DESERET EVENING NEWS.

Thursday, - - - September 24, 1868

LOCAL AND OTHER MATTERS.

CORRESPONDENTS writing for publication are requested to write on one side of the paper only.

No notice can be taken of anonymous communications. Correspondents' names must in every instance accompany their communications, not necessarily for publication, but as a guarantee of reliability.

THEATRICAL.—In the "Golden Farmer," admirers of the exciting will find much to gratify them, while the humor in the piece cannot fail to make mirth sufficient. The play has good dramatic situations, and the incidents are well calculated to excite interest and keep it alive to the end. The distribution of characters is good. In "Milky White" Mr. Beauchamp will make his first appearance. The gruff eccentricities of the deaf milk-man, his fondness for litigation, his love for his daughter, the anguish which he feels when he thinks that daughter is ungrateful caused by a misunderstanding consequent upon the first words he hears after the operation performed by Good, his subsequent bearishness, and the happy finale, make a most amusing and interesting performance of this little two-act drama.

The entertainment is good throughout. Fill the house, and do not forget the change in time.

PRESIDENT YOUNG'S MOVEMENTS.—We have been favored with the following by Deseret Telegraph Line.

Salt Lake City, 24.—The President left Fort Ephraim this morning at 9 o'clock, and arrived at Manti at 10. A meeting was held in Manti this morning. The company goes to Gunnison to-night.

POLICE.—Charles Anderson was arrested today, charged with twice selling a load of hay, once receiving part payment, and the other time receiving full payment. He was fined $10, and the part payment was refunded.

Mike Anderson was again arrested last night for being drunk, and this morning his Honor "talked to him," hinting strongly at the decoration of the ball and chain, as Mike is not burthened with greenbacks. Affected by his Honor's remarks, he struck out for the north, determined to "go somewhere and earn something."

TRAIN IN.—Captain Mumford's mule train, of twenty-eight wagons, got in to-day before three o'clock. He brought 250 passengers. There were five deaths of adults by the way and two infants, twins. Two persons were left at Green river, being so sick that it was not deemed wise to bring them further. The passengers who have arrived look healthy and lively.

ACCIDENTAL DEATH.—We have received the following telegram, by Deseret Telegraph Line, through the courtesy of the Operator here:

St. George, Sept. 24.—Last night a son of Ben. Johnson, aged ten years, had his head caught between the swoop and an upright post of a molasses mill, and was killed instantly.

LARGE.—Bro. John Reading brought us, this afternoon, a few leaves of the white mulberry, one of which measured eleven inches in length by eight inches in width. Silk worms could find something to eat at in leaves of such size. He obtained them so large by judicious pruning. The trees from which they were taken have not been irrigated this season.

OMAHA MARKET AND PRICE CURRENT.—We are again indebted to Henry S. Jackson & Co., wholesale grocers, Omaha, for a price current. Our correspondents say "You will notice many changes since last report. The Fall trade has commenced in earnest, and though goods are high, the demand is large. In provisions the market rules firm. Butter is in good supply. Sugars are very much lower and bid fair to remain so, as the demand from fruit packers is very limited owing to scarcity of fruits. Coffee and all 'gold goods' are lower, owing to the decline in gold."

