**BRIGHT'S DISEASE.**

The following statement from Mrs. Emeline P. Misner of Burg Hill, Ohio, will be of great interest to those who suffer from Bright's Disease or Gravel.—I have long resolved that I would appraise you of the deep sense of obligation which I feel. There is nothing which I now enjoy that I do not owe to the happy change of having used Dr. David Kennedy's Favorite Remedy at a time when I was suffering all that a human being could endure. My troubles began in my Kidneys over nine years ago and from which

**I Never Expected to Recover.**

I was compelled to use a cane when I walked, and I finally got so weak that I could not stand alone. In a few months my physician said I had Bright's disease, which was indeed alarming information. To add to my affliction after I had been ill about two years, I had a bad attack of Gravel. Six years ago, last June, how well I remember the day, I saw Dr. David Kennedy's Favorite Remedy of Rondout, N. Y., advertised in our paper. After using one bottle I threw away my cane and went to New York on a visit, and three bottle cured me, this was six years ago. I have never had a return of gravel, nor of the pains or weakness in the back, and though I am over sixty years of age

**I am Now Vigorous and Strong**

as I was in my prime. I do all my own work, and rarely know what it is to be tired. I keep the medicine in the house and give it to my grandchildren, and recommend it whenever I can. What physicians and all of the many remedies I had taken could not do, Dr. Kennedy's Favorite Remedy did; it stayed the disease and made me a strong, vigorous woman.

## AUGUST 10.

## Dr. Prentice,

**Recently from London, Eng.,**

*Whose unequaled success in the treatment of*

**EYE, EAR AND CATARRH**

**Astonishes Everyone,**

*Has been induced to again postpone his departure until*

**AUGUST 10.**

The following are a few of the many cases of cross eyes Dr. Prentice has straightened in this city in less than one minute:

Geo. A. Smith, Salt Lake City.
Susie M. Shettler, Salt Lake City.
Frank J. Hocking, Salt Lake City.
Florence Peppers, Salt Lake City.
Lester Riggs, Salt Lake City.
Sarah Wilder, Salt Lake City.
Joseph McRae, Salt Lake City.
David M. Cambell, Providence, Cache County.
Catherine Bivens, eye turned outward.
P. Pugsley's grandson, totally deaf in one ear, restored to hearing, and many others.

**PILES.**

Piles are almost instantly and painlessly cured by Dr. Prentice, and the cause forever removed.

I have been afflicted with Hemorrhoids (or Bleeding Piles) for the past twenty-five years. For several weeks past the pain has been so intense that I was forced to quit work. I found no relief either day or night, and was frequently compelled to walk the floor all night long, as it was impossible for me to sleep. In this condition I called on Dr. Prentice at the Continental Hotel, who, after a painless operation of less than one minute, relieved me from all pain, and I have been able to sleep and rest well ever since.

I consider myself perfectly cured, and unsolicited offer this testimonial for the benefit of those who may be similarly afflicted. HENRY GREGORY, 149 N. West Temple Street.

Dr. Prentice can be found at the Continental Hotel, Salt Lake City, until

*AUGUST 10th.*

**MADE HANDSOME.**

Mr. B. H. Shettler, of Zion's Savings Bank, has a bright and intelligent little daughter nearly nine years old, but she has suffered the unfortunate disfigurement all her life of being badly cross-eyed. Susie M. Shettler's parents were very loath to trust any one to operate on her eyes. But they had faith enough to trust Dr. Prentice, and he has made the eyes perfectly straight, which was done in less than a minute, and Susie Shettler is now a handsome little girl, while her parents are well pleased.

**SATISFIED AT LAST.**

George A. Smith of Salt Lake City is a young man well and favorably known throughout Utah. He has been troubled with a bad case of cross-eyes all his life. Several years ago he had an operation performed by an oculist but it was no. successful and did no good, consequently his faith was very much shaken about its ever being made straight. But at the Continental Hotel on Monday of this week Dr. Prentice made it straight in less than half a minute. Mr. Smith is delighted with the result and his many friends astonished. Mr. Smith said it caused him practically no pain.

