TERMS-IN ADVANCE -

FROM TUESDAY'S DALLY, AUG. 29.

Ogden Pig Iron.--We are indebted to Bro. T. R. D. Watson, of the 18th Ward, for a specimen of pig iron, from the Ogden Iron Works. It has all the appearance of being excellent material.

timable lady, well known for her ter of Brother Kimball public services in the cause of true religion- We learn, however, that she had improved somewhat and hopes were entertained of her early recovery.

up City Creek on Sunday occurred Hall, Aug. 16th, and 17th, presided about seven miles up the canyon, a over by Sister Rebecca Porter and short distance above the old saw- Counsel, assisted by Bro. Reeves mill. The rush of water washed and a committee of young ladies down an immense amount of dirt and gentlemen whose skill and enfrom the side of the mountain. ergy combined rendered the scene Boulders from three to four feet in one of extraordinary beauty, the dediameter were swept down as i' light of all beholders, who were they had been mere pebbles.

Fire at Grantsville. -- We learn from Brother Arcet L. Hale of Grantsville, that, on Saturday morning last, about six o'clook, the house of Moroni Durfee was discovered to be on fire. The family were absent at the time, being in the canyon "berrying." The most valuable portion of the contents of the residence was saved by the neighbors. The remainder and the building were consumed.

A Reservoir. - Arrangements ing day, Aug. 18th, through the have been made to construct a re- gratuitous offer of Brother Reeves servoir for the waterworks. It will of the use of his hall, the juvenile be located immediately west of the portion of the community (Centreexisting tanks and will have a ca- ville's future hope) were called topacity of 135,000 gallons. The gether and spent a few hours in the materiai used in the construction dance, most agreeably, inspired by will be the concrete substance man- the musical talents of Professor ufactured by Mr. Ellas Morris.

The necessity for the reservoir Duell." was demonstrated by the difficulty of Sunday and yesterday, when the supply had to be shut off from the pipes. Had there been a reserve of clear water the flow would have been uninterrupted. As it was, there was no alternative.

The building of the reservoir will necessitate the curving of the canyon wagon road around its site to the westward.
