

THE FIRE RECORD.

Brick Residence Burned in Thirtieth St. Addition—Blaze Near the R. S. W. Depot—High Rise' Store Destroyed.

About 1 o'clock this morning a handsome brick residence, one of the erected in Thirtieth addition by St. C. Christiansen during the present summer, was destroyed on fire. The locality in question is on Fourth east between Eleventh and Twelfth north streets, and beyond the protected fire district. The blaze was in the east and rapidly worked its way downward until the structure was destroyed. Only the base and basement walls remained standing and they are cracked. The fire was undoubtedly incendiary and the cause thereof is that a lamp may have crawled into the house and set it afire, probably accidentally as it is not possible to ascertain of destroying it.

A singular coincidence in connection with the fire is that the house had not been occupied today. It was unoccupied for some time. The loss is estimated at \$20,000 to \$25,000.

Shortly after 2 o'clock this morning a fire broke out in a new 1 1/2 story frame house near the Millville works. One part of the row was occupied as a residence by John E. Stone and another by a great number of men. The loss will reach about \$2,000.

High Rise store at No. 424 South West Fourth street was burned early yesterday morning. The loss is estimated at \$5,000 with insurance to the amount of \$2,000. The fire is said to be the work of a fire bug whose identity is not even suspected.
