

CENTURY CLUB
OFFERS \$20,000
Athletic Association of Los Angeles
After Jeffries-Fitzsimmons Go.
WANTS THE FIGHT IN MAY.

Club Has Ample Financial Backing
And Hopes the Pugilists Will
Consider the Offer Well.

Los Angeles, Cal., Feb. 27.—The Century Athletic club of this city has decided to make a bid of \$20,000 for the Jeffries-Fitzsimmons fight, the contest to take place during the fiesta celebration in this city on May 1, 2 and 3. The club has ample financial backing and expects its bid to receive serious consideration by the two pugilists.

GOLFERS IN SESSION.
Slight Changes in Disposal of Various Championships Expected.

New York, Feb. 27.—At the annual meeting of the Golf association, at Delmonico's today a slight change in the disposal of the various championships is expected to result from the recent announcement by the Brooklyn Country club of Boston, that it is unwilling to accept the women's tournament. As the announcement was received by the executive committee too late to canvas for new bids, the disposal of that particular championship will be doubtless postponed. It is believed by local enthusiasts that Nassau will be the choice for the amateurs. Several important changes are planned in the executive committee and less than three of the seven officials will drop out. The nominations which are equivalent to an election are:

second vice presidents, respectively, and Robert H. Keet, secretary.
Proceeding the meeting the executive committee held a special meeting for the election of members and drafting of changes in constitution. It is expected the latter will conclude the admission of state leagues on the basis of allied membership.

BID FOR LIGHTWEIGHTS.
Colorado Athletic Club Offers \$10,000 for Corbett-McGovern.

Denver, Feb. 27.—The News today says that the Colorado Athletic club will offer a purse of \$10,000 for the Corbett-McGovern fight. The bid will be forwarded to the Cincinnati Enquirer before April 15.

TRACEY DEFEATS FERNS.
Two Thousand People Witness a Fast And Fierce Contest.

Portland, Ore., Feb. 26.—Before a crowd of 2,000 people at the Pastime club tonight, Tom Tracey of Australia was given the decision over Rube Ferns of Kansas at the end of the twentieth round. The fight was one of the fastest and cleanest ever seen here. Honors were about even up to the tenth round. In that round Ferns was sent to the floor by a hard right swing on the jaw, and it looked as though he was out, but the gong saved him. The splendid footwork of Tracey took him out of reach of nearly all of the vicious swings and punches of Ferns.
At the end of the eighteenth round Ferns was clearly distressed, but his splendid condition kept him in the ring until the scheduled 20 rounds were concluded. The decision of Referee Joe Acton awarding the fight to Tracey was a popular one, for Tracey did most of the leading and was in much better shape than Ferns when the contest ended. The preliminary bout was between Frank Freeman of Spokane and Ed Murray of Portland. Murray dislocated his left thumb in the fourth round and refused to finish the eight rounds scheduled.

MISSIONARIES WIN.

Defeated the Commercialists by a Score of 26 to 23.

In the L. D. S. league basketball game played yesterday afternoon between the Missionary and Commercial departments of the university the latter was defeated by a score of 26 to 23. It was a close contest and roused considerable enthusiasm among the spectators. The game was played in the gymnasium.

Perhaps Wade doesn't think it's going to be a fight when he meets Clifford and that the fair can make some money off the Salt Lake sports. Clifford should be an easy proposition for the Montana champion.
Clifford has twice made a monkey of Wade, though the latter tried his best for a knockout in the six-round go at the Butte gymnasium recently.
"And then, what isn't generally known, Clifford went out in a training bout while Mose L. Fontaine was laid up with a sprained ankle. Kid Ople was casting around for some one to spar with while his trainer was off shift and Clifford went up to the engine house to take the job.
A couple of rounds followed in which Ople put Clifford to the test easily and the latter went back home and failed to show up for the second day's training. So there's a good prospect of some easy Salt Lake money coming into Wade's hands.
The intermountain seems to lose sight of the fact that Clifford has undoubtedly improved since his bout in Montana. It is just possible that the student from California will surprise some of the wisacres.

SHOOTING BY A MOB.

Jacksonville, Ill., Feb. 26.—Woodford Hughes was shot by a mob early today at Nortonville, a small town in the southern part of this county, six miles from a railroad. Hughes, until a few months ago, lived at Nortonville. Last August James Sweeney, of the same town, was shot while driving one night along a country road. His injuries were serious, but he finally recovered. Hughes was accused of doing the shooting.

