PRICE OF GOLD.

Corrected Daily by BANK OF DESERET.

SALT LAKE CITY, May 6, 1872.

Buying at $1.12; selling at $1.13.

LOCAL AND OTHER MATTERS.

SABBATH MEETINGS.—The speaker yesterday morning was Elder Joseph F. Smith; in the afternoon Elders W. Woodruff and Isaac Groo addressed the congregation.

RETURN AND OBLIGE. The persons who have borrowed two volumes of the "American Encyclopedia" from this office will oblige by returning them immediately.

STREET RAILROAD.—The laying of the track for the street railroad will commence to-morrow morning. A short temporary track was put down to day inside and a short distance east of the depot yard for the purpose of running the iron to the terminus of the line.

THEATRE.—Mr. and Mrs. Bates appeared in "Frou Frou" on Saturday evening. The play was very well presented to a large house.

On Wednesday evening the Theatre will be open again. It appears to us a very sensible policy in the Management in having the house open only once or twice a week, except when some more than ordinary attraction is offered. It is acknowledged even to triteness that all work and no play conduces to dullness if not to stolidity, and on the other hand it is well known that all play and no work is dissipation. The golden rule is neither abstinence nor excess of indulgence, but temperance both in work and in play.

GEORGE MOSIER.—Information is wanted concerning a gentleman of that name by his brother, Daniel Mosier. The latter informs us that he has had no tidings of his brother for twenty-four years; that period having elapsed since he removed from Missouri to Iowa, leaving his brother George behind. A report had reached him, however, that, about four or five years since, George had come out to the Rocky Mountains and become identified with the Latter-day Saints. Daniel is now in Utah, and is anxious to see his brother or hear from him. His address is Daniel Mosier, Ophir City, Tooele Co., Utah.

BOYS.—Fanny Fern says of boys—

"Had I the planning of them, every mother's son should be in a state of torpor like that of the claw-sucking bears in winter, at the mischievous, careless, unlovable period between the donning of the first short jacket and donning the first long-tailed coat."

Now has it Fanny had something to do with the planning of some boys? If not, either she has not lived properly up to her privileges, or she has been slightly unfortunate in her endeavors to do so.

RETURNED FROM UINTAH.—Mr. Daniel W. Jones returned from his trip to the Uintah Indian reservation on Saturday night. He came on ahead of his outfit, which he left on the divide in good hands. It is expected to arrive here in four or five days. The Indians are still peaceably disposed.

CONSOLIDATED.—We understand that Messrs. McEwan and Thompson, of the Utah Job office, and Mr. John C. Graham, of the *Footlights*, have amalgamated the two establishments. The firm name is now changed to McEwan, Thompson & Graham. The office will be on First South street, in Mr. Graham's new building on the corner opposite the Theatre south, to which the establishment will shortly remove.

MAY PARTY AT SPRINGVILLE.—Brother C. D. Evans writes that the Sabbath school children and a large number of the bigger folks had a gay time at Springville on May day. There was a procession, with music, banners, &c. The pathway of the children was strewn with flowers at different points. After a variety of ceremonies and exercises, including the coronation of the May queen, the whole party partook of a splendid repast, the affair concluding with dancing and sportive games.

GOING EAST.—An excellent opportunity now presents itself to Sunday School committees, and other parties desirous of forming libraries, as Mr. James Dwyer, bookseller and stationer of this city, intends starting east in a few days, and will visit New York, Boston and Philadelphia, for the purpose of making extensive purchases of books. Mr. Dwyer has had considerable experience in the business, and has already purchased several libraries for this Territory, and he has furnished them at less than publishers' wholesale prices. He will receive orders for thirty days from this date. See his advertisement in WEEKLY NEWS, and take advantage of the opportunity now offered.

