THE "NEWS" DURING FAIR AND CONFERENCE WEEK.

All indications point to an immense attendance at the coming Conference and State Fair, the first week in October. ADVERTISERS DESIRING TO REACH THE PEOPLE IN THEIR HOMES can do so effectively by using the Semi-Weekly News (printed Mondays and Thursdays) before the Conference season. As all subscribers of the Semi-Weekly News who visit the city eccive the DAILY FREE during their stay, that paper will be an unexcelled tion since January 1st., 4.20 inches.

Local forecast for Salt Lake City and advertising medium during Fair and Conference week.

WRIT IS DENIED.

Judge Norrell Denies Harry J. Roberts

His Freedom. Judge Norrell yesterday denied a writ of habeas corpus in the case of Harry J. Roberts, sentenced to the county jail for thirty days and to pay a fine of \$100 for battery. His attorney, Daniel Harrington, Esq., claimed there was no authority under the twice for holding a defendant in juli Vorrell, however, held otherwise and ofused to grant the writ.

It is posisble that the case will be appealed to the State Supreme court.

BROKE HIS LEFT LEG.

Photographer Alseen Meets With a Bad Accident in a Wheel Collision.

Alfred Alseen, the photographer,

whose place of business is in the Galena block, met with an accident while on his way to work this morning, which will be likely to lay him up for some time to come, Mr. Alseen was on his wheel going east on Second South street, and when in front of the Commercial block The comme he collided with another bicyclist, whose name could not be larned, coming from the opposite direction. Photographer Alseen took a header and fell with great violence on the hard stone pavement, sustaining a fracture of the left leg just below the knee cap. The unfortunate man was conveyed to the Keogh-Hosmer hospital, and at last accounts was resting as easily as could be expected. Dutside of a severe shaking up the other

Favorite.

The soothing and healing properties of this remedy, its pleasant taste and prompt and permanent cures have made it a great favorite with people everywhere. It is especially prized by ways affords quick relief, and as it contains no oplum or other harmful drug, it may be given as confidently to a baby as to an adult.

Round trip to Ogden building on Friday, Sept. 7, at 9 o'clock at 9 o'clock | for his sp GEO. A. EATON, Principal of High School.

OPENING WEEK GOOD NEWS COMES OF B. Y. ACADEMY FROM LOS ANGELES

Re-assembling of Students After Road to be Built from Salt Lake Summer Vacation.

Return of One of the Members of the

South American Expedition

to Provos

Sowers, chrubbery and Groves. Every

tree and plant represents the contribu-

tion of a stylent about five years ago,

ind the beauty of the gift is beginning

now to be fully manifested. It is not

an unusual thing to see an old-time

student leading a group of his friends to

a particular spot and pointing out his

own particular tree with exclamations

of, "How it has grown!" since the day

But it is not alone the outside that

has been conbellished. As students en-

ter, they utter exclamations of delight.

The assembly half and all the recita-

tion rooms have been calcimined in

various tints pleasing to the eye. The

wood-work has been repainted, the

floors oiled, and every sign of wear and

tear obliterated. This work has been

going on during the entire vacation un-

der the supervision of Prof. Higgs. The

academy still needs improvements in

certain fittings and equipments, but in view of what has been done this sum-

mer, the students will not readily real-

have failed in the southern part of the State, and that there is a general de-

pression emerg farmers on account of the drougth, it seemed rather

could not point to any reason justifying the hope other than this: That they

their sacrifice and reward them for it.

VERY LARGE ATTENDANCE. C. O. WHITTEMORE RETURNS

Brings Back With Him Assuring Word that Clark's Project is

No Road on Paper. United States Attorney Whittemore and the attorney of the company which Provo, Sept. 6.-The Brigham Young Academy grounds are among the most will soon be formed to build the longtalked-of railroad from Los Angeles to artistic examples of landscape gardenthis city, returned from his trip to the ing in Provacity. During the summer coast last night, Mr. Whittemore brings no carriage drive has been considered with him the assurance that the longcomplete that did not bring the visitor talked-of line will be constructed withto these beautiful, well-kept lawns,

in two years. Mr. Whittemore said that the only uestion yet unsettled was that of the ranchise and depot privileges the comthese are granted this city will be made the terminal of the road. The only onditions which the projectors of the 000 of bonds by the people of Los Angeles, and a proper entrance into Salt Lake, such as will give the road an equal chance with other roads centering here. o these conditions the people of Los ngeles have already provided a means complying, and Mr. Whittemore says that no one doubts but that this city, in view of the immense benefits which will acrue from the building of the line, will be ready and willing to carry out its portion. Mr. Whittemore reliterates the important statement that the line will be absolutely an indethe line will be absolutely an inde pendent one, operated solely in the interests of the two terminal cities and the country through which it passes. As to the choice of route he says nothing has as yet been settled further than that the road will run from Los Angeles to San Bernardino and thence on to Utah, taking one of the three routes

hose already constructed, in the trans-Mr. J. Ross Clark and Mr. T. E. Gibon who are representing the promoters of the road, will be in the city the mid-ile of the present month on their way o New York to confer with ex-Senator V. A. Clark, and Mr. Whittemore says that between now and the time of the arrival he will work to be able to place in their hands assurances that the re will be granted.

