseph S. Sands appeared in Santa Fe with a requisition for Conway, whose real name is Hale, and he is wanted in Sherman, Lucian County, Iowa, for forgery to the amount of $60,000. Governor Sheldon issued a warrant of arrest. Detectives arrested Hale at Silver City. The party are now on the road to Iowa.

FOREIGN.

The Secret Order in Ireland.

DUBLIN, 5.—Investigation of the murder and conspiracy charges was resumed. The court was crowded. Lords and high officials were present, showing a careful discrimination in the issuance of tickets of admission. Michael Kavanaugh, the car man, has a low, retreating forehead, and sinister appearance; looks anxious and nervous. The little girl witness, Ellen Brophy, identified Kavanaugh as the driver of the car containing the men who intended to assassinate Field. Joseph Brady and Timothy Kelly were also arraigned, in connection with the attempt to murder Field. After the hearing of the evidence against the prisoners, the two Careys, the two Mulletts, Whelan, Brady, Kelley, and Kavanaugh, charged with the murder of Lord Fred'k Cavendish and Burke, were arraigned. The identification of Kavanaugh by Ellen Brophy was particularly complete. She says she spoke to him and asked him who he was waiting for. She saw him when going on messages three times in half an hour. Immediately after her return the third time, she heard cries of murder, and immediately ran to the door. By this time there were two men besides the driver on the car, the third man just mounting; she was only able to identify Kavanaugh. She was severely cross-examined, but never faltered. When Kavanaugh was identified he blushed and smiled uneasily. Brady when he entered the prisoner's dock had a swaggering manner; Kelly was pale, but defiant looking: Jas. Mullett laughed when the charge concerning the Phœnix Park murder was read, but none of his companions joined him.

Over one hundred persons suspected of connection with secret organizations have fled the city. It is believed they have not succeeded in quitting the Kingdom. The police have ten more warrants to execute, and search is being made in London, Birmingham and Manchester for persons against whom they had been issued. Three informers will be produced to-morrow or Saturday next if the inquiry be adjourned to that day who will give further details concerning the existence of murderous organizations.

One prisoner examined Saturday offers to become informer. Over fifty persons connected with the conspiracy to murder Government officers have gone to America.

British Briefs.

LONDON, 5.—The London & Southwestern Railway Company's steamer *Hilda*, running between the Island of Jersey and Southampton, ran into and sank a French ship; name unknown. A boat containing two officials and three seamen was launched from the *Hilda* to attempt to rescue the French crew.

Sir Wm. Vernon Harcourt, Home Secretary, now visiting Richmond, Yorkshire, is the subject of extraordinary precaution, it is presumed because of fears of attacks on him by Fenians.

Gladstone has received a threatening letter announcing that arrangements have been made to murder him if he returns to London. No importance is attached to the threat.

It is stated that influential people in Tasmania are prepared to offer England the protectorate of Madagascar.

It is feared the French will bombard Tamatave.

Alexandria, 5.—Four persons convicted of murder at the time of the riot at Tantah, are hanged.

Bombay, 5.—An armed band of Bheels plundered Nanpur. The Bheels are also rising in revolt at Chakata. Boira, in All Raypoor, is threatened. A political agent from Bhopanar arrived at Boira, to which detachment the Malwa and Bheel corps and Central India corps have been ordered. A detachment of troops left Mhow for Sirdarpur and another detachment is ordered to be in readiness.

General Items.

Madrid, Spain, 5. — Renewed shocks of earthquake were felt in Murcia.

The railway depot at Manzanares is burned.

Revenue receipts for January, increase, $2,10,0000 over January last year.

Agram, Hungary, 5.—A severe shock of earthquake was experienced here last evening.

Copenhagen, 5.—It is understood Denmark is preparing a circular addressed to the powers, complaining of the proceeding of Prussia in Schleswig-Holstein as a breach of treaties and international law.

Berlin, 5.—The Emperor William is well enough to resume out-door exercise.

Bismarck's pains are less acute, but he is still confined to bed.

St. Petersburg, 5.—The "Annals of the Fatherland," published by the proprietor of the *Golos*, has received a second warning for dwelling too much on the dark side of Russia's position.

A solemn warning printed on fine vellum reached the Czar and Cabinet, claiming universal suffrage, the right of the people to own land, freedom of conscience, of the press, meetings, etc. If these demands are not granted before the coronation of the Czar, the revolutionary committee send warning that violence is threatened.

The Emperor was present at a conference of the Austrian and Hungarian Cabinet on the construction of a strategical railroad from Husath, at the junction of the Theiss with Nagy, at Agra, Hungary, to Dolina, Galicia.

health and avoid sickness. Instead of feeling tired and worn out, instead of aches and pains, wouldn't you rather feel fresh and strong?

You can continue feeling miserable and good for nothing, and no one but yourself can find fault, but if you are tired of that kind of life, you can change it if you choose.

How? By getting one bottle of BROWN'S IRON BITTERS, and taking it regularly according to directions.

Mansfield, Ohio, Nov. 26, 1881.

Gentlemen:—I have suffered with pain in my side and back, and great soreness on my breast, with shooting pains all through my body, attended with great weakness, depression of spirits, and loss of appetite. I have taken several different medicines, and was treated by prominent physicians for my liver, kidneys, and spleen, but I got no relief. I thought I would try Brown's Iron Bitters; I have now taken one bottle and a half and am about well—pain in side and back all gone—soreness all out of my breast, and I have a good appetite, and am gaining in strength and flesh. It can justly be called the *king of medicines*.

JOHN K. ALLENDER.

BROWN'S IRON BITTERS is composed of Iron in soluble form; Cinchona the great tonic, together with other standard remedies, making a remarkable non-alcoholic tonic, which will cure Dyspepsia, Indigestion, Malaria, Weakness, and relieve all Lung and Kidney diseases.
