Biggest Volume of Business Yet Handled in Splendid Shape.

Postmaster Thomas and his cohorts are wearing relief looks today over the successful completion of the most arduous holiday season in the local history of the department. When the employes reported for work this morning there was a clean slate confronting them. They fell back into the regular routine like clockwork and everything is going

"There was more business done through the postoffice during the ten days preceding Christmas than at any other similar time in the history of the local office," said Governor Thomas this morning. "We have pulled it through without a hitch, with little delay, and with a minimum of complaints. Every man and woman connected with the de-partment have put their shoulders to the wheel valiantly and the results have been of a past grand character. I have all of them to thank for their faithful work."

Jacob Schrall, 432 South St., Dan-ville, Ill., writes: "Four over eighteen months I was a sufferer from kidney and bladder trouble. During the whole time was treated by several doctors and tried several different kidney pills. Seven weeks ago I commenced taking Foley's Kidney Pills, and I am feeling better every day and will be glad to tell anyone interested just what Foley's Kidney Pills did for me." Idaho and Montana Governors Respond to Convention Invitation

Responses have been received by Gov. William Spry from Gov. B. B. Brooks of Wyoming and Gov. B. B. Brooks of Wyoming and Gov. James H. Brady of Idaho to the invita-tions sent them to appoint delegates and attend the Good Roads convention which will be held at Armory hall on Jan. 26, 37 and 25, 1910. Gov. Brooks said that he would probably be able to attend the convention and would name 40 delegates who could attend. Gov. Brady is going to Washington, D. C., to attend the governors' convention in January and will make an effort to re-turn in time to attend the convention. He will send his list of delegates in the near future. In his letter he comment-ed on the good road laws which had been passed by the Tdaho legislature and believed that great benefits would result from the measures.

Mrs. S. Joyce, Claremont, N. H., writes: "About a year ago I bought two bottles of Foley's Kidney Remedy... It cured me of a severe case of kid-ney trouble of several years standing. It certainly is a grand, good medicine, and I heartily recommend it." Schramm-Johnson Drug Co., Salt Lake City.