Mexican Pete Says He Will Tackle Burns' Brother.

If Jimmy Burns is afraid to meet Mexican Pete in a return match, perhaps his brother, George Lawler, will meet him. Mexican Pete said yesterday to the "News" that he would meet Lawler at any time and at any place as he barred neither the Irish Giant or his brother, who travels under the name of Burns.

"I think it is about time one of them was doing something," said Pete. "I have made all kinds of offers to Burns but he appears to be afraid to come to the scratch. Well, if he is afraid, I will fight his brother. I don't bar anyone, they can all come and I will meet them."

RATHBURN IS SOLD.

Dashing Roadster Purchased by Omaha Man for \$500.

The speedy next season will miss Rathburn, one of the most dashing roadsters of the city. The horse was owned by Charles Rathburn, who has sold it to J. H. Hulthry, of Omaha, for \$500. The horse will be shipped to Omaha within the next day or two, where it will be used as a family driving animal. A number of Eastern men of good race have been in the West looking for good road horses. This indicates that the western article is growing in the esteem of the effete east.

JEFF SPEAKS OF FIGHT.

Has a Good Word for Gus Ruhlin The Akron Giant.

Champion Jeffries, when interviewed in Cleveland last week about his coming fight with Fitzsimmons, expressed the opinion that the fight would take place either in San Francisco or Carson City. He thought that those two places were about the only ones that a championship contest could be pulled off without interference.

"After my engagement closes in Cleveland," said Jeffries, "I will go to Harbin Springs, 30 miles from San Francisco, to train. That's where I prepared for my go with Ruhlin. And speaking about that go, I want to tell

you that Ruhlin put up a better fight than the people here in the east gave him credit for. Gus is a strong fighter, but I was too far for him and when he saw he was being slaughtered, he just quit, that was all. It was a pretty stiff blow that I gave him in the stomach in the third round. This I don't know as he should be blamed for quitting. Still, I wish he had kept on until he was knocked out. Then there would have been no talk of quitting or a fake fight and every one would have been satisfied, except, of course, Ruhlin and his backers."
What are you going to do when you have defeated Fitz? There won't be any one left for you to fight except Joe Walcott, who has challenged any man and any time.
I am not talking about who I will fight with next," replied Jeff. "I am not through with this fight with Fitz yet. But as to Walcott or Martin—why, all I have got to say is, when there are no more white men for me to fight, I will quit the business."

CRAZY SNAKE GETS TWO YEARS.

Muskogee, I. T., Feb. 26.—Chitto Harjo, or Crazy Snake, and nine of his followers, were today in the federal court here sentenced to the United States penitentiary at Fort Leavenworth, Kan., for two years, and each fined \$5,000, on a charge of conspiring against the government. They constitute the leaders of what is known as the Snake gang of Indians, who have sought to resist the allotment of land by the Dawes commission in the Creek nation and prevent the settlement of affairs by the government in the Indian territory.

Crazy Snake, 31 years of age, started an uprising that made it necessary to call out troops from Still, and he and his followers were arrested last week for again inciting the Indians to violence.

The names of the leaders besides Crazy Snake sentenced today are: Gilbert Johnson, Chitto James, Abraham McIntosh, Louis Mitchell, Louis Harjo, Squirrel, John Timothay, George Scammons and Little Tiger.

Boers Go Through British Lines.

London, Feb. 26.—Lord Kitchener reports that six hundred Boers, driving cattle, rushed the outpost line near Hothersburg, during the night of Feb. 24, and that some of them got through. The Boers left 15 dead and six wounded on the field.

A dispatch from Lord Kitchener, made public today, says: "A convey of empty wagons was attacked and captured by the Boers southwest of Klerksdorp, (Transvaal colony), Feb. 24. The escort consisted of a force of the imperial yeomanry, three dragoon companies, the Northumberland fusiliers and two guns. The fighting was severe but had no further details."

Hanged for Burglary.

Asheville, N. C., Feb. 26.—Dudley Johnson, white, and Ben Foster, colored, were hanged here today at 12:30 for burglary. They were given a church burial during the afternoon.

Burglary at night in North Carolina is a capital offense, and today's execution was the final chapter in a case attended by many exciting incidents.

