SIMMONS LIVER REGULATOR

TORPID LIVER

Is known by these marked peculiarities:

1. A feeling of weariness and pain in the limbs.
2. Bad breath, bad taste in the mouth, and a furred tongue.
3. Constipation, with occasional attacks of diarrhœa.
4. Headache in the front of the head; nausea, dizziness, and yellowness of skin.
5. Heartburn, loss of appetite.
6. Distention of the stomach and bowels by wind.
7. Depression of spirits, and great melancholy, with lassitude and a disposition to leave everything for tomorrow.

A natural flow of Bile from the Liver is essential for good health. When this is obstructed it results in

BILIOUSNESS,

which, if neglected, soon leads to serious diseases. Simmons Liver Regulator exerts a most felicitous influence over every kind of biliousness. It restores the Liver to proper working order, regulates the secretion of bile and puts the digestive organs in such condition that they can do their best work. After taking this medicine no one will say, "I am bilious."

"I have been subject to severe spells of Congestion of the Liver, and have been in the habit of taking from 15 to 20 grains of calomel which generally laid me up for three or four days. Lately I have been taking Simmons Liver Regulator, which gave me relief without any interruption to business." —*J. Bugg, Middleport, Ohio.*

$1 000 REWARD for any medicine in the world that will cure as bad a case of Itching, Ulcerated and Bleeding Piles as will one fifty-cent box of Dr. Benall's Magic Balm of Healing Ointment. It acts as a soothing lubricator, absorbs the tumors and allays the intense itching at once as nothing else will. No pile cure ever acquired so large a sale in so short a time. Sold at every drug store, or sent by mail. Address Zion's Co-operative Mercantile Institution, Salt Lake City, or Cleveland, Ohio, January 31, 1888. Send me five gross Emil's Magic Balm soon as possible. This will make nearly one hundred and fifty dozen I have bought since July 15, 1884. I now sell more of your Balm, or Ointment, at retail over my counter than of all other balms and ointments combined. It sells better than any medicine I have in my store.—S. P. Churchill, 30 Euclid Avenue. d2w (1)

TO THE AFFLICTED.

DR. ISAAC HARDY & CO.'S CATARRH Remedy will cure Pains in the Head, Fits, Dizziness and Ringing, Buzzing Sounds and Roaring Noises in the Ears, Ulcerated Sore Eyes, Dry, Hacking Coughs, Asthma, Bronchitis and all Bronchial Diseases, and even pronounced Consumption. If taken in conjunction with Tonic Bitters and English Remedy it will remove all Coughing in Consumptive persons in two weeks and will change it in one week. If the patient cannot lie down in bed it will accomplish the result.

Tonic Bitters should be taken internally with Catarrh Remedy; they will remove all poisonous mucous from all parts of the body and cleanse the blood from all corruption in the circulation; will remove all Gravel from the Reins and Kidneys, tending to Ulceration and symptoms of Bright's Disease.

TELEGRAPHIC NEWS.

Tenders His Resignation.

WASHINGTON, April 23.—Secretary Vilas states that Indian Commissioner Gregory has tendered his resignation. All the witnesses including Gregory were discharged this morning.

The Queen En Route to Berlin.

LONDON, April 23.—Queen Victoria arrived at Innspruck today on her way from Florence to Berlin. Emperor Francis Joseph met her majesty at the station. The greeting between the two sovereigns was cordial. In deference to the wishes of her majesty, the authorities will give no official reception upon her arrival at Charlottenburg tomorrow.

INNSPRUCK, April 23.—Queen Victoria resumed her journey at 3:15 p.m. The parting between her majesty and Emperor Francis Joseph was cordial.

Free Trade with Canada.

OTTOWA, April 23.—In the House of Commons tonight Sir Charles Tupper gave notice of the following resolutions, which he will move in committee on ways and means:

Resolved, That the Governor-General in Council may by proclamation, whenever it appears to his satisfaction to be desirable in the public interest so to do, either to reduce or remove entirely or in part the export duties provided for in section six of the act respecting the duties of customs by Schedule "E" thereof, or by any act in amendment thereof.