**NEW INVENTION.**

In 1885 Dr. Prentice invented and copyrighted a mathematical system for fitting spectacles or glasses to which is undoubtedly, the most accurate of any now in use. It is used in England, Holland and France. Dr. Gardner, of Chicago, says it is the true principle. Dr. Holmes says he has found it very useful. Dr. Fitch, a trustee of the Illinois Eye and Ear Infirmary, relies on it almost exclusively. With this system the most delicate and sensitive eyes can be fitted with glasses so accurately that they are relieved of all strain, and thus they soon recover their lost strength. Spectacles fitted and ground to order in this manner do not change as ordinary glasses do, but they wear for years and preserve the sight. Dr. Prentice, Continental Hotel, Salt Lake City. dâs

Crow, with whom Emmons and Lemmon previously had trouble. Shooting commenced at once. Both Lemmon and Emmons were shot to death and their bodies left lying in the road.

**Stabbed Three Men.**

CHICAGO, Aug. 3.—A *Daily News'* special from Elkhart, Ind., says Benjamin Scott, a Texan, who came here recently, this afternoon fatally stabbed Con Crowley, a stock dealer, George Newall, a leading farmer and capitalist and James Smith (colored porter of the Cliff House). Newell and Crowley it is claimed by Scott had trespassed upon his property. Scott said he would stab any one who would infringe on his rights to which Crowley said that a man who would use a knife was a cur. At this Scott drew a pocket knife and stabbed Crowley in the stomach three times. Newell picked up a club and sprang to Crowley's assistance, and received a stab in the left breast that reached the lung. Smith was also stabbed, but not seriously. Scott was arrested and taken to Gresham for safety. Newell's wounds are dangerous and Crowley lies unconscious, and his death is expected at any moment.

## DESTRUCTIVE TO HEALTH.

VARIOUS INDUSTRIAL PURSUITS WHICH INJURE THE HEALTH OF WORKING WOMEN.

In considering the effects of industrial life upon the health of women, it would seem at first glance, as though they would be more advantageous than those which result from a life of pleasure, or of professional labor, but I fear that facts will hardly bear out such a conclusion. In the first place we cannot exclude from the grand aggregation of such pursuits those employments which are of themselves dangerous of character and necessarily more or less destructive—such as bleachers and straw hat manufacturers, where powerful acids are used and fumes inhaled. Women are quite extensively employed in these industries and suffer keenly from irritation of the bronchial mucous membrane; later from lung diseases, which are destined to become fatal. Large numbers of women (and children as well) are employed in tobacco manufactories and suffer much from the absorption of nicotine, a dangerous poison when continuously inhaled.

Women suffer keenly from the effects of mercury, lead and phosphorous material used in the manufacture of many articles with which they have to do. In the match factories, where women and children are largely employed, the danger is said to be somewhat lessened through the substitution of red for white phosphorus. Women who work where lead is employed suffer more proportionately than men, in that their absorptive powers are greater, and their powers of resistance less than those of men. Artificial flower workers are much affected by arsenical and other poisonous coloring materials, and come to be affected by a species of paralysis. If work is continued after the early symptoms become pronounced, there is little hope of recovery. Makers of feather decorations become very seriously affected, the eyes weaken, more or less general weakness prevails, and the lungs are soon seriously affected. About three years is the full extent that this class of workers can follow their calling, because of the inhalation of a peculiar dust which handling sets free and from absorption of the poisonous materials used in curling the feathers.

Women engaged in porcelain and pottery manufactories are afflicted with asthma and a constantly recurring cough or influenza. They become pale, weak, flabby, and, when mothers, their offspring are sickly and scrofulous, and early fall victims to scrobutic affections; at times dying off in large numbers in the course of a few months. What of the saleswoman and the shop girl? We all realize to the full the effect upon health through standing behind the counter. It is needless to dilate upon it. And the shop girl? We scarcely need inquire. Long hours of unhealthful employment in unhealthful localities, uncomfortable and uncongenial hours, all tell upon her physically and mentally. Exposure, unsuitable food, insufficient and unhealthful dressing and a general disregard for anything connected with the preservation of health, are, we must remember, the usual conditions entering into the life of this class of workers.—*Anna D. French, M. D., in Woman.*

General Booth, Commander-in-Chief of the Salvation Army, will leave England for this country early next month. He intends to reorganize the army in the United States. One of the chief officers now in charge of the American army is said to be accused of appropriating material valued at $80,000 belonging to the army to his own use.

## Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.

This medicine is an Alterative, and causes a radical change in the system The process, in some cases, may not be quite so rapid as in others; but, with persistence, the result is certain. Read these testimonials:—

"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass.

Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more

**Wonderful Results.**

Another marked effect of the use of this medicine was the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyron, (of Fernandina, Fla.,) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 146 Chambers st., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured."—Mrs. Augusta A. BREMEN, GA.—Willie White was afflicted with scrofula, seven years. I prescribed S. S. S., and to-day he is a fat and robust boy. C. W. BARKER, M. D.

RICHMOND, Va., Dec. 15, 1885.—I have taken three bottles of Swift's Specific for secondary blood poison. It acts much better than potash or any other remedy I have ever used. B. F. WINFIELD, M. D., Formerly of Sussex Co., Va.

Dr. E. J. HALE, the well-known druggist and physician, of Jacksonville, Howard County, Ark., writes: "Having some knowledge as to what S. S. S. is composed of, I can safely recommend it as the remedy for all blood diseases, it matters not what the name may be."

We have a book giving a history of this wonderful remedy, and its cures, from all over the world, which will convince you that all we say is true, and which we will mail free on application. No family should be without it. We have another on Contagious Blood Poison, sent on same terms.

Write us a history of your case, and our physician will advise with you by letter, in strictest confidence. We will not deceive you knowingly.

**A FRIGHTFUL SKIN DISEASE.**

**Sufferings Intense. Head nearly raw. Body covered with Sores. Cured by the Cuticura Remedies.**

Messrs. STEVENS & BRUNER, Monroe, N. C.

*Dear Sirs.*—About two months ago, on your recommendation, I bought a bottle of CUTICURA RESOLVENT, one box CUTICURA SALVE, and one cake of CUTICURA SOAP, for my son, aged thirteen years, who has been afflicted with eczema for a long time, and I am pleased to say that I believe the remedies have cured him. His sufferings were intense, his head being nearly raw, his ears being gone except the gristle, and his body was covered with sores. His condition was frightful to behold. The sores have now all disappeared, his skin is healthy, eyes bright, cheerful in disposition, and is working every day. My neighbors are witnesses to this remarkable cure, and the doubting ones are requested to call or write me, or any of my neighbors.

WM. S. STEPHENSON, WINCHESTER P. O., UNION CO., N. C.

MONROE, N. C., Oct. 29, 1887.

THE POTTER DRUG AND CHEMICAL CO.:

*Gentlemen,*—Mr. Wm. S. Stevenson of this county brought his son to town today to let us see him, and to show us what CUTICURA REMEDIES had done for him. This is the case referred to in our letter to you some time ago. To look at the boy now, one would suppose that there had never been anything the matter with him,—seems to be in perfect health. We have written and herewith inclose what his father has to say about the matter,—wrote it just as he dictated.

We are selling quite a quantity of CUTICURA REMEDIES and hear nothing but praises for them. We regard the CUTICURA REMEDIES the best in the market, and shall do all we can to promote their sale.

Yours truly, STEVENS & BRUNER, Druggists and Pharmacists.

## PUTNAM'S HOT FORGED NAIL

**Every Putnam Nail**

Is drawn down to a point from the rod, thus:

receiving over sixty quick, successive sharp blows, at a welding heat. They are then scalded by the water process,

**NO ACIDS**

being used, and afterwards

**HAMMER POINTED.**

Our nails, therefore, are to all intents and purposes the same as the old fashioned hand and hammer pointed.

Some other manufacturers claim to make a Hot Forged Nail, but you will observe on all such a Sheared Edge near the point.

**Hot Forged and Hammer Pointed HORSE SHOE NAIL**

***Made by Machinery in the World.***

We address these lines to HORSE OWNERS, because they are the parties most vitally interested. We feel assured that after knowing the facts, and giving the subject due consideration, they will INSIST that their horses be shod with the Hot Forged and Hammer Pointed Nail. A few months' trial will always convince.