ANOTHER EXTENSIVE CONFLAGRATION AT PIOCHE.—The following Des. Tel. dispatch was received last evening—

Pioche, Nev., May 5th.—A portion of Pioche is again in flames and ashes. The fire broke out at 3.30 p.m. to-day, near the head of Main Street, and spread with frightful rapidity. The alarm was given instantly and every one who was capable of doing anything whatever, was on the ground in hot haste. The Hose Fire Company was powerless to do anything, as their building and apparatus were among the first to be destroyed. There was no available water except what was on hand in the various houses throughout town, and this was very limited and to be ineffectual. To add to the misfortune, a strong breeze was blowing in the direction of the lower part of the street. For a time it seemed as though the whole town would inevitably be sacrificed to the devouring element. At last, after the flames had been raging nearly one hour, they were overcome by the tearing down of a building in the path of the flames, and spreading blankets saturated with water on the roofs. The scene of the disaster is terrible. The Grand Hotel, the Silver Park House and many other prominent business houses have been burned. The loss is not less than $50,000, and it may reach $100,000. The origin of the fire is not yet known.

A GOOD PLACE.—Brother James Farmer writes from Monroe settlement, Sevier Co., May 1st, that much plowing and sowing is being done there. There is neither profanity nor drunkenness in that locality, and the people are all engaged in minding their own business. There is still a large quantity of good land that could be brought under cultivation, upon which good people are invited to settle. A large irrigating canal is in course of construction, which will take in a wide area of country.

UTTERLY UNRELIABLE.—The following expression, made by Hon. Mr. Sargent, of California, in the House of Representatives, April 27th, as reported in the *Congressional Globe*, serves to show the estimation in which certain dispatches from Salt Lake are held in Congress—

"Now, I wish to say with reference to the press dispatches from San Francisco, which I hold in my hands, that they are utterly unreliable. It could not reasonably be expected under the circumstances, well known to myself, and in view of the authorship of those dispatches, and their animus, that they would be any more reliable upon this question than would be a dispatch from Salt Lake on the Mormon question."

RETURNED.—Elder J. M. Ballinger, of Pleasant Grove, arrived this morning, on his return from his mission East. He labored in the State of Iowa, where he was universally well treated and had taken advantage of many opportunities of conversing upon the principles of truth. Five persons, four of them in the church, came with him on his return.

FLOODED.—We learn that a portion of the Fifth Ward has been inundated by the overflowing of the mountain streams, whose volume has been greatly increased by melting snows. Fortunately but little damage has been done to property by the flood.

SAM GILLSON ARRESTED.—Sam Gillson, ex-bailiff of the late illegal grand jury, was arrested this morning on the strength of an affidavit made on Saturday by one John Thomas, who states that Gillson compelled him, by threatening to kill him, &c., to sign an affidavit for the purpose of charging the commission of crimes upon certain parties. After his arrest Gillson was taken before Justice Samuel W. Richards, who bound him over in $500 bonds, to appear for examination at the City Hall to-morrow at 10 a. m. The affidavit made on Saturday was attested by J. W. Stainsbourn, Notary Public, of this City.

REDIVIVUS.—Many of our readers will probably remember the publication in the NEWS of a letter, nearly two years since, sent to Marshal McAllister of this city, purporting to give an account of the death by violence, of Mr. Charles H. Force, formerly connected with the Theatre in this city. We take pleasure in stating that the information in the letter referred to was incorrect, and that Mr. Force at the present time, as we learn by a letter received from him this morning, is in the enjoyment of good health, and is residing at Virginia City, Nevada.

FIRE AT PIOCHE.—The following comes per Des. Tel. line—

PIOCHE, 6.—The telegraph office last evening was abandoned during the fire. The instruments, etc., were removed. the operator using a pocket instrument for business purposes.

THERE ARE messages remaining at the Deseret Telegraph office for George Donald, E. N. Farber, Mr. Mansfield, Dr. J. F. Byron and L. H. Hopkins.

EDUCATIONAL.—A dispatch from Eureka, received to-day, says:

"At a meeting held by the citizens of Eureka precinct, for the purpose of raising funds to build a school house, Mr. James Robbins was elected president. The requisite amount of money for said house was subscribed and collected for the purchase of material, and a building committee was appointed."

Special Notices.

NOTICE.—All parties having claims against F. J. P. Pascoe for Lime will please present them on or before the 11th of May, 1872, for persons withholding their claims after the above date will be considered to do so to suit their own convenience, and will therefore be charged the price of lime at the time of giving said orders, due bills, or making said contracts.