The foregoing refers to export duties on logs, and is designed to secure for Canada the advantages of free lumber into the United States in the event of the Mills tariff bill becoming a law. The second resolution reads:

Resolved, That section nine of said act be repealed and the following substituted therefor: "Any or all of the following things, animals or all kinds, hay, straw, vegetables, (including potatoes and other roots), salt, peas, beans, barley, malt, rye, oats, buckwheat, flour of rye, oatmeal, flour, butter, cheese, fish of all kinds, fish oil, products of the same, and of all other creatures living in the water, fresh meats, poultry, stone or marble in its crude or unwrought state, lime, gypsum, hewn or wrought burrstone or grindstones and timber and lumber of all kinds, manufactured in whole or in part, including shingles, clapboards and wood pulp, may be imported into Canada free of duty or at a less rate of duty than is provided in any act then in force upon proclamation by the Governor General, which may be issued whenever it appears to his satisfaction that similar articles from Canada may be imported into the United States free of duty, or at a rate not exceeding that payable on the same articles shipped from Canada.

A careful scrutiny has been made of Canada's statutory offer of reciprocity in natural products, and the foregoing is proposed to be enacted in lieu of the existing offer. The amended clause eliminates all such articles in respect of which Canada would be discriminated against in event of the United States placing them on the free list. Among the articles so eliminated are wheat, flour and lard.

The National Game.

CHICAGO, April 23.—A special to the *Daily News* from Indianapolis says that in the first inning of the Chicago-Indianapolis game there this afternoon, Paul Hinds of the Indianapolis club was hit on the head with a ball, and it is thought the injuries will prove fatal. Clark was pitching for the Chicagos and Hinds was at the bat. Clark pitched a terrible swift ball, which was apparently going wide of the plate, but when nearly opposite the plate took a sudden curve and struck Hinds squarely in the temple. Hinds lies as dead, and three doctors are working over him.

INDIANAPOLIS, April 23.—Once more did Anson's Colts walk away with the game from the Hoosiers. Shreve's pitching was effective for six innings, but after that the visitors got onto him and pounded him very hard. In the first inning Hinds went to the bat and was struck by a pitched ball, which caught him on the forehead, cutting a nasty gash that made it impossible for him to play any longer. The Indianapolis' three runs in the fifth were made on the strength of bad plays by the Chicagos. Score, Chicago 11, Indianapolis 10.

The cut received by Paul Hinds from a passed ball today was just above the left eye, extending three or four inches across the forehead. He was taken to the club house and the surgeon came and dressed it. Unless a fever sets in he will be all right in a few days.

PITTSBURG, April 23.—Detroit was beaten for the third time today in a game which was essentially a battle of sluggers. The Pittsburg did not have very much margin on it. Keefe's and Carroll's batting was the feature of the game. The weather was miserable, damp and cold, and not quite 1800 people witnessed the game. Score:

Detroit	9	Pittsburg	10

WASHINGTON, April 23.—The twelve innings game played here today between the New York and Washington was one of the best ever seen on the home grounds. The pitchers both did remarkably clever work, but Ward gather captured the honors. The batting work of both clubs was splendid. The game was called on account of darkness. The score was:

Washington	1	New York	1

PHILADELPHIA, April 23.—The Bostons defeated the Philadelphias for the third straight time today. Clarkson and Gleason were the pitchers, and so far as clean hits go, the latter had the best of it. He was rather unsteady, however, sending four men to bases on balls. Score:

LOUISVILLE, Ky., April 23.—The Jockey Club directors, after much deliberation, have decided to run the Derby on the opening day of the spring meeting, as usual, but the field will not be free as it was in former years. It is now an almost assured fact that the club will retain the pooling privileges at the track this season. The chances are that there will be no book betting, since the "books" have announced their intention of not going in at Col. Clark's figures. In order to have any betting at all, therefore, Clark will revive the "Paris mutual" form of betting. Apparently the Associations are going to make a square stand against book makers.

It has been announced from New York that Jerome Park and Coney Island will take exactly the same position assumed by the Louisville Jockey Club and will sell only French and auction pools, and it is said that Lexington will do the same thing.

FIFTIETH CONGRESS.

SENATE.

WASHINGTON, April 23.—The House bill prohibiting the making (in Washington and Georgetown) of books or pools on the results of trotting or running races or boat races or base ball, passed.

The Senate then resumed consideration of the bill to forfeit certain lands granted for the purpose of aiding in the construction of railroads the question being on the amendment offered by Stockbridge and the amendments offered by Palmer. Stockbridge withdrew his amendment.

After some debate the bill was laid aside without action.

The House bill for the sale of certain New York Indian lands in Kansas passed and the Senate proceeded to the consideration of the international copyright bill. After a brief discussion of the amendments offered by Morrill and one by Vance, the bill went over.