which is open to it. All of which are practical, and on which a road can be

allt that will be able to compete with

COMING TO SALT LAKE. Revival of the Old-time Burlington

Story in Regard to Building. The Denver Republican prints the llowing dispatch from Guernsey,

A Sheridan, the railroad contractor, left here last week for Taluca, Mont. where he has taken a contract on the Taluca-Cody line of the Burlington. Before leaving here he stated to an inti-mate friend that he expected to return to Guernsey in a few months, and not later than next April, and take a contract on the extension of the Guernsey s been voiced by some of ers, namely, that there accomodations this year

This remark, coming from one of the Burlington's leading contractors, indi-cates plainly that the company does not intend to stop here, but will push on to Utah, and possibly to the Pacific is desired. coast, at an early day. Reports have been current at different times that the curlington would build a line across southern Wyoming to Utah, but each time the officials of the road have emphatically denied the stories.
"It is a fact, however, that the grade

from Alliance to this place has not only been well made, but it has been constructed with a view of making fast ime, as all curves and heavy grades have been eliminated. In places where very cheapiy by running around a ledge of rocks or hill, the company has bushed the road right straight through. Then again the roadbed has been made wide enough for a double track, and the steel laid has been of the heavlest kind "The station grounds, yards, round houses, turntables, depot, freight-houses, etc., at this point have been made large enough to handle fifty times the amount of business to be procured at this point, and everything indicates that Guernsey is to be an important division point on the Burlington's transcontinental line."

ASLEEP AT HIS POST. Old Engineer on C. B. & Q. Has a

Thrilling Experience. A special to the Chicago Chronicle from Quincy, Ill., today, and sent out by the Associated Press this morning. SHYS!

A wild engine endangered scores of lives on the passenger trains, and A. J. Arnold, an old engineer on the Chicago. Surlington & Quincy railroad had a hrilling experience. Shortly after mid-night Arnold, who has been pulling one the fast trains on the road. down to the station to meet her on he arrival. The engine was running slow and on reaching the station Smith jumped off and entered the de oot, supposing the locomotive a standstill and walt for the station he was horrified to see the er gine tearing over the viaduct toward Missouri. The terrified fireman kney that something was wrong and has tened to the train dispatcher's office and gave the alarm. A message was sent to the operator at Moody, seve miles from Quincy notifying him that there was an engine "running wild and requesting him to turn it on the Louis passenger train northbound, which was then due there. The Moody operator obeyed instruc-tions, barely having time to catch the St. Louis train, which was switched out

of harm's way. In a few minutes th runaway engine could be seen comin slowly up the grade, and it "died" of its own efforts in sight of Moody sta tion. Conductor Oglesby, of the S Louis train, climbed into the cab ar and Arnold sitting on the seat ab fast asleep with his head out of the nd terrified when he realized what had

The Chicago train from Kansas Cit is also due at Moody right after Louis train and but for the lack steam and the prompt word sent Mood station, one or both trains might hav been wrecked and many lives lost.

Two Trains for Logan. The new Short Line time table wer n effect last night at 12 o'clock. ollowing change will be noted I

ache valley train service: The Ca alley and eastern train leaves at a. m., but Cache valley connection walso be made at Cache Junction witrain leaving here at 9:45 a. m. SPIKE AND BAIL.

The trans-Missouri reight ureau will hold their June, August and Septembe meetings at Denver in the future. Thomas Kearns returned this after-

soon from California. While at Los Angeles Mr. Kearns subscribed for a block of stock in the new Los Angeles and Salt Lake railroad.

Vice President and General Manager Dodge, Gen. Supt. Welby and Chief Western, start for Marysvale tonight. Passenger Traffic Manager McCor-mick, of the Southern Pacific, came in today from Glenwood and left for the West with Mrs. McCormick and party who spent yesterday in the city.

THE COUNTY'S FINANCES.

State school fund Total Less State witness and juror .\$24,732 18

LOWER COURT AFFIRMED. The Supreme court has handed down in opinion in the case of R. J. Burraston, appellant, vs the First National bank of Nephi, affirming the judgment of the trial court.

The action was brought to recover \$11,768.53 which plaintiff claimed the bank owed him. The defendant on the other hand, however, claimed that the plaintiff had drawn out all his money. The lower court found for the defendant and the Supreme court, by District Judge McCarty, who wrote the pinion, and Justices Bartch and Baskin now affirm that decision.

----Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civil ized world. Your mothers' and grandmothers' never thought of anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Ap-pendicitis, Nervous Prostration or Heart fallure, etc. They used August Flower to clean out the system and gulate the action of the liver, stim ite the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with For sale at A. C. Smith's drug
