IT IS TRULY WONDERFUL

TO SEE what improvements now exist as compared with railway travel only a few years ago. To become convinced of this, one has only to select for his route East, the popular and well-known

CHICAGO & NORTHWESTERN RAILWAY.

You are landed by the Union Pacific R. R. in the Union Depot at Council Bluffs, where stands the C. and N.-W. Pacace train, composed of Pullman Hotel Cars, Pullman Sleeping Cars, elegant Day Coaches, Smoking Baggage, Postal Cars, etc., ready to convey its passengers through Iowa and Illinois, and into Chicago. Gliding smoothly along over the superb track of steel rail through thriving cities and villages, comfortably seated in this train, one scarcely discovers the high rate of speed which he is riding. Trains of this road are always on time, connection sure, and passengers seeking pleasure, comfort, safety and ease in traveling, will find the "North-Western" in excess of their expectations, and the greatest of all routes to Chicago and the East. Insist upon Ticket Agents selling you Tickets via this road; all Agents sell them. Examine your Tickets, and refuse to buy if they do not read over this Road. If you wish the best Traveling Accommodations, you will buy your Tickets by this Route, AND WILL TAKE NO OTHER.