Gov. Aycock was besieged with petitions for clemency from all parts of the United States but declined for a time to interfere. One of these petitions was accompanied by a counter petition from this county asking the governor to let the law take its course.

On the morning of his capture, when it was thought he was dying, made a confession in which he stated that the burglary had been planned in Asheville by Gates and Johnson, who had asked Mills and him to accompany them on the expedition. The governor a short time ago commuted the sentence of Gates and Mills to imprisonment for life.

Shot by a Mob.

Jacksonville, Ill., Feb. 26.—Woodford Hughes was shot by a mob early today at Nortonville, a small town in the southern part of this county, six miles from a railroad. RHEUMATISM

A Demon of Pain

Rheumatism seems to take a fiendish delight in torturing its victims. No mode of punishment ever invented by man, or practiced by devil-possessed savage, has caused more bodily suffering, such deep, racking pains, as this pitiless disease. Rheumatism leaves in its trail distorted muscles, crooked and misshapen joints and limbs, and the intense pain and agony endured is reflected in the haggard and furrowed countenance of the sufferer. Rheumatism makes us grow old and decrepit before our time, and many an one in the full vigor of manhood has been suddenly

stricken by this ruthless disease, and made almost as helpless and dependent as an infant.
Chained to the invalid's chair or hobbling about on crutches, and continually tormented with pain, the patient in desperation resorts to the use of opiates, which deaden the pain but lead to ruinous habits. There is no disease so aggressive and stubborn as Rheumatism after it becomes well entrenched or fixed in the system, and no liniment or other external application can check it or do any permanent good. Rheumatism is not due to outside influences or causes, but is a constitutional disease, an internal inflammation produced by a too acid condition of the blood. Waste matter that should have been cast out of the body is retained, fermentation takes place, Uric, Lactic and other acids form and are absorbed into the blood, and as it circulates through the system every joint, membrane, tissue and nerve is saturated with these corrosive, irritating acids; when exposure to cold and damp or a spell of indigestion will bring on a fierce attack that almost takes the breath by its suddenness and severity. The parts affected become inflamed and swollen, and every movement is attended with pains that seem to cut like a knife into the tender flesh and nerves. After Rheumatism becomes chronic there is always a soreness and weakness of the back and dull throbbing pains in the muscles and joints and an ever increasing stiffness of the limbs. This Demon of Pain attacks the old and young, the strong and the weak—no one is exempt, but from middle life to old age is the time when its assaults become most frequent and severe. At this period the vital energies begin to wane, the blood grows weak and thin, and is easily chilled, the circulation becomes uncertain and slow and there is scarcely a moment's freedom from pain in some part of the body.

The treatment of Rheumatism must be internal; some remedy that can reach and neutralize the poisonous acids and cleanse the circulation. S. S. S., a purely vegetable medicine, acts promptly and surely in all Rheumatic cases, purifying and invigorating the impoverished blood, eradicating all impurities from the system, and sending a stream of rich new blood to wash out the irritating particles that are causing the inflammation and pains. In chronic cases, or those developing late in life, S. S. S. is especially effective; it warms and enriches the blood, restores nervous energy and stimulates the failing organs, improves the appetite and digestion, and builds up the general health, thus fortifying the system against the tortures of Rheumatism. Alkalies, Potash and mineral remedies have an opposite effect, destroying the delicate lining of the stomach and often permanently impairing the constitution. S. S. S. is guaranteed entirely vegetable, and a specific in all Rheumatic troubles. Our Physicians will gladly advise, without charge, all who write them about their case, and we will mail free our special book on Rheumatism.

REPEATED FAILURES, THEN RELIEF.
Mr. Wm. L. Hill, of Winston, N. C., at one time a traveling salesman and well known in North and South Carolina and Virginia, says: "Two years ago my blood was in a wretched condition, and in addition to other bodily ailments I suffered severely from Rheumatism. After repeated failures to secure relief from the use of other remedies, I began S. S. S., and it acted like a charm. The rheumatic pains left and my general health was built up as well. I have the highest opinion of S. S. S. for it is the only medicine that did me any good."

Mineral Medicines

THE use of minerals is unnatural. No animal in its natural state, turns to minerals when stricken by sickness, but to the green herb, the healing leaf, the tonic bark, and the medicinal root. Mineral medicines stimulate for a time but never cure. To eradicate disease you must reach the root of the trouble and this can only be done by vegetable preparations.

KICKAPOO SAGWA