The House bill for the relief of the First National Bank of Portland, appropriating $824 for money advanced to the contractor for building a revenue cutter in 1875-6, was taken from the calendar, amended by adding several items for ship carpenters, etc., in connection with the same contract, and passed.

After an executive session, the Senate adjourned.

HOUSE.

WASHINGTON, April 23.—The Senate bill granting a pension to the widow of General James B. Ricketts as amended to $75 per month, was passed.

Under the call of States, Dunn (Arkansas) introduced a resolution directing the committee on merchant marine and fisheries to investigate the fur seal fisheries of Alaska, and all contracts made by the government for the taking of fur seals.

The committee is also directed to investigate and report upon the nature and extent of the rights and interests of the United States in the fur seal and other fisheries in Behring's Sea, and whether any legislation is necessary for the better protection and preservation of such rights and interests. Also a resolution calling on the Secretary of the Treasury for information relative to the fur seal fisheries in Alaska.

Ry Morrow (Cal.), to execute certain treaty stipulations prohibiting Chinese immigration.

And authorizing the Secretary of the Navy to make surveys in the Pacific Ocean to determine the existence and position of dangers in the track of commerce not laid down on the charts of the United States Coast Survey, and for the purpose of ascertaining the proper locations for submarine telegraph cables.

This being the day devoted to the consideration of the bills relating to the District of Columbia, Hemphill of South Carolina moved that the House go into the committee of the whole upon such measures, but the friends of the river and harbor bill defeated the motion.

The House then went into the committee of the whole upon the river and harbor bill.

After some discussion of the improvements of the Galveston and Cleveland harbors the committee rose without action and the House adjourned.

MR. JOSEPH BEACH.

A LUCKY MAN.

Stone in the Kidney expelled after using Dr. David Kennedy's "Favorite Remedy" about two weeks.

One of the most remarkable cases that has ever been brought to the notice of the public is that of Mr. J. S. Beach, of Stone Ridge, Ulster Co., N. Y. Mr. Beach had suffered since October 18th, 1874, from the presence of Calculus or stone in the right kidney. No less than seven physicians were employed at different times, to whom Mr. Beach paid hundreds of dollars for medical treatment with only temporary relief from his agony.

By the urgent solicitation of his friends he was induced to try Dr. David Kennedy's "Favorite Remedy," made, you remember, at Rondout, N. Y. He experienced marked improvement from the first day he began to use the medicine. On the 15th September he voided a stone as large as could be passed through the natural channel.

Mr. Beach concludes a long letter to Dr. Kennedy by saying: "It will always afford me pleasure to recommend the "Favorite Remedy" to those who may be suffering from difficulties of the Kidneys and Bladder, or any disorders arising from an impure state of the blood." The "Favorite Remedy," is sold by all druggists. Price only $1 a bottle. The Doctor's only address where he manufactures his "Favorite Remedy," is Rondout, N. Y.

SUMMONS.

In the District Court in and for the Third Judicial District of Utah Territory, County of Salt Lake.

John Squires, Plaintiff, vs. Eleanor F. C. Squires, Defendant.

The people of the Territory of Utah, send greeting:

To Eleanor F. C. Squires, Defendant.

YOU ARE HEREBY REQUIRED TO appear in an action brought against you by the above named plaintiff in the District Court of the Third Judicial District of the Territory of Utah, and to answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this summons—if served within this county; or, if served out of this county, but in this district, within twenty days; otherwise within forty days—or judgment by default will be taken against you, according to the prayer of said complaint.

The said action is brought to obtain a decree dissolving the marriage between plaintiff and defendant, and awarding to plaintiff the custody of the minor children, issue of said marriage, on the ground of various acts of adultery committed by defendant with one James Greer, (sometimes known as James Wesley) and with one Solomon Hancock; also, on the ground of desertion of plaintiff by defendant, and on the further ground of cruel and inhuman treatment of plaintiff by defendant.

And you are hereby notified, that if you fail to appear and answer the said complaint as above required, the said plaintiff will apply to the Court for the relief demanded therein.

Witness, the Hon. Charles S. Zane, Judge, and the Seal of the District Court of the Third Judicial District, in and for the Territory of Utah, this 11th day of April, in the year of our Lord one thousand eight hundred and eighty-eight.

[SEAL.] HENRY G. McMILLAN, Clerk.