Refined sugars: Crushed, powdered and granulated, 17¾c; coffee A, 16½c; coffee B 16c; extra C, 15¾; Porto Rico, 15½; Cuba, 15 syrups: extra drips, [kegs] $1,30; New York syrup, 1,10; amber, 1,50; Cuba molasses, 70c. Coffees: O.G., Java, 30c; Costa Rica, 32; Rio, choice, 29; medium, 25; common, 23½ to 24. Teas: gunpowder, choice, $1,80 to 1,65 to 1,70; medium, 1,40 to 1,50; imperial, choice, 1,50 to 1,70; medium, 1,25 to 1,45; Young Hyson, choice, 1,25 to 1,75; medium, 1,10 to 1,25; Oolong, 1,15 to 1,35; Japans, 1,05 to 1,30. Assorted groceries: rice, Rangoon, per lb, 11¾c; Louisiana, 12; Carolina 12½; Saleratus, Babbitt's best, 11c; Babbitt's pure, 10½; De Land's best, 11; Soda, (Durkee) 9; Starch, pearl, per lb, 8½c; silver gloss, 12; corn, 12. Canned goods: peaches, 2 lbs, 2 doz., per case, $9,00; pine apple, 8,75; blackberries, 5,60; strawberries, 7,50; tomatoes, 5,50; corn, 6,00; string beans, 6,00; green peas, 6,00; lobster, 6,25, oysters, (Field's) 6,50. Dried fruits: blackberries, 29c; peaches, 16; apples, 15; cherries, 20; prunes, 18; currants, 16. Provisions; mess pork, per bbl., $34,00; mess beef, 25,00; sugar-cured hams, per lb., 22c; dried beef, 25; bacon, 22; shoulders, 19; lard, choice, 23; butter, 35. Fish: cod fish, per lb., 9½c; mackerel, No. 1 half bbls, $12,50; No. 1 kits, 3,00; family half bbls, 9,50; family kits; 2,25; white fish, half bbls, 9,00; kits, 2,00; herrings, scld., per box 60c.

RECIPROCATING.—We received a communication yesterday, signed by G. P. Carr, in which he says that the workmen employed on the grading contract of E. R. Young & Sons, in Echo Cañon, have been highly gratified at the manner in which they had been treated by their employers. They have finished the work after three months labor; and have returned to the city. The work was done in good style, though several disadvantages had to be contended with; and the communication received implies that the warmest feelings existed between employer and employed. To give a fitting finale to the engagement Messrs. Young treated their men with their families to the Theatre on Tuesday evening, on the occasion of Mr. Margetts' Benefit.

FROM FILLMORE.—We had a call to-day, from Bro. R. A. McBride, of Fillmore, who reports peace and quietness prevailing there. The crops were good in the southern part of Millard County; but in the northern part of the county they were very light, though the cane and potato yield is good all through. There is an abundance of fruit, the grasshoppers not having injured it as in many other places, though they did much damage to various crops. The insects left that region in a westerly direction, flying towards the desert, before they commenced depositing their eggs.

PERSONAL.—A. A Needham, Esq., brother to our respected citizen, John Needham, Esq., arrived by stage this morning from the east, being the first time he has ever visited this city. Mr. Needham is a musician of great proficiency, and as a teacher of music has had large experience. In St. Louis, where he has resided for years, his abilities as a musical teacher are acknowledged by the most competent critics. Considering the great love for music which our people manifest, there is room for, and need of, such a proficient as Mr. Needham; and if he turns his attention here to his profession he will find no lack of pupils.

RE-OPENED.—The growing want of accomodation for travelers in our city has been the topic of conversation in places for some time, a want which the re-opening of the Reverie House will obviate. This large hotel has been opened by Dewey & Bailey, who are well calculated to cater for the public and secure extensive patronage. Mr. Bailey is an old hand at the business; and few men in the west are better able to give satisfaction in his line than Mr Dewey, as all who know "Frank" can testify. The hotel is well situated and will command a large share of patronage.

ARRIVALS AND DEPARTURES BY STAGE.

From the East.—G. Burdell and wife, J. L. Stapleton and lady, Robert Stapleton, A. A. Needham and child, J. W. Smith, D. B. Ball, Mrs. W. C. Barratt, Stephen Train, W. M. Burdick, Wm. Hall.

From the West.—O. D. Lambaird, J. C. Hester T. D. Pitt.

To the East.—C. R. Barratt, J. C. Hester.

CHARTER OAK COOKING STOVES

Are a Home Institution!

Made for and specially adapted to the wants of Western people.

They combine great weight, distributed to the best advantage, with beauty of design and perfection of manufacture.

Charter Oak Cooking Stoves were first introduced to the public in the year 1852, and at once took the lead, and have ever since grown in favor, until there are now a

GREATER NUMBER SOLD DAILY than any Stove in the market. Over

ONE HUNDRED THOUSAND

are in daily use, and we offer every stove as reference, wherever it may be found. When our new patterns were made, all recent improvements were united, and we confidently offer the
