PREPARED FOR A LONG WAR

The Japanese Diet Grants All the Government Asks For.

Many Orders Passed in New York for Chinese, Korean, and Japanese.

WASHINGTON, Oct. 21.—A telegram was received at the Japanese Legation this morning stating that on the 19th inst., upon the recommendation of the Diet at Hiroshima, Count Ito, the prime minister of Japan, made an appeal to the Diet for the purpose of securing the enactment of a law which would enable the government to take such measures as might be necessary to protect the country from foreign invasion.

Count Ito, in his speech, stated that the Japanese government was now in a position to meet any emergency which might arise, and that it was prepared to take any measures which might be necessary to protect the country from foreign invasion. He also stated that the government was now in a position to meet any emergency which might arise, and that it was prepared to take any measures which might be necessary to protect the country from foreign invasion.
